Evanston Township High School
Evanston Township High School District 202 (ETHS) is a 4-year (grades 9-12), comprehensive high school occupying a 65-acre campus.

ETHS was established in 1883 with a 2013-14 school student population of approximately 3,000.

ETHS has a staff population of approximately 500, with 250 certified members.
ETHS’ enormous campus is home to 3 buildings consisting of the main campus, a power plant and a nature center/classroom facility.

ETHS has an annual operating budget in excess of $69 million
All projects in excess of $25,000 must be bid out.

Vendors may join our bid list either by:

- submitting their request on their company’s letterhead stating the products and/or services they provide.
- or via our website under eAlerts signup

All bidders must adhere to bid requirements as specified in bid documents.
All winning bids require board approval

All required certifications/affidavits must be received before commencement of any projects including prevailing wage, certificate of insurance, and any other required documentation as specified.
