BIKE PLAN UPDATE

JOINT 3RD, 8TH, AND 9TH WARD MEETING

The City is reassessing gaps from the 2014 Bike Plan to determine current needs, note improvements, and identify remaining barriers to safe biking. Input will help prioritize future bicycle improvements. The existing Bike Infrastructure Map and comment cards will be available to gather input and feedback from community members at the meeting. For more information, visit cityofevanston.org/2026bikeplanupdate.
