2026 Playground Rubber Surfacing Replacements

May 19, 2026

Project Description

Over the next several weeks the City of Evanston will be contracting playground rubber surfacing replacements at Megowen Park (located north of South Boulevard and west of Hinman Avenue) and Noah's Playground (located east of Sheridan Road and north of Clinton Place).

Project Schedule

This project is anticipated to begin in **late May 2026** and be completed in **early June 2026**. During construction, each of the park's playgrounds will be closed to the public. Construction activities may create some inconveniences for adjacent residents, but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways may be required to accommodate construction activities and will be signed with temporary "NO PARKING" signs posted 48 hours in advance.

Contractor

The project's general contractor is Perfect Turf Distributing, LLC, 5540 Meadowbrook Court, Rolling Meadows, Illinois 60008.

Project Monitoring

The project is monitored by the City's Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Kenon Boehm, Landscape Architect II, at **3-1-1** or **847-448-4311**.
