Dear Friends:

As the Food Coordinator for Soup at Six and on behalf of the Trustees, I'd like to thank you for the food you contributed towards our mission of feeding the needy.

Your continued support and the volunteers that help to prepare and serve the meals keep our outreach going. We hope that the meals you help us to provide not only feed the hungry but also warm the heart of those we serve. This is especially important in the holiday season. Thanks again for your efforts on our behalf, and as always, if you are ever in the area please drop in for a visit. Meals are served every Tuesday from 4:30 to 6:00 p.m.

Sincerely,

Erica Hall
