## Howard Street Sidewalk Improvements

*April 16, 2026*

### Description

Over the next six to eight weeks, sidewalk improvements will take place on Howard Street between Callan Avenue and Chicago Avenue. This work will include the removal and replacement of concrete curb and gutter, sidewalks, and driveways, along with decorative brick banding and restoration as needed.

### Schedule

Work is anticipated to begin within the next two weeks. The exact start date will be posted on temporary construction zone “No Parking” signs at least 48 hours in advance of the work. Parking will be prohibited during daytime work hours (7:00 AM to 5:00 PM) while construction takes place. Street sweeping parking restrictions will be waived for a one-block radius around the construction zone when temporary daytime no parking is in effect. Every effort will be made to complete the work in a timely manner to minimize any inconveniences caused by the construction.

### Contractor

The contractor for this project is Alliance Contractors, Inc. (1166 Lake Avenue, Woodstock, IL 60089).

### City Contact

This project will be monitored by the City’s Capital Planning & Engineering Bureau. If you have any questions or concerns during construction, please do not hesitate to contact the Resident Engineer, Brooke Tucker, at (708) 435-3866. Questions about the project in general should be directed to Bridget Nash, Senior Project Manager, at (847) 448-8102 or [bnash@cityofevanston.org](mailto:bnash@cityofevanston.org).
