Notice of Early Construction Start at 1301 Central Street on June 9

June 8, 2026

Description

As part of the Central Street Water Main Improvements Project, the City's contractor will be performing a water service transfer at Endeavor Health, located at 1301 Central Street, on **Tuesday, June 9, 2026**. In order to minimize impacts to the medical facility and its patients, the water service transfer must be completed before the facility opens for business at 8:00 AM. As a result, construction activities on this day will start at **6:00 AM**, which is earlier than the City's standard construction hours.

Every effort will be made to complete the work as quickly as possible and minimize disruptions. We appreciate your patience and understanding as we complete this important infrastructure improvement.

Contractor

The contractor for this project is Joel Kennedy Constructing Corp. (40 Noll Street, Waukegan, IL 60085).

City Contact

This project will be monitored by the City's Capital Planning & Engineering Bureau.
