

COMPLIMENT FORM COMMENDING THE EPD

Date: December 4, 2006

Visitor: Zollie Webb

Complimenting praiseworthy police work by:

REGGIE NAPIER
GEORGE GONZALEZ
WALLY BAUMGART
RUSS BROWN

The most difficult and unexpected heartbreak one can ever experience is the loss of a child. I want to thank the Police Department's Traffic Bureau personnel for their consideration and assistance during my son's wake and funeral. The Funeral Escort was unexpected but deeply appreciated by his family. Thank you for helping during our tragedy.
