Commander Brian Scruggs  
Evanston Police Department  
1454 Elmwood Avenue  
Evanston, IL 60201

Dear Commander Scruggs:

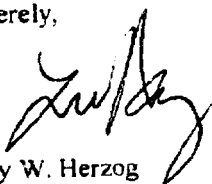

Thank you so very much for telephoning the police accreditation assessment team on Monday afternoon, November 6, 2006, concerning the reaccreditation of the Grayslake Police Department through the international Commission on Accreditation for Law Enforcement Agencies (CALEA).

And thank you for providing facts and complimentary opinions on the abilities of the Grayslake Police Department to meet the standards of the Commission. We very much appreciate your thoughtfulness and your commitment to our police agency and to the partnership that we share.

The assessment team left that following Wednesday after providing to Police and Village staff a very positive exit interview. The next step in our re-accreditation process will be our testimony before a subcommittee of the Commission in made-March 2007. We are encouraged and confident that the Grayslake Police Department will be granted full reaccreditation status, and we know that our positive relationship with the Evanston Police Department plays a big role toward that result.

Again, thank you so very much.

Sincerely,

Larry W. Herzog  
Chief of Police
