2026 Fall Parkway Tree Planting Program

The parkway adjacent to your property is scheduled to have _____tree(s) planted this fall by the City of Evanston. The City marks the proposed planting site with a white letter "T" on the street curb ahead of the planting, and the sites will eventually be marked for the underground utilities.
Please do not remove the utility flags! The trees will be planted in November & December.

TELL US WHICH TREE YOU WANT! DEADLINE – MONDAY OCT. 19th

1. Look at the list on Page 2 to see what tree species are available.
2. Scan the QR Code below to access the online form and tell us your species preferences. (If you are new to QR codes, open the camera app on your smartphone and a popup will ask if you want to visit the site. Click on the button to open your web browser. You can also go to the City of Evanston website and search for "Parkway Tree Planting.")
3. Use the online form to indicate your preference(s), or decline the tree(s).
4. ***If you have a sprinkler / irrigation system in the parkway:** 1) have the lines located and 2) notify Forestry. Private services are not located by utility companies. The property owner is responsible for notifying the City when there is an irrigation system installed in the parkway.****

Contact Forestry at 311 with any questions or if additional help is needed.

Species selection closes October 19th.
