

Dear Evanston Property Owner:

The City of Evanston, Property Standards Division, continues to offer assistance, at no charge, for the removal of graffiti. Depending on the surface and type of property, one of the following methods will be utilized:

1. The City will remove graffiti from surfaces such as brick, stone or concrete utilizing a high pressure cleaning system using water and biodegradable, non-toxic cleaners.
2. The City will paint over previously-painted surfaces that have been defaced with graffiti on residential properties. Only that area that was defaced will be painted over. We will attempt to match the color of the existing surface as closely as possible.

To take advantage of this service, please complete the "Graffiti Removal Liability Waiver" on the reverse side of this form and forward it to:
