Dear Ms. [REDACTED]

Your e-mail expressing words of thanks to Officers Wally Baumgart, Reginald Napier, and Michael Triche is greatly appreciated. Recognition for a job well done is encouraging and heartwarming to those of us committed to law enforcement.

I am sure the officers will be gratified with your kind words that their presence was instrumental in relieving some of the anxiety for you and your family. A copy of your e-mail will be placed in each member's permanent personnel file.

Thank you for writing.

Sincerely,

I wanted to personally thank you and your officers for the wonderful job they did escorting us to Suset Memorial Gardens on January 23, 2007. The procession was quite long and could have posed a traffic hazard to us as well as others. However with your permission and the professionalism and expertise of Officers Baumgart, Napier and Triche our trip was uneventful and safe for everyone. As you can imagine the death of a spouse is quite traumatic and stressful and your service to my family helped alleviate that. Thank you for your understanding and service.

Sincerely,
