

COMPLIMENT FORM COMMENDING THE EPD

Date: May 17, 2007

Visitor: [REDACTED]

Complimenting praiseworthy police work by:

AMANDA JONES

[REDACTED] from the North Lake Shore Retired Teachers' Association expressed her appreciation to Amanda for providing a quantity of File of Life Magnets and Senior Services booklets for distribution at their senior citizen luncheon. The materials and programs you have for the senior citizens are very well-planned and always well-received. Thanks for everything.
