OFFICER MICHAEL ENDRE

Dear Chief Eddington:

Welcome to our town and I hope you enjoy a long stay here, despite our brutal winters and torrid summers. Scuttlebutt has it that the members of the police force are delighted to have you heading up the department!

As a student in the latest Civilian Police Academy, I had my required ride-around last Saturday with one of your fine officers, Michael Endre. I was very much impressed with his professionalism, his courtesy, and the breadth of his knowledge about how the law helps and occasionally hinders police work. While patiently answering my many questions, he was at all times alert for any sort of suspicious activity---almost as if he had eyes on all sides of his head.

After our tour of the various neighborhoods, I came away with the feeling that if all your police officers are as adept as Officer Endre, then the safety of Evanston is in very capable hands indeed.

Sincerely,

7
