## Evanston Shoreline Repairs

### *Public Input Survey*

#### Description

The City of Evanston is beginning initial design work on a project to improve the lakefront parks' immediate shoreline in response to recent high lake levels and the resulting damage and emergency measures put in place to protect these important properties. As this process gets started, the City requests your input through a public survey to better understand uses and needs. The survey is available between September 8<sup>th</sup> and September 22<sup>nd</sup>!

To access the public survey please click this [link](#). We look forward to receiving your insights about our lakefront park system!

For additional information and updates, please visit the City's website at this [link](#)!
