Approval of MHB Minutes of February 14, 2019

Ms. Johnson moved approval of the February 14, 2018 minutes, seconded by Ms. Feiler; a voice vote was taken and the minutes were unanimously approved.

Public Comment

Kathy Honeywell of North Shore Senior Center announced upcoming events open to the community and provided fliers.

Panel Discussion: Community Needs

Chair Sales introduced panel participants: Pastor Michael Nabors of Second Baptist Church of Evanston, Ellen Cushing of the Housing & Homelessness Commission, Susan Cherco of Age-Friendly Evanston, and Indira Perkins, Human Services Manager for City of Evanston. Panel participants discussed the most pressing mental health. Ms. Cherco discussed challenges with the built environment and services available to seniors. She noted national trends of high depression in seniors and challenges to receiving treatment. Ms. Perkins noted long wait lists for mental health services, the challenge of accessing services without insurance, and a need to provide support to families of those with mental illness. Pastor Nabors discussed his previous experience working in Detroit and recognized that mental health issues are commonly connected to a host of other issues stemming from lack of care; he additionally cited challenges of the state budget. Ms. Cushing discussed her previous experiences and identified multiple challenges caused by lack of affordable housing and housing insecurity.

Chair Sales asked about under-served populations; Pastor Nabors identified people who may not have legal residency and those who had contact with the judicial system. He also noted the work of Dr. Henry Perkins, Staff Psychologist & Coordinator of the Stress Management Clinic of Northwestern University, who spoke about impacts of stress on marginalized groups. Ms. Cherco identified seniors as an underserved population and Ms. Cushing identified refugees and discussed the need for poverty prevention programs. There was additional discussion about ways to improve access to mental health services for underserved populations and the need for community education and advocacy to reduce stigma associated with mental health issues. National Alliance on Mental Illness and Mental Health America were identified as agencies providing education and advocacy in the community; ways to involve faith-based communities to advocate and educate was also discussed.

There was discussion about how mental health needs are assessed in the EPLAN. Members discussed whether to fund programs that provide advocacy and/or education in addition to direct services. Panel further discussed challenges populations may face to receiving services including agencies' ability to address specific needs of marginalized communities, the challenges of lengthy intake procedures, lack of people of color in senior positions within the agencies, and difficulty of assessing the collective impact of available services and programs.

There was additional discussion about the challenges to healthcare systems in Illinois and how boutique services compared in service delivery to community centers that offer multiple services at a single location. Panel and members discussed the benefits to having all services available at one location or within one organization. Participants shared thoughts about the way different boards, committees and commissions operate to support the community. Chair Sales stated the goal of panel discussions and how MHB priorities are created. There was further discussion about the role of MHB priorities, how often they can be reviewed, and how agencies can track success against them. Chair Sales thanked the panel.

Developing a Scoring Formula for Award Recommendations

Ms. Ruetzel and Ms. Ziaya provided strategies they used to determine past year funding recommendations and identified challenges to reviewing program applications. Discussion included strategies for scoring, weighting score questions, and tying recommendations to scores. It was agreed that any application would not be funded if it received three or more negative votes; if fewer than nine seated members, only two "no" votes would result in no funding. Recusals would not count as a vote. Members discussed how the guidelines might affect new applicants, whether funding amounts should be capped and, if so, whether the cap would be based on a dollar amount or percent of award. Members also discussed whether requests under \$10,000 should be considered, and how City funding should relate to total budget. It was agreed that applications that score above the median could be recommended for 100% of request while applications that score under the median could be eligible for a recommendation of 80-85% of request depending on allocation amount available.

Liaison Reports

Ms. Feiler reported on Center for Independent Futures and Books & Breakfast.

Chair Report

Chair Sales requested volunteers to form a working group to identify new officers. Ms. Johnson and Ms. Ruetzel volunteered. Chair Sales also recognized the resignation of Mr. Pierce, current Vice President. The Board voted unanimously to appoint Ms. Feiler Vice Chair.

Adjournment

Ms. Haimes moved to adjourn the meeting, seconded by Ms. Johnson. The meeting adjourned at 9:07 pm.

Respectfully submitted,
Jessica Wingader

Description [\[hide this\]](#)

The City of Evanston's Housing and Community Development Act Committee (HCDA) and Mental Health Board (MHB) are accepting applications for 2019 Community Development Block Grant Public Services (CDBG-PS) and City of Evanston Human Services grants from non-profit agencies and City departments through a combined application process. This application is not for CDBG Public Facilities & Infrastructure (capital) or Housing programs. It is for programs and services that address the needs of at-risk residents, primarily lower income individuals and families. Non-profit agencies may apply for CDBG, MHB (City of Evanston Human Services funding), OR BOTH in a single application. City applicants may apply for CDBG only.

If your agency is requesting funding for more than one program, you must complete and submit a separate online application for each program. If your agency is also applying for CDBG funding for a capital project DO NOT USE THIS FORM! Complete the appropriate application form that may be accessed from the City website at <https://cityofevanston.org/grantapplications/>.

CDBG funding recommendations will be included in the City's 2019 Action Plan, a draft of which will be published for the 30-day public comment period on or about October 15, 2018. The draft Action Plan will be reviewed and approved by the Housing & Community Development Act Committee at its meeting on November 13, 2018. Dates are subject to change. The Action Plan will be submitted to City Council for approval following receipt of 2019 grant amounts from HUD. MHB funding recommendations will be reviewed and approved by the City's Human Services Committee and City Council as part of the 2019 budget process; dates and times will be provided when they have been established.

Requirements [\[hide this\]](#)

To be eligible for CDBG funding, a program must meet the CDBG National Objective of benefiting primarily low- and moderate-income persons (family income does not exceed 80% of the area median income). This may be established in two ways: 1) Limited Clientele - income data are collected from

all program participants and 51% or more are income eligible or 2) Presumed Eligible - participants are severely disabled adults, abused children, battered spouses or homeless. Priorities for funding include programs identified as high needs in the 2015-2019 Consolidated Plan, serve significant numbers of low- and moderate-income Evanston residents, and deliver services efficiently and effectively.

To be eligible for MHB funding, a program must address the needs of Evanston residents who are unable to acquire resources to meet basic needs or access mainstream services without assistance. Needs include, but are not limited to: mental and physical health, food, child care, out-of-school time activities, legal assistance, supportive housing, and case management services. Both CDBG and City applications will be evaluated based on the application of funds to reach underserved residents. All applications will be reviewed using an equity lens.

Non-City of Evanston Applicants: to be considered for funding, a representative of your organization MUST attend one of the pre-application meetings scheduled for July 17 @ 10:00 AM in in Room 2404 or July 24 at 3:00 PM in Room 2404 of the Civic Center, 2100 Ridge Ave, Evanston, at which additional information will be provided. Sign-in is required.

This is a two-stage application in ZoomGrants. ALL APPLICANTS MUST COMPLETE AND SUBMIT A LETTER OF INTENT IN ZOOMGRANTS BY 4 PM CDT ON WEDNESDAY, AUGUST 1. All applicants will be approved for a full application. The Letter of Intent (LOI) will be used primarily for scheduling and planning purposes. LOIs will generally be approved within two business days; applicants may begin work on their application immediately following approval.

FULL APPLICATIONS MUST BE COMPLETED AND SUBMITTED IN ZOOMGRANTS BY 4PM CDT ON WEDNESDAY, AUGUST 15.

All applications must be submitted online through ZoomGrants. Hard copy, faxed or emailed applications will not be accepted.

Applications will be reviewed by the HCDA and/or MHB at public meetings in September 2018. All external applicants will be notified of the date at which their application will be reviewed on or about August 10; applicants will be required to make a brief presentation about their request and answer questions at the assigned meeting. A joint meeting of the HCDA and MHB to review programs requesting both CDBG-PS and MHB funds is tentatively scheduled for September 6 at 7PM; this is subject to change.

Restrictions [\[hide this\]](#)

All CDBG funds must be used in accordance with regulations as set forth in 24 CFR 570. All recipients of CDBG funds must comply with CDBG and federal cross-cutting requirements including, but not limited to data collection, reporting, and organizational capacity per the federal Omni Circular.

2019 CDBG funding is ESTIMATED and is subject to change based on actual 2019 CDBG appropriations and program income received in 2018. Funding for Public Services is limited to 15% of the City's 2019 allocation + 2018 program income. All CDBG funding is contingent on the City of

Evanston receiving its 2019 CDBG entitlement grant. Amount and timing of the release of those funds is undetermined and, based on historical experience, may not occur until Q2 2019 or later.
