I have reviewed all information provided to me by the City staff and consultants, and I find that the City of Evanston has conformed to all applicable requirements of the Illinois Tax Increment Redevelopment Allocation Act set forth thereunder for the Fiscal Year beginning January 1, 2023 and ending December 31, 2023, to the best of my knowledge and belief.

Attachment D Statement setting forth all activities undertaken in furtherance of the objectives of the Redevelopment Plan, including:

- A. Any project implemented during the reporting Period; and
- B. A description of the redevelopment activities undertaken.

The City continued to monitor redevelopment activities / awaiting court proceedings delaying the implementation of an affordable housing development. The project is expected to break ground in 2024.

The City council approved the acquisition of 1821 Lake Street (listed inaccurately in the Cook County property database as 1521 Lake Street) for \$200,000. The property will be integrated into a larger land assemblage for recreation/green space.

City Council approved a grant of \$560,000 to assist with the renovation of 1901 Church Street – a mixed use building featuring several Black-owned businesses and apartments on the upper floors.

The Evanston Public Works Agency began final plans and city council approval for sidewalk installation in the south end of the TIF at Greenleaf and Hartrey for an estimated \$1m in TIF. The project will not begin until 2024. Additional funding was approved for lead service line removal (\$500k), engineering for Mason Park Expansion (\$250k) and lighting at Church and Dodge (\$215k)

A number of small grants funded district improvements and several consulting contracts related to business district revitalization.
