DIRECTOR'S WEEKLY BRIEFING

By NWMC Executive Director Mark L. Fowler

WEEK ENDING NOVEMBER 21, 2025

HAPPY THANKSGIVING!

Editor's Note:

From all of us and our families to you and yours, have a Happy and Safe Thanksgiving! The NWMC offices will be closed on November 27 and 28. The Director's Weekly Briefing will return on Friday, December 5.

Is Your Thanksgiving Resolution to RSVP for the NWMC Holiday Celebration?

We look forward to seeing members, legislators and guests at the annual NWMC Holiday Celebration! As previously reported, the Conference is excited to host a free holiday celebration on Wednesday, December 10 from 6:00 p.m. to 8:00 p.m. at the Chateau Ritz, 9100 N. Milwaukee Avenue in *Niles*. Please RSVP your attendance to Marina Durso, 847-296-9200, ext. 122 or mdurso@nwmc-cog.org by Monday, December 1. *Staff contact: Marina Durso*

Time to Respond to the Councils of Mayors 2027-2031 STP-L Call for Projects

As previously reported, the North Shore and Northwest Councils of Mayors have opened their Call for Projects for 2027-2031 Surface Transportation Program-Local (STP-L) funding. The [North Shore Call for Projects](#) will be open until December 19, and the [Northwest Call for Projects](#) will be open until December 30. Project selection methodologies and application documents are available on each Council's website.

NWMC staff held a STP-L workshop last month where staff reviewed the Call for Projects timeline, STP-L funding overview and council-specific application requirements. A [recording of the workshop](#) can be found on the NWMC YouTube Channel. Additionally, the North Shore Council of Mayors hosted a workshop in partnership with McHenry County on the Safe Systems Approach process, which is now part of the Council's project selection criteria. A [recording of that workshop](#) is also available on the NWMC YouTube Channel.

For questions about the North Shore Council call for projects, please contact Brian Larson, blarson@nwmc-cog.org and for the Northwest Council, please contact Eric Czarnota, eczarnota@nwmc-cog.org. *Staff contacts: Eric Czarnota, Brian Larson*

Plan Now, Save Later: The SPC & Sourcewell Can Help Prepare for Seasonal Shifts

The colder months are here and as unpredictable weather becomes the norm, public works departments turn their attention to preparing infrastructure for seasonal challenges. Emergencies, limited staff, aging equipment and facility limitations often push maintenance into reactive mode, increasing costs and straining operations. Take the worry out of that uncertainty with trusted solutions through the Suburban Purchasing Cooperative (SPC) and our program alliance with [Sourcewell](#).

Instead of enduring procurement delays or pushing projects to next year, agencies can rely on the SPC and Sourcewell for fast access to competitively solicited contracts for infrastructure maintenance services. Connect with local, qualified suppliers ready to support weather-sensitive projects for everything from pavement repairs to storm system checks.

Now is the perfect time to plan for:

- Pavement maintenance and crack sealing
- Culvert, drainage, and stormwater system checks
- Utility system tune-ups
- Bridge and guardrail inspection/repair
- Fleet maintenance for utility trucks or snowplows
- Emergency response site readiness

- Community grounds care

Sourcewell's cooperative contracts eliminate delays, reduce administrative burdens, and support public purchasing requirements so your team can efficiently maintain the roads, utilities, and facilities your community relies on, no matter the season. [Explore Sourcewell Contracts](#).

For questions or additional information, please contact staff or Sourcewell contacts Nicole Allen, 224-661-1825 or Nicole.Allen@sourcewell-mn.gov, or Aaron Peterson, 218-541-5299 or Aaron.Peterson@sourcewell-mn.gov. *Staff contact: Ellen Dayan*

Time is Running Out for Plain Old Telephone Service (POTS) and Analog Lines

As part of its efforts to transition customers away from analog voice POTS lines, AT&T is moving forward with plans to “grandfather” POTS services across most of its territory by March 1, 2026.

SPC Telecommunications provider [Granite Government Solutions](#) (Contract #205) has received numerous notices from AT&T indicating that their wire centers will begin grandfathering services which means that rates for analog phone lines will increase and service issues will not be corrected. Over the coming weeks, Granite Senior Regional Account Manager Frank Ventrella will contact municipalities to discuss cost-effective solutions to this problem. If you have analog phone lines with any carrier, please request a free consultation from Granite. For questions or additional information, please contact staff or Frank Ventrella, 630-649-0823 or fventrella@granitenet.com. *Staff contact: Ellen Dayan*

Last Call to Order SPC 2026 Ford Interceptor Utility Police Pursuit Vehicles

As previously reported, Currie Motors has updated the price list and order form for the Suburban Purchasing Cooperative (SPC) [Ford Interceptor Utility Police Pursuit Vehicle](#) (Contract #204). Please note that Ford anticipates an early order cut-off date for the 2026 vehicle, so order now to take advantage of production and timing to meet calendar year budget targets.

Once the 2027 model specifications are released, the SPC will apply for the final contract extension rollover with Ford that will be good through November 25, 2026. For questions or additional information, please contact staff or Currie Motors Commercial Accounts Manager Tom Sullivan, 815-464-9200 or tsullivan@curriemotors.com. *Staff contact: Ellen Dayan*

SPC Awards New Chevy Silverado PPV and Blazer PPV SSV Contracts

As previously reported, the Suburban Purchasing Cooperative (SPC) Governing Board has awarded two new [2026 Chevrolet Police Pursuit Vehicle \(PPV\)](#) contracts to Currie Motors of Frankfort as follows:

- Silverado 1500 PPV (Contract #234) with all standard equipment - \$46,856.00
- Blazer PPV Special Service Vehicle (SSV) (Contract #235) with all standard equipment - \$44,880.00

The contracts run through October 28, 2026. The SPC reserves the right to extend the contracts for up to (3) three additional one-year terms upon mutual agreement on a negotiated basis. For questions or additional information, please contact staff or Currie Motors Commercial Accounts Manager Nic Cortellini, 815-464-9200 or ncortellini@curriemotors.com. *Staff contact: Ellen Dayan*

Reminder: Cast Your Ballot in the IMRF Executive Trustee Election

The Illinois Municipal Retirement Fund (IMRF) is the public pension fund that administers retirement, disability, and death benefits for employees of local government in Illinois. As previously reported, IMRF is holding an election for Executive Trustee. Two seats are uncontested; *Schaumburg Village Manager Brian Townsend* will serve a 5-year term starting January 1, 2026, and DuPage County Treasurer Gwen Henry will serve a 2-year term.

IMRF employers will elect one Executive Trustee for a three-year term of office. [Peter Stefan](#), Finance Director/Treasurer for the Village of Lake in the Hills, is the only municipal candidate running for this seat. He is currently completing a five-year term as an IMRF Executive Trustee and is running for re-election. He has 37 years of experience in the Illinois municipal finance arena. Having served as both an Employee Trustee and an Executive Trustee, he brings strong municipal finance and IMRF experience to the Board.

Election packets containing candidate biographies, instructions, and the appropriate ballot have been mailed to all IMRF employers. Completed ballots must be returned to IMRF by 4:30 p.m. on Thursday, December 11, 2025. *Staff contact: Mark Fowler*

Webinar: Successes in Direct Funding: Breaking Ground and Building Futures

From our partners at the United States Conference of Mayors Local Infrastructure Hub:

Join the Local Infrastructure Hub for a webinar on Tuesday, November 25, at 4:00 p.m. to explore successes in direct federal funding to cities.

Since the passage of the Infrastructure Investment and Jobs Act (IIJA) four years ago, cities and towns across the country have been able to apply for competitive infrastructure funding at the national level, enabling localities to receive more robust funding to build safer streets, expand transportation options, strengthen communities, and create jobs.

This webinar will highlight the real-world impact and measurable successes of local projects funded through competitive infrastructure grants. Mayor Leirion Gaylor Baird of Lincoln, NE, and Mayor Kirk Watson of Austin, TX, will join us to share how these investments are accelerating infrastructure progress and advancing their long-term vision for their cities. [Register here](#). *Staff contacts: Eric Czarnota, Brian Larson*

Apply Today for the Cook County Water Affordability Pilot Program

The Cook County Water Affordability Program is accepting applications for grants that provide up to \$245,000 per municipality to develop and/or implement projects that tackle water affordability challenges. Submitted projects should support residents disproportionately impacted by unaffordable water bills and may include cost of service and water rate studies, leak alert and billing system upgrades, and customer outreach and engagement efforts. All municipalities delivering water to residential customers within suburban Cook County are eligible to apply. Applications are due by Tuesday, December 9. Please visit [notice of funding opportunity](#) for more information and application instructions. Contact CCWaterAffordability@ElevateNP.org with additional questions. *Staff contact: Larry Bury*

Where would you like to see new rail stations?

From our partners at the Cook County Department of Transportation and Highways (DoTH):

Please help the Cook County DoTH promote a survey by sharing the [attached flyer](#) with your members, which can also be accessing at www.cookrailsurvey.com. The survey will run through December 31.

The survey is part of a study DoTH is leading to investigate where additional transit rail stations should be considered along existing transit rail lines within Cook County. This effort is called the Rail Infill Station Study and is being conducted in partnership with CDOT, CTA, and Metra. The expected results of the study include a set of prioritized stations for the agencies and stakeholders to further investigate and develop, as well as a vision for how key stations may fit into both the local context and the broader transit network. Work on the study is expected to be completed in 2026.

Both CTA and Metra rail networks are being evaluated, and we are seeking input through the online survey from the general public and local and regional stakeholders. These survey results will help us better understand and prioritize opportunities for future rail stations. Social media posts and car card advertisements for the survey will begin appearing on CTA and Metra trains in the coming weeks so please be on the lookout for those as well. We also welcome COG and COM staff to complete the survey. Kindly limit to one response per organization or municipality.

Please direct any questions about the survey or study to Sam Waldorf (Samuel.Waldorf@cookcountyil.gov), Nicholas Riehle (Nicholas.Riehle@cookcountyil.gov), or Ryan Ruehle (Ryan.Ruehle@cookcountyil.gov). *Staff contacts: Eric Czarnota, Brian Larson*
