Ref: Residential Burglary 06-11303

Dear Chief Nilsson:

I am writing this letter to express my gratitude for the assistance from your Department and specifically your Detectives Williams and Nieman. At 4:41 PM on October 7, 2006, the Wilmette Police Department responded to 1424 Maple Avenue for a recent residential burglary. From a canvass, we were able to get a description of two possible offenders. I had our Communication Center give the description of the subjects and possible stole property to your Department. At approximately 5:40 PM, we were notified that Detectives Williams and Nieman made a street stop and took one subject, who has some of our resident's stolen property, into custody. After he was turned over to us and given additional information on possible accomplices, this Department was able to identify the second subject and will petition both of the juvenile offenders.

Please accept my appreciation for the assistance from your Department and Detectives Williams and Nieman. It is reassuring to know that when needed we can count on your Department for assistance. Please extend my personal thanks to all your Department personnel that helped with this residential burglary and especially to Detectives Williams and Nieman.

Sincerely,

Patrick J. Collins  
Patrol Commander
