**WEEK ENDING JANUARY 31, 2025**

## ***Time Running Out To RSVP for NWMC Legislative Days***

Registration is open for the Conference's annual Legislative Days in Springfield, but the deadline to RSVP is next Friday, February 7. This year, members will visit the capitol on Tuesday, February 18 through Thursday, February 20. This week coincides with the Governor JB Pritzker's Budget and State of the State Address, scheduled for Wednesday, February 19. The governor's unveiling of his administration's priorities presents an ideal opportunity for Conference members to engage with lawmakers to share municipal perspectives and other critical issues.

Staff is working to schedule meetings and events for the week which will begin on Tuesday mid-afternoon with a briefing for attendees at the offices of Anderson Legislative Consulting, followed by legislator meetings and committee hearings. That evening, the Conference will host a reception with members and legislators at Loukinens' on 4th.

Wednesday will focus on meetings with caucus leaders and key legislators combined with reaction to the Governor's budget address. Staff encourages members who wish to attend the address to contact their legislators to secure tickets. For those not attending the address, staff will host a watch party and lunch at the offices of Anderson Legislative Consulting. For those staying through Thursday, staff will schedule additional meetings.

Once the details of the schedule are finalized, we will provide updated information to the membership. In the interim, please complete the [registration form](#) by Friday, February 7 and staff strongly encourages attendees to reserve [hotel accommodations](#) as soon as possible as it's expected to be a busy week. We look forward to seeing you in Springfield!

### ***Mayors Caucus Opens 2025 Homes for a Changing Region Applications***

*From the desk of Metropolitan Mayors Caucus Executive Director Neil James:*

We are proud to announce that slots are available for assistance in the Mayors Caucus 2025 *Homes for a Changing Region* program. *Homes* helps municipalities identify solutions to their most pressing housing challenges, create a balanced mix of housing types, and serve the needs of multiple generations of residents and workers. *Homes* is a partnership between the Metropolitan Mayors Caucus and BRicK Partners and is supported by the Illinois Housing Development Authority.

Since 2005, *Homes* has helped over 60 municipalities, or one in five of our region's communities, understand and respond to changes in their local housing markets. The *Homes* team will help you understand the current state of your market. We use data, regional expertise, and case studies from peer communities to identify solutions to your community's challenges, which may include:

- Community affordability amid sudden increases in local home prices;
- Ensuring maintenance and preservation of the existing housing stock;
- The need to support seniors aging-in-place and potentially isolated in their homes; and/or
- Increasing the supply of housing options, such as starter homes or the "missing middle".

*Homes* will provide fast and highly targeted technical assistance through a housing needs assessment, discussions with local stakeholders, a panel of housing experts, and a final action plan. *Homes* also utilizes a community survey, which will help municipalities identify emerging housing issues and community needs. At the end of the process, the team will identify best practice actions and resources to fund implementation.

Assistance is free. However, our slots for 2025 are very limited. Please fill out the application at [this link](#) by Friday, February 28<sup>th</sup> to be considered for this free assistance. For more information, please contact Ben Schnelle at [bschnelle@mayorscaucus.org](mailto:bschnelle@mayorscaucus.org). *Staff contact: Mark Fowler*
