Good Day Chief,

I would like to say thank you for sending such a fine representative of your force to the YMCA. Amanda gave an awesome and engaging presentation to my middle school students. The city of Evanston really needs police officers like her to show the children of this community a positive respect of the police. Amanda told stories, was interactive, answered questions and let the students see her car. She also gave them a better understanding of some of the myths about police officers.

Thanks again and I hope we can come visit you this summer.
