Park Lighting Modernization: Lakefront, Lovelace, Eggleston, Perry, Mason, and Smith Parks

March 23, 2026

Over the next several months, the City of Evanston will be modernizing existing park lighting from older and less energy efficient lamping systems to LED. This work will occur at the lakefront parks (between Lee Street and Greenwood Street), Lovelace Park, Eggleston Park, Perry Park, Mason Park, and Smith Park (see map below for locations).

Project Schedule

This project is anticipated to begin in **late March 2026** and be completed by the end of **May 2026**. During construction, all affected parks and paths will remain open and accessible to the public.

Contractor

The project's general contractor is ECO Lighting Services and Technology, LLC, 4161 W 166th Street, Oak Forest, Illinois 60452.

Project Monitoring

The project is monitored by the City's Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Kenon Boehm, Landscape Architect II, at **3-1-1** or **847-448-4311**.
