Re: City of Evanston
General NPDES Permit ILR40 for
Discharge from Small Municipal Separate Storm Sewer Systems
Annual Report for 2008-2009

Dear Sir or Madam:

In accordance with reporting requirements of the above referenced NPDES permit, the City of Evanston is submitting this report for the period of April 1, 2008 through March 31, 2009.

1. The City of Evanston believes that they are in compliance with the conditions of the NPDES permit. We believe that the Best Management Practices (BMPs) developed continue to be appropriate measures for achieving the goal of reducing the discharge of pollutants to the maximum extent practical.
2. The City of Evanston did not collect or analyze any monitoring data during this reporting period.
3. The table documenting our BMPs and goals as of March 31, 2009 is attached.
4. The City of Evanston continues to work with the MWRDGC as part of our Illicit Discharge Detection and Removal Program.

We trust that the above information complies with the reporting requirements. If you have any questions or concerns related to this report, please contact us at (847) 866-2942.

Sincerely,

EVANSTON WATER & SEWER DIVISION

David D. Stoneback, Superintendent

Part II. Best Management Practices (include shared responsibilities) Proposed to be Implemented in the MS4 Area -

(Details of BMP implementation for each checked BMP number, e.g., A.1, E.2, is required in Part IV of this NOI.)

A. Public Education and Outreach

- A.1 Distributed Paper Material
- A.2 Speaking Engagement
- A.3 Public Service Announcement
- A.4 Community Event
- A.5 Classroom Education Material
- A.6 Other Public Education

B. Public Participation/Involvement

- B.1 Public Panel
- B.2 Educational Volunteer
- B.3 Stakeholder Meeting
- B.4 Public Hearing
- B.5 Volunteer Monitoring
- B.6 Program Coordination
- B.7 Other Public Involvement

C. Illicit Discharge Detection and Elimination

- C.1 Storm Sewer Map Preparation
- C.2 Regulatory Control Program
- C.3 Detection/Elimination Prioritization Plan
- C.4 Illicit Discharge Tracing Procedures
- C.5 Illicit Source Removal Procedures
- C.6 Program Evaluation and Assessment
- C.7 Visual Dry Weather Screening
- C.8 Pollutant Field Testing
- C.9 Public Notification
- C.10 Other Illicit Discharge Controls

D. Construction Site Runoff Control

- D.1 Regulatory Control Program
- D.2 Erosion and Sediment Control BMPs
- D.3 Other Waste Control Program
- D.4 Site Plan Review Procedures
- D.5 Public Information Handling Procedures
- D.6 Site Inspection/Enforcement Procedures
- D.7 Other Construction Site Runoff Controls

E. Post-Construction Runoff Control

- E.1 Community Control Strategy
- E.2 Regulatory Control Program
- E.3 Long Term O&M Procedures
- E.4 Pre-Const Review of BMP Designs
- E.5 Site Inspections During Construction
- E.6 Post-Construction Inspections
- E.7 Other Post-Const Runoff Controls

F. Pollution Prevention/Good Housekeeping

- F.1 Employee Training Program
- F.2 Inspection and Maintenance Program
- F.3 Muni Operations Storm Water Control
- F.4 Municipal Operations Waste Disposal
- F.5 Flood Management/Assess Guidelines
- F.6 Other Municipal Operations Controls

Part III. Qualifying Local Programs

Attach additional sheets (Attachment 2) as necessary:

(Describe any qualifying local programs that you will implement in lieu of new permitting requirements.)

1. Public Education and Outreach:

A.1, A.2, A.3, A.4, A.5, A.6 – For a detailed description of these programs, please refer to the attached Exhibit A.

2. Public Participation/Involvement:

B.1, B.5, B.7 – For a detailed description of these programs, please refer to the attached Exhibit A.

3. Illicit Discharge Detection and Elimination:

C.1, C.2, C.4, C.5, C.7 – For a detailed description of these programs, please refer to the attached Exhibit A.

4. Construction Site Runoff Control:

D.1, D.4, D.6 – For a detailed description of these programs, please refer to the attached Exhibit A.

5. Post-Construction Runoff Control:

E.1, E.2, E.3, E.4, E.6, E.6 – For a detailed description of these programs, please refer to the attached Exhibit A.

6. Pollution Prevention/Good Housekeeping:

F.1, F.2, F.3, F.4, F.6 – For a detailed description of these programs, please refer to the attached Exhibit A.

Part IV. Measurable Goals (include shared responsibilities) Proposed to be Implemented by the MS4

Attach additional sheets (Attachment 3) as necessary

(BMP No. should match that checked in Part II of this NOI. The applicant may repeat the same BMP No. where more than one BMP of similar type is to be implemented. Where necessary, attach additional sheets to provide more detail on each specific BMP.)

BMP No. A.1, A.2, A.3, A.4, A.5

Brief Description of BMP: Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

Milestones: Year 1: ONGOING
Year 2: ONGOING
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. A.6 Other Public Education

Brief Description of BMP: Rain Barrel Classes

Measurable Goal(s), including frequencies: Public education class offered periodically on the effective use of rain barrels.

Milestones: Year 1: Implement Spring 2008
Year 2: Classes held in April 2008
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. A.6 Other Public Education

Brief Description of BMP: Sustainable Living Classes

Measurable Goal(s), including frequencies: Public education class offered periodically on the implementation of sustainable living methods for residents, including water conservation and stormwater runoff issues.

Milestones: Year 1: Implement Spring 2008
Year 2: Classes held 6/24/08 - 8/19/08
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. A.6 Other Public Education

Brief Description of BMP: Water Conservation Forums

Measurable Goal(s), including frequencies: Increase dissemination of water conservation information to residents.

Milestones: Year 1: Implement in 2008
Year 2: Outreach in October 2008
Year 3: _____
Year 4: _____
Year 5: _____

Attachment 3

Part IV. (Continued) Measurable Goals (include shared responsibilities) Proposed to be Implemented by the MS4

BMP No. A.6 Other Public Education

Brief Description of BMP: Ladd Arboretum Master Plan

Measurable Goal(s), including frequencies: Enhance the natural history and ecology of the 17 acre arboretum.

Milestones: Year 1: Implement capital projects as funding becomes available.
Year 2: Phase I Construction to begin Spring 2009
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. A.6 Other Public Education

Brief Description of BMP: Public education for developers

Measurable Goal(s), including frequencies: Build green practices into private community development projects.

Milestones: Year 1: Implement new program in Spring 2008
Year 2: Green building ordinance currently being developed.
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. A.6 Other Public Education

Brief Description of BMP: Green Compact of Metro Chicago

Measurable Goal(s), including frequencies: Provides a voluntary commitment to reducing water consumption.

Milestones: Year 1: Sign compact in Spring 2008, subject to final City Council approval.
Year 2: City Council approved in Spring 2008. Compliance is ongoing.
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. A.6 Other Public Education

Brief Description of BMP: Miscellaneous programs - Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

Milestones: Year 1: ONGOING
Year 2: ONGOING
Year 3: _____
Year 4: _____
Year 5: _____

Attachment 3

Part IV. (Continued) Measurable Goals (include shared responsibilities) Proposed to be Implemented by the MS4

BMP No. B.1, B.5

Brief Description of BMP: Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

Milestones: Year 1: ONGOING
Year 2: ONGOING
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. B.7 Other Public Involvement

Brief Description of BMP: Climate Control Action Plan

Measurable Goal(s), including frequencies: Establish a City Action Plan.

Milestones: Year 1: Establish Plan by May 2008
Year 2: Climate Action Plan approved by City Council on 11/10/08
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. B.7 Other Public Involvement

Brief Description of BMP: Miscellaneous programs - Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

Milestones: Year 1: ON-GOING
Year 2: ONGOING
Year 3: _____
Year 4: _____
Year 5: _____

Attachment 3

Part IV. (Continued) Measurable Goals (include shared responsibilities) Proposed to be Implemented by the MS4

BMP No. C.1, C.2, C.5, C.7

Brief Description of BMP: Miscellaneous programs - Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

- Milestones: Year 1: ONGOING
- Year 2: ONGOING
- Year 3: _____
- Year 4: _____
- Year 5: _____

BMP No. C.4 Illicit Discharge Tracing Procedures

Brief Description of BMP: Illicit Discharge Tracing Procedures.

Measurable Goal(s), including frequencies: Develop documentation of existing program and procedures.

- Milestones: Year 1: Complete documentation by 12/08.
- Year 2: Documentation completed in 6/08.
- Year 3: _____
- Year 4: _____
- Year 5: _____

BMP No. C.4 Illicit Discharge Tracing Procedures

Brief Description of BMP: Metropolitan Water Reclamation District of Greater Chicago (MWRDGC) Inspection/ Tracing Program

Measurable Goal(s), including frequencies: Maintain existing program of routine inspections.

- Milestones: Year 1: ON-GOING
- Year 2: ONGOING
- Year 3: _____
- Year 4: _____
- Year 5: _____

BMP No. D.1 Regulatory Control Program

Brief Description of BMP: Construction Runoff Mitigation Policy.

Measurable Goal(s), including frequencies: Establish a written policy/ plan to require erosion and sediment controls at construction sites.

- Milestones: Year 1: _____
- Year 2: Complete plan.
- Year 3: _____
- Year 4: _____
- Year 5: _____

Attachment 3

Part IV. (Continued) Measurable Goals (include shared responsibilities) Proposed to be Implemented by the MS4

BMP No. D.1 Regulatory Control Program

Brief Description of BMP: Construction Runoff Mitigation Ordinance.

Measurable Goal(s), including frequencies: Establish an ordinance to require erosion and sediment controls, as well as sanctions to ensure compliance, at construction sites.

Milestones: Year 1: _____
Year 2: _____
Year 3: Establish ordinance.
Year 4: _____
Year 5: _____

BMP No. D.4, D.6

Brief Description of BMP: Miscellaneous programs - Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

Milestones: Year 1: ON-GOING
Year 2: ONGOING
Year 3: _____
Year 4: _____
Year 5: _____

BMP No. E.1, E.2, E.3, E.4, E.6, E.7

Brief Description of BMP: Miscellaneous programs - Please see the attached Exhibit A for detailed information on the implementation of these programs.

Measurable Goal(s), including frequencies: These programs are existing programs describing standard City practices that will be ongoing in their implementation.

Milestones: Year 1: ON-GOING
Year 2: ONGOING
Year 3: _____
Year 4: _____
Year 5: _____

April 1, 2008 - March 31, 2009

A. PUBLIC EDUCATION AND OUTREACH (April 1, 2008 - March 31, 2009)

BMP Program	Responsibility	BMP	Existing Practices	Measurable Goal	Date	2009 Status
A.1 Distributed Paper Material	Division of Water and Sewer, City Manager's Office	City of Evanston quarterly newsletter	Includes articles on: bulk trash pickups, street cleaning, medication disposal program, document destruction events, non-point source stormwater pollutants, recycling, disposal of household chemical products	Maintain existing program	On-going	Issued in 6/08, 9/08, 12/08, 3/09.
	Division of Water and Sewer	Annual Water Quality Report	Includes information on: non- point source stormwater pollutants and good water management skills.	Maintain existing program	On-going	Issued in 6/08.
	Division of Streets and Sanitation	At Your Disposal annual newsletter	Include information on recycling, street cleaning, yard waste collection, long-term sewer improvements, hazardous waste disposal	Maintain existing program	On-going	Last issued in April 2009.
A.2 Speaking Engagements	Evanston Ecology Center	Speaking engagements	Speaks to public on topics related to water, water conservation	Ongoing and expansion of programming	Ongoing	On-going.
	Evanston Ecology Center	Keep Evanston Beautiful	Programs and sponsorship of recycling and recycling education programs, sponsorship of elementary school programs on the environment	Ongoing and expansion of programming	Ongoing	On-going.
A.3 Public Service Announcements	Business Process and Technology, Public Works	City of Evanston Website	Include information on recycling, street cleaning, yard waste collection, long-term sewer improvements, hazardous waste disposal	Maintain existing program	On-going	Information available at www.cityofevanston.org on a continual basis.
A.4 Community Events	Evanston Ecology Center, Public Works	Green Living Festival	Educate residents on water conservation, good water management practices, recycling and composting	Maintain existing program	On-going	Festival occurred 10/04/08.
	Public Works	Public Works Week Open House	Provide information to residents on the operation of the distribution and sewer systems and good management practices	Maintain existing program	On-going	Public Works Day occurred 5/31/08.
	Evanston Ecology Center, Division of Parks/Forestry	Arbor Day Celebration	Annual event focusing on the care and planting of trees within the City	Ongoing	Ongoing	Activities occurred on 4/19/08.
A.5 Classroom Education	Ecology Center	Environmental Programs	Urban Forestry Program for 4th graders	Ongoing	Ongoing	On-going.

E. POST-CONSTRUCTION RUNOFF CONTROL (April 1, 2008 - March 31, 2009)

BMP Program	Responsibility	BMP	Existing Practices	Measurable Goal	Date	2008 Status
E.1 Community Control Strategy	Evanston Water & Sewer Division	Long-Range Sewer Program	Design and construction of \$200 million in sewer improvements including the combined sewer, relief overflow sewer, and storm sewer systems for the purpose of reducing sewer surcharges and combined sewer overflows.	Maintain existing program	On-going	Last planned construction on Long Range Sewer Programs completed in Fall 2008. Sewer system will now be monitored through 2011 to determine if additional improvements needed.
E.2 Regulatory Control Program	Public Works	Stormwater Control Ordinance	Limits the rate of flow from a site to prevent surcharge of the sewer system and eliminate contamination.	Maintain existing program	On-going	On-going. New construction within city limits undergoes review to determine requirements for stormwater control.
E.3 Long Term O&M Procedures	Evanston Water & Sewer Division	Stormwater Detention Inspection	Inspect all properties permitted for stormwater detention under the Stormwater Control Ordinance to determine if system is being maintained in compliance with ordinance	Maintain existing program	On-going	Annual inspection completed in 4/08.
E.4 Pre-Const Review of BMP Designs	Public Works	Building Site Plan Review	Review of private building projects prior to issuance of building permits for compliance with City codes and policies	Maintain existing program	On-going	On-going.
E.6 Post-Construction Inspections	Public Works	Stormwater Detention Construction Inspection	Inspect all properties permitted for stormwater detention under the Stormwater Control Ordinance to determine if system was constructed in compliance with ordinance before placing into service.	Maintain existing program	On-going	On-going. Review completed as part of final building inspection.
E.7 Other Post-Const Runoff Controls	Public Works, Community Development	Drainage Committee	Bi-weekly review of citizen drainage concerns	Maintain existing program	On-going	On-going.

F. POLLUTION PREVENTION/GOOD HOUSEKEEPING (April 1, 2008 - March 31, 2009)

BMP Program	Responsibility	BMP	Existing Practices	Measurable Goal	Date	2008 Status
F.1 Employee Training Program	Public Works	Employee Training Program	New employees receive training on BMPs of the maintenance of the sewer system. All employees receive periodic training to improve their skills.	Maintain existing program	On-going	On-going.
F.2 Inspection and Maintenance Program	Public Works	Sewer System Operation and Maintenance Procedures	Maintain a strict program to ensure the optimal operation of the system including regular street cleaning, leaf removal, catch basin cleaning and sewer inspection.	Maintain existing program	On-going	On-going.
F.3 Muni Operations Storm Water Control	Division of Streets and Sanitation	Salt Spreading System	The City treats road salt with an environmentally friendly deicer that results in reducing the quantity of salt going into the soil, stormwater and sewer system.	Maintain existing program	On-going	On-going.
F.4 Municipal Operations Waste Disposal	Division of Streets and Sanitation, City's Green Team	Internal City Recycling Programs	Commitment to comprehensive recycling including: tires, oil, anti-freeze, paper, cans, bottles, fluorescent light bulbs, electronics, toner cartridges, books, metals and freon.	Maintain existing program	On-going	On-going.
	City of Evanston	Internal City Waste Reduction Programs	Commitment to comprehensive reduction in the generation of paper including use of two-sided copying, electronic document sharing and reduction of hard-copy distribution materials.	Maintain existing program	On-going	On-going.
