Evanston Composting Guide

CONTROLLING RATS
A GUIDE for Property Owners and Tenants

HELP CONTROL RODENTS IN YOUR NEIGHBORHOOD
It takes a community-wide effort to manage the rodent population

What’s Your Responsibility?
+ Report rats. Call or text 847-414-4311
+ Don’t play into their hands. Keep food and garbage in tightly sealed containers, control vegetation, and close openings in your home and doors.
+ Share this information. Tell neighbors, tenants and landlords.
+ Work with your neighbors to clean up your alley and shared spaces.

What Does the City Do?
Working with residents, the Evanston Health Department:
+ Routes 313 service requests
+ Reports and stops alleys and properties for rodents
+ Provides consulting and tutorial services
(FREE for residential properties)
More on rodents and how to keep them away: Visit evanston.org/rodents
If you have any questions, please call or text 847-414-4311

INTEGRATED PEST MANAGEMENT (IPM)

- Removing food, water and shelter
- Using poison as a last resort

PREVENT RODENTS ON YOUR PROPERTY

Department of Health & Human Services, 2100 Ridge Ave., Evanston, IL 60201
Email: Health_Department, Phone: 847-448-4311

Thank you for completing the release of liability for rodenticide treatment for your property. Please answer the following questions to determine if there may be conditions that will continue to contribute to rodent activity on your property.

If you answer YES to any of the following questions, please address immediately so that the rodenticide treatment will be successful. Your cooperation is greatly appreciated.
