Isabella Street Reconstruction from the CTA crossing to Sheridan Road Road Closure Scheduled for Friday, May 8, 2009

DiPaolo Company, the contractor for the Sheridan Road Reconstruction Project, continues work on Isabella Street. To facilitate the safe construction of the concrete base course, Isabella Street will be closed to through traffic from the CTA crossing to Sheridan Road on Friday, May 8, 2009 from approximately 7:00 a.m. to 4:30 p.m. Except for local traffic to Girard, Garrison and Asbury Avenues; all other traffic will be detoured to the marked route along Ashland Avenue to Central Street to Ridge Avenue.

During times of closure, residents of Girard Avenue and Garrison Avenue will be allowed access to and from Isabella Street as needed. However, delays of up to 15 minutes are to be expected as the concrete trucks unload concrete from the existing eastbound lane of Isabella Street.

If you require special assistance or have additional questions, please contact **the Sheridan Road Project Field Office at 847-251-1134, the Evanston Division of Transportation at 847-866-2924 or the Wilmette Engineering Department at 847-853-7660**. We thank you in advance for your patience during construction. Please be assured that our goal is to minimize any inconvenience during this project.
