Dog and Cat Pet License Tags

The City of Evanston pet license, for cats and dogs, is issued on a fiscal year basis. **By City Ordinance, all dogs and cats are required to have pet licenses.** The biggest benefit of registering a pet with the City of Evanston is the increased chance of being reunited with your dog or cat, should it become lost. Applying for the license also serves as a reminder to renew your pet's annual rabies vaccination, which could save your pet's life. The annual cost is \$10 if the pet is neutered and \$15 if not neutered. For your convenience, using this application form, you can now purchase a pet license through the mail. Please provide all the requested information on the application form, particularly a copy of your pet's rabies vaccination certificate, and return both parts of your application form and remittance; Make any address changes directly on the form. Call the City Collector's Office at (847) 866-2926 for additional information about pet licenses.

The 2009-10 license expires 2/28/10
