PRESENTED TO

City of Evanston

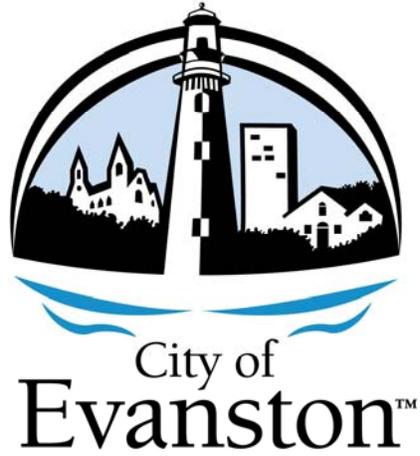

Illinois

For the Fiscal Year Beginning

January 1, 2017

Christopher P. Morrill

Executive Director

PART I

BUDGET MESSAGE

January 1, 2018

Mayor Stephen H. Hagerty and
Members of the City Council

Ladies and Gentlemen:

Please find the Adopted Fiscal Year 2018 Budget for the City of Evanston, Illinois for the period beginning January 1, 2018 and ending December 31, 2018. The annual budget is a policy document, which sets the financial course for the City of Evanston and defines the service priorities provided to the community. It is the culmination of months of effort by the entire City staff, as well as residents, to balance available resources with the actual and desired services required by Evanston residents, businesses, and visitors.

The total 2018 Adopted Budget is \$335,464,008, which includes interfund transfer expenses; this is the total expense cost for all funds including the Library. This represents an increase of \$11,731,024 or 3.6% from the 2017 Amended Budget. As will be noted later in this message, this increase is mainly attributable to capital project spending.

The 2018 Proposed Budget showed baseline revenue for the General Fund at \$112,411,186, a \$6.4 million reduction from the 2017 Amended Budget. This reduction was due to a \$5 million reduction in permit revenues and a \$1.4 million reduction in sales and income tax revenues. The baseline expenditures for the General Fund were relatively flat at \$118,508,982, a \$177,209 reduction from the 2017 Amended Budget. This differential created an initial deficit of \$6.1 million. The Budget Balancing Worksheet in the proposed budget transmittal letter included approximately \$2.4 million in revenue increases and \$4.4 million in expenditure reductions to eliminate this deficit.

After review and consideration, the City Council chose to accept \$2.4 million in revenue increases and \$4.2 million in proposed expenditure reductions. The 2018 Adopted revenue for the General Fund is \$114,840,754, and adopted expenditures are \$114,237,796, yielding a budgeted surplus of \$602,957.

STATE OF THE CITY

Although the prevailing economic climate nationally remains stable, the local economy remains an area of concern for the City of Evanston. With a decline in revenues from income and sales taxes and the volatility of local building permit related revenues, staff has been diligently monitoring expenses and revenues to

ensure the City remains fiscally stable while still providing core services in the most responsible ways possible.

After two years without a budget, the State of Illinois passed a budget in July 2017 (fiscal year July 1–June 30). As a result of the new budget, the State reduced the distribution of income tax revenues to municipalities through the Local Government Distributive Fund (LGDF) by ten percent (10%). The major component of this Fund is income tax, which is budgeted for 2018 at \$7.0 million in the General Fund, reduced from \$7.8 million for 2017. The State also imposed a 2 percent (2%) “collection fee” on home rule sales tax revenue as part of their budget, which is approximately \$120,000 of the total \$6 million budgeted for 2018.

The FY 2018 Adopted Budget Balancing Worksheet in this transmittal includes a \$421,742 increase in property taxes for the Pension Funds as follows:

● General Fund Police Pension Levy increased	\$225,504
● General Fund Firefighters Pension Levy increase	<u>\$196,238</u>
TOTAL	\$421,742

This increase is based on the funding levels recommended in the January 1, 2017 Actuarial Study prepared by Foster and Foster Actuarial Inc. The 2017 Study provided two separate funding levels based on the assumed investment rates for the Police and Firefighters pension funds. This increase chooses to keep the same interest rate assumption of 6.5% for the pension funds.

Two other property tax increases were adopted as part of the 2018 budget process. A new Solid Waste Fund tax levy was created in the amount of \$410,000. This was established with the intent to increase an additional \$410,000 for the 2019 budget and \$512,500 in the 2020 budget. The levy will be used to fund ongoing Solid Waste operations.

The Evanston Public Library has a separate tax levy which is approved by the Library Board and recommended to the City Council for approval each year. For the 2018 budget, the Library Fund tax levy was increased by \$341,912.

Overall, this increased the combined City and Library tax levy by a total of \$1,173,654 or 2.52%. The projected impact of these increases on an individual homeowner is shown in the table below. The combined City and Library tax levy is approximately 19% of the total property tax paid by an Evanston homeowner.

PROPERTY VALUE		2016 LEVY		2017 LEVY PROJECTED	
Market Value of Property	Assessed Value of Property	Equalized Value of Property	2016 Levy City Tax	2017 Levy City Tax	2016-2017 Tax Increase
\$100,000	\$10,000	\$28,032	\$498.13	\$510.68	\$12.55
\$200,000	\$20,000	\$56,064	\$996.26	\$1,021.36	\$25.11
\$400,000	\$40,000	\$112,128	\$1,992.51	\$2,042.73	\$50.21
\$600,000	\$60,000	\$168,192	\$2,988.77	\$3,064.09	\$75.32
\$800,000	\$80,000	\$224,256	\$3,985.03	\$4,085.45	\$100.42
\$1,000,000	\$100,000	\$280,320	\$4,981.29	\$5,106.81	\$125.53

FY 2017 SUCCESSES

General Fund Status:

In July 2017, staff estimated a decrease in revenues resulting in the General Fund ending the year in a deficit. Based on this review, the City Council authorized expense reductions and revenue increases to balance the General Fund. These changes included:

- Negotiation of a change in the start date of union employee raises from January 1 to July 1, 2017;
- A hiring freeze for the remainder of the year;
- A freeze of all non-essential expenses such as furniture and equipment and travel and training;
- An increase in the transfer of funds from the Parking Fund;
- One furlough day

These changes were implanted, and staff expects to end 2017 with a surplus in the General Fund.

Bond Rating:

The City maintains an Aa2 bond rating from Moody's and an AA+ bond rating from Fitch. The largest factor in this rating analysis is the City's growing unfunded pension liability. The City finished 2016 with a slightly increasing General Fund Balance, which was important in maintaining City bond ratings in the face of increasing pension liabilities. The Government Finance Officers' Association recommends maintaining a fund balance of at least 16%.

Public Safety: The Evanston Police Department continues to focus on improving public safety within the community. In October of 2016 the Computer-Aided Dispatch (CAD) was upgraded to better capture officer's activity during a tour of duty. Through August of 2017, 49,724 events were recorded by the Department. Part I crime data through August of 2017 indicates an overall increase of 10.8% compared to the same time period in 2016. This increase is in the area of property related offenses with violent crime having a significant downward trend with aggravated battery & aggravated assault having a 19.6% reduction compared to the same time period last year. The Department still maintains dedicated resources to individuals illegally carrying firearms and has recovered 40 firearms to date and charged 39 individuals with unlawful use of weapons offenses. In addition, the Department purchased 120 body-worn cameras to improve evidence collection, strengthen officer performance and accountability, increase transparency, provide better documentation of encounters between the police and the public, and assist in the investigation of complaints.

Community Services: The Parks, Recreation and Community Service Department had another successful year organizing and recruiting for the Mayor's 2017 Summer Youth and Young Adult Initiative. The program included nearly 600 summer youth employment opportunities, mental health awareness trainings and workshops, and numerous recreational activities. Partnerships with Northwestern University, YOU, McGaw YMCA, YWCA, Youth Job Center of Evanston, The Chicago School of Professional Psychology and more than 41 private Evanston businesses also enhanced the program. Recreational activities included open microphone nights,

expanded open gym hours, volleyball in the park events, youth entertainment at festivals, middle school dances, concert and movie nights, open lounge, roller-skating, and ice-skating. These and other programs facilitated by the Parks, Recreation and Community Services Department in collaboration with the Police Department, Library, and City Manager's Office, helped to reduce violence and make a safe summer for youth and young adults.

Economic Development: The Economic Development Work Plan continued to focus on five areas for City economic development activities: 1) Attraction and retention of retailers; 2) Workforce development partnerships; 3) Support of arts and entertainment-focused businesses and ventures; 4) Entrepreneurship, and; 5) Support of the City's Quality of Place initiative that defines the City's attractiveness to residents and businesses. It provided particular emphasis in creating business district vitality to support existing businesses and the infrastructure surrounding the districts.

In 2018, Economic Development staff will reinforce its focus on business district revitalization and the retention and expansion of existing businesses. Attraction efforts to fill vacancies will focus on new businesses that provide opportunities for consumers to experience activities such as fitness, cooking classes, and arts. Staff will continue to pursue opportunities to help create jobs, grow the property tax base, and develop the workforce.

Notable activities of 2017 include:

- Continued support of the revitalization of Howard Street. Theo Ubique has leased 721-23 Howard Street as its new home for live theater. Continued work to bring live performance theatre to Howard Street is ongoing as Barney Architects finalizes design concepts for the vacant property. Patisserie Coralie has leased 633 Howard Street with plans to open a commercial bakery and a Howard Street cafe, similar to its downtown Evanston location at 600 Davis Street.
- Ongoing support for Sunshine Enterprises, a twelve-week entrepreneurship training program that focuses on working closely with predominately low-income minority entrepreneurs on business principles such as finance, marketing, and accounting and provide marketplace coaches and trainers to help their business grow.
- Pursuit of a downtown performing arts center in Evanston. Work continued to bring an arts center and the Northlight Theatre back to Evanston, with recent announcement by Farpoint Development to build a mix use development, anchored by Northlight Theater on Sherman Avenue.
- Contract to sell city-owned parking lot at 1714-20 Chicago Avenue for a "Class A" office development has potential to add 500 new jobs in downtown Evanston. Demand for office space in Evanston continues to grow.
- Coordination with brokers to fill vacant spaces. Staff efforts have resulted in Target's announcement to lease 25,000 square feet in the long vacant spaces on Sherman Avenue in downtown Evanston.

- Revitalization of numerous properties through the city's Storefront Modernization Program, which helps small businesses with the cost of constructing new businesses in Evanston's older building stock. Beneficiaries of the program include:
 - A new location for Good to Go at 711 Howard Street
 - A new branch of Soapies Dry Cleaning and improvements to the shopping center at 2540 Gross Point Road
 - Improvements to the Red Hot Chili Pepper restaurant at 500 Davis Street
 - Improvements to the Sharp Edge Crossfit in the long-vacant center at Dempster-Dodge
 - A renovation of 3006 Central Street
- The launch of the Evanston Entrepreneurship Support Program which provides up to \$3,500 in funding for qualifying startup costs.
- Ongoing support of Evanston's business districts through the Great Merchant Grant Program which helps fund streetscape, banners, advertising, and events.

Water Sales: In 2017, Evanston finalized a 40-year water supply agreement with the Villages of Morton Grove and Niles to provide them with wholesale water. The water delivery begins in late 2018, and will generate an estimated \$750,000 per year in additional revenue for the City of Evanston. The agreement includes two additional 10-year extension provisions at the discretion of Morton Grove and Niles. Unfortunately, Evanston and Skokie are unable to mutually agree on a reasonable rate to pay Evanston for water. Evanston has sought a judicial determination that the equitable and reasonable rate chargeable to Skokie is \$2.06 per 1,000 gallons of water supplied.

Human Services Fund: This fund was created to protect Evanston's most vulnerable residents and to provide individuals and families with access to services that promote self-sufficiency. This includes additional support to avert crippling life crisis situations. Crisis intervention needs are currently being addressed through an agreement with Presence Behavioral Health to offer clinical 24-hour crisis services. The Community Action Program supports community initiatives to provide needed opportunities at-risk families, veterans, and vulnerable populations. This fund is a unique approach to meeting human needs through a focus on prevention, remediation of problems, and maintaining a commitment to improving the overall quality of life for served populations.

The Human Services staff focuses on:

- Managing business operations effectively and efficiently by aligning resources across the Department.
- Promoting accountability, transparency, and quality in all services and programs administered.

General Assistance Fund: The General Assistance Program assists (up to \$875.00 monthly) persons ineligible for any other State or Federal financial assistance programs and who do not have income or resources to provide for their basic needs.

The General Assistance Program also includes the Emergency Assistance Services program which supports residents in avoiding loss of housing and financial crisis. Assistance for essentials are provided to Evanston residents who have applied for, but are not yet receiving, benefits from other agencies such as DHS, Social Security, the Illinois Unemployment Administration Service or for those who have exhausted their income due to unforeseen circumstances. The program provides wrap-around services with community partners to address basic needs for residents who have experienced unforeseen, emergency life-threatening situations. Available assistance includes mortgage, rental assistance, and limited utility assistance.

Livable Cities: The City of Evanston continues to use the STAR Community Rating System as a framework along with the seven guiding principles for a livable community.

- Built environment: provide people-friendly streets, buildings, parks, and neighborhoods.
- Climate and Energy: reduce environmental impact.
- Economy and Jobs: support quality jobs and shared prosperity.
- Equity and Empowerment: protect inclusive access for all community members.
- Health and Safety: support strong and safe communities.
- Natural Systems: protect and restore resources.
- Innovation and Process: Promote best practices and innovation.

In 2017, Evanston is recertifying for the STAR Community Rating System.

Cultural Arts: The Cultural Arts division of the City Manager's Office seeks to facilitate performing and fine arts throughout the community by connecting artists to funding, networking, communication, venues to work, rehearse, exhibit and perform, and more. 2017 was truly the year of public art, as seven (7) murals, four (4) sculptures, multiple exhibitions, and countless temporary art displays were installed throughout the City of Evanston. The City was gifted two sculptures and two large acrylic paintings. Additionally, the interactive online public art map was updated and improved.

In 2018, the City will continue to leverage cultural arts in economic and community development. In addition, the City will turn its focus to the performing arts, working collaboratively with local arts organizations to bring vibrancy to neighborhoods and to cross-promote and collectively perform, with an emphasis on pop-up presentations.

Robert Crown Community Center Project

Built in 1974 with a generous and visionary donation from the Crown family, the Robert Crown Center has long served as an important social and recreational hub for the City of Evanston. The Center offers a valuable venue for hockey, figure skating, soccer, football, lacrosse, dancing, summer camps, pre-school and many other

community programs. Now this vital shared resource is showing severe wear with a number of civil, structural, architectural and mechanical issues. It no longer adequately meets the growing needs of the surrounding community. To continue to provide innovative programs and services in a safe, modern environment, the facilities must be re-envisioned.

The new Robert Crown Community Center will be partially funded through private fundraising led by the Friends of the Robert Crown Center (FRCC), a 501(c)(3) organization. Fundraising revenues will be given from FRCC as a donation to the City for the construction of the new facility. The City expects to receive in 2018 all funds collected in 2016, 2017, and 2018. The project also will be financed by general obligation bond proceeds. Construction is expected to begin in summer 2018 and continue through 2020. Prior to 2017, Crown project revenues and expenses were accounted for in the Capital Improvement Fund. These were moved to the newly created Crown Construction Fund through a 2017 budget amendment. This new fund is included in the 2018 Adopted Budget.

FUTURE CHALLENGES

Capital Investment: Many residents have previously expressed concern that efforts to balance the City’s budget may impact the quality of life through reductions in City services. In 2018, the City will continue to take on the short-term challenge of balancing our operating budget while tackling the long-term task of updating and replacing City facilities, parks, and utility systems. Evanston is a wonderful place, in part, because of the great facilities, parks and transportation systems that bring the community together.

The City’s Capital Improvements Plan (CIP) continues to emphasize infrastructure maintenance and facilities improvements. The five-year Capital Plan identifies \$307 million in capital projects. The 2018 Adopted Capital Improvements Plan is \$84.9 million which is distributed over various City funds. This is broken down by type of project in the chart below.

SUMMARY	Total
Street Resurfacing, Water Main, Sewer Projects	\$ 29,273,330
Other Transportation	\$ 4,874,000
Parks	\$ 5,565,307
Facilities	\$ 18,444,978
Miscellaneous	\$ 2,032,398
Water Treatment, Storage and Billing	\$ 14,640,000
Library	\$ 10,095,000
TOTAL 2018 CITY PROJECTS	\$ 84,925,013

Public Safety: With increasing pension costs for both Police and Firefighter Pensions, the City of Evanston strives to provide quality services to residents while increasing the funding contribution to the Police and Fire Pension Funds. The 2018 Proposed Budget includes a modest increase of \$421,742 assuming no changes in the actuarial assumptions used in our annual funding analysis. While the City

continues to responsibly fund this expense, we will also continue to lobby for pension reform that will reduce this burden on the City's taxpayer.

2018 CITY COUNCIL GOALS

During 2017, the City Council reaffirmed their commitment to a consolidated list of goals that provide direction for staff. The 2018 Adopted Budget includes many programs and initiatives to further the adopted goals of the City Council. The adopted 2018 City Council Goals are as follows:

- Invest in City Infrastructure and Facilities
- Enhance Community Development and Job Creation Citywide
- Expand Affordable Housing Options
- Further Police/Community Relations Initiatives
- Ensure Equity in All City Operations
- Stabilize Long-term City Finances

FISCAL YEAR 2018 BUDGET OVERVIEW

The General Fund encompasses the majority of all daily operations as budgeted, excluding Parking, Water, Solid Waste, and Sewer services. The FY 2018 General Fund budget baseline was projected to have a deficit of \$6.1 million. To balance the budget, difficult but necessary decisions were adopted to adjust revenues and expenditures City-wide, including staffing reductions, operational efficiencies, and services adjustments. Thanks to these changes, the 2018 Adopted Budget includes a budgeted surplus of \$602,958 in the General Fund.

A complete summary of revenues, expenditures, and balances for the General Fund is provided below. This chart shows the changes that were made from the Baseline Budget (deficit of \$6.1 million) to the Proposed Budget (surplus of \$662,859) to the Adopted Budget (surplus of \$602,958).

Detailed information about the changes made to balance the General Fund budget is included following the summary chart.

2018 General Fund Summary

Operating General Fund Revenue	FY 2016 Actual	FY 2017 Amended	FY 2018 Baseline Budget	FY 2018 Proposed Budget	FY 2018 Adopted Budget	2017 to 2018 Change

Reorganizations:

Four departments were reorganized to realize efficiencies in costs and service delivery.

- **Administrative Services Department:** The Fleet Services Division merged with the Facilities Management Division to create a Fleet and Facilities Division. With the retirement of the current Fleet Manager, the Facilities Division Manager has assumed management of both operations.
- **City Manager's Office:** The Economic Development Division moved from the City Manager's Office to the Community Development Department.
- **Police Department:** The Social Services Bureau responsibilities moved to Health and Human Services Department.
- **Public Works Agency:** The Environmental Services Bureau and Infrastructure Maintenance Bureau were merged to create the Public Services Bureau.

Staffing/Compensation: The FY2018 Adopted Budget includes modest compensation increases in the form of a General Wage Increase of three-percent (3%) for employees. This has been affirmed in contracts with the Evanston chapters of the American Federation of State, County and Municipal Employees (AFSCME) and the local chapter of the Fraternal Order of Police (FOP) Officers. The City is still in contract negotiations with the International Association of Firefighters (IAFF) and FOP Sergeants.

The 2018 Proposed Budget includes significant reductions in the PPO Health Insurance plan for all staff at an estimated savings of \$315,000 in the General Fund.

Balanced Budget: The FY 2018 General Fund Adopted Budget is presented as a balanced budget with a surplus of \$602,958. To accomplish this, the FY 2018 Adopted Budget contains a series of staffing adjustments, revenue increases, and expenditure decreases in all departments.

The first table below provides a listing of staff reductions, additions, and vacant positions that will not be funded.

The second table is the Budget Balancing Worksheet, which shows the full detail of all changes implemented in order to balance the General Fund budget for FY 2018.

Summary of Reductions, Additions, and Vacancies

POSITION	DEPARTMENT	FUND	FTE
REDUCTIONS:			
Senior Accountant (Vacant)	City Manager's Office	General	1
Customer Service Representative (Vacant)	City Manager's Office	General	1
Sustainability Specialist (Vacant)	City Manager's Office	Water and Sewer	1
Economic Development Specialist (Vacant)	City Manager's Office	General	1
Human Resource Specialist Training	Admin. Services	General	1
Parking Repair Worker	Admin. Services	Parking	1
Junior Mechanic (Vacant)	Admin. Services	Fleet	1
Equipment Mechanic III	Admin. Services	Fleet	1
Fleet Manager (Vacant)	Admin. Services	Fleet	0.4
Electrical Inspector / Plan Review (Vacant)	Community Development	General	1
Customer Service Representative	Community Development	General	1
Social Services Manager (Vacant)	Police	General	1
Victim Advocates	Police	General	3
Records Input Operator	Police	General	1
Youth Advocate	Police	General	0.5
Training Coordinator (Vacant)	Police	General	1
Service Desk Officer/311 (Vacant)	Police	General	0.5
Secretary II	Health	General	1
Medical Director	Health	General	0.1
Festival Coordinator	PRCS	General	1
Administrative Supervisor	PRCS	General	1
Recreation Center Manager (Chandler Center)	PRCS	General	1
Special Projects Assistant	PWA	General	1
Parks/Forestry Worker II (Forestry)	PWA	General	1
Infrastructure Maintenance Bureau Chief	PWA	General	1
Environmental Services Bureau Chief	PWA	General	1
Equipment Operator II - Streets	PWA	General	1
TOTAL REDUCTIONS			26.5
ADDITIONS:			
Videos Records Clerk (Body Cameras)	Police	General	1
Public Services Bureau Chief	PWA	General	1
Human Services Coordinator	Health	General	1
Human Services Specialists	Health	General	2
TOTAL ADDITIONS			5
TOTAL NET REDUCTIONS			21.5
VACANCIES HELD:			
Police Commander	Police	General	1
Police Officer	Police	General	2
Firefighter/Paramedic	Fire	General	4
TOTAL VACANCIES			7.0

FY 2018 BALANCING BUDGET WORKSHEET

**GENERAL FUND
ADOPTED BUDGET**

Adopted Revenue Adjustments

Revenue Changes

Ground Transportation Tax on Rideshare Services (20 cents per ride on Uber and Lyft)	100,000
AirBnB tax	90,000
Collections Standardization - Home Rule Taxes (One time)	100,000
PRCS - 3% Boat Storage Fee, 2% Increase Rec Fees at All Facilities	80,000
Library Interfund to General Fund	20,000
Community Development Fee Rate Increase	50,000
Parking - Increase parking deck fees with increase to General Fund/\$95 to \$110 (include Sherman Plaza rooftop)	550,000
Parking - Meter hour standardization (All 9AM-6PM meters switch to 8AM-9PM) and uniformity in meter rate (\$1/hr)	450,000
Parking - Parking Meters - Expired Meter Fine Increase - from \$10-\$20	250,000
Parking - Street Cleaning Ticket (\$35 - \$40)	100,000
Parking - Increase Surface Lot Permit Rates (new fee \$60 per month)	160,000
Property Tax Increase for Police/Fire Pension - No change in investment rate of 6.5%	421,742
Health & Human Services Department Inspection Fee Increase	10,000
Washington National Transfer Increase - TIF Closes in 2018	150,000
Reduce Revenue from Assigned Fund Balances for Compensated Absences	(250,000)
Increase in Transfer from Water Fund - Administrative Costs	50,000
Increase in Transfer from Water Fund - Increase in ROI for Water Sales	50,000
Property Tax Levy Adjustment-- Extended reduced to levy amount (included in Baseline Budget)	(212,174)
Gas Tax Increase (1 cent)	200,000
Good Neighbor Fund Transfer	(20,000)
Athletic Tax Increase	80,000
TOTAL REVENUE CHANGES FOR 2018 BUDGET	\$ 2,429,568

Adopted Expense Adjustments

Recurring Expense Changes

<u>General Fund Reductions by Department</u>		
<u>Council</u>	Baseline 4% Cut Amount	(19,928)
<u>Clerk</u>	Baseline 4% Cut Amount	(7,307)
	Discretionary \$8,000 added during Dec 11 Council discussion	8,000
<u>CMO</u>		(792,612)
	Economic Development Reduction	(400,000)
	Seasonal Employee (Economic Development)	(15,000)
	Add Budget for Police Management Audit	50,000
	Duncan/Passport Annual Fee Savings	(75,000)
	Move 50% Workforce Compliance Coordinator to Water and Sewer Funds	(49,800)
	Move 50% Sustainability Coordinator to Water and Solid Waste funds	(60,000)
	1 FTE - Senior Accountant (Vacant, Eliminate)	(89,490)
	1 FTE - Customer Service Rep. (Vacant, Eliminate)	(74,042)
	1 FTE Sustainability Specialist (billed in Water and Sewer Funds) (Vacant, Eliminate)	-
	1 FTE - Econ Dev Specialist (Vacant, Eliminate)	(79,280)
<u>Law</u>		(6,000)
	Legal Services - General	(14,000)
	Court Cost/Litigation	(12,000)
	Hourly Billing Software	20,000
<u>Admin. Services</u>		(824,692)
	Unemployment Compensation and Admin. Fee - Reduce from budget of \$205,000	(63,000)
	Move Parking Coordinator to Parking Fund	(93,858)
	Move PEO License Plate Reader Costs to Parking Fund	(135,734)
	1 FTE - HR Specialist Training (Eliminate)	(130,000)
	New Crossing Guard for Oakton School	7,900
	Reduce Transfer to Fleet Services (Fuel Cost Savings)	(150,000)
	Reduced Transfers (1 FTE Parking Repair Worker, 1 FTE Jr Mechanic (Vacant), 1 FTE Equipment Mechanic III .4 FTE Fleet Manager (Vacant) (Eliminate)	(260,000)

<u>CD</u>			(345,875)
	1 FTE Elec. Inspector / Plan Review (Vacant, Eliminate)	(102,193)	
	1 FTE - Customer Service Representative (Eliminate)	(72,000)	
	Move Transportation & Mobility Coordinator to Parking Fund	(91,000)	
	Community Grants Program (Mental Health Board) Funding - FY17 \$767,055 to FY18 \$736,193	(30,682)	
	Move 25% of Director to Affordable Housing Fund	(50,000)	
<u>Police</u>			(671,238)
	Transfer Social Services Bureau (Reorganize to Health and Human Services Department)		
	Transfer 0.8 FTE Youth Advocate (Reorganize to Parks Department)		
	1 FTE Social Services Manager (Vacant) 3 FTE Victim Advocate; 0.5 FTE Youth Advocate (Eliminate)	(680,000)	
	1 FTE - Records Operator Position (Eliminate)	(83,426)	
	Add 1 FTE - Videos Records Clerk (Body Cameras)	83,426	
	1 FTE - Training Coordinator (Vacant, Eliminate)	(74,742)	
	1 FTE Police Commander - (Hold vacancy, not funded)	(165,000)	
	2 FTE Police Officers - (Hold vacancies, not funded)	(255,000)	
	0.5 FTE - Service Desk Officer I 311 (Vacant, Eliminate)	(22,000)	
	2017 Police Actuarial Study Increase - Pension Cost Increase	225,504	
	Overtime - Based on 5 year historical average; Increase required	300,000	
<u>Fire</u>			(288,762)
	4 FTE Fire Suppression - Hold vacancies	(540,000)	
	OT Increase	150,000	
	Natural Gas	(20,000)	
	Clothing	(20,000)	
	Training	(20,000)	
	Furniture and fixtures	(35,000)	
	2017 Fire Actuarial Study Increase - Pension Cost Increase	196,238	
<u>Health</u>			155,421
	Move 25% of Director to General Assistance	(55,079)	
	Add 2 PT & 2 Full-Time Human Services Specialists (From Police Social Services Bureau)	310,000

GENERAL FUND REVENUES

The City of Evanston economy remains stable and overall revenues are projected to decrease for the 2018 Proposed Budget. The table below shows a listing of taxes/revenues that are projected to change and some of the reasons for these changes.

Revenue Type	FY2017 Amended	FY2018 Adopted	\$ Change	% Change	Comment
51515 - STATE USE TAX	1,750,000	1,775,000	25,000	1.4%	Per the IL Municipal League, 2017 forecasts \$25.30 per capita for 2018 (up 7% from FY2017)
51525 - SALES TAX - BASIC	10,942,386	10,542,386	(400,000)	-3.7%	Pace of historical growth slowing down. Revised budget to align with IL economic outlook. State forecast predicts growth of only 1.9% reflecting conditions that may lead to a continued cautious consumer. 2017 Actual was \$9.96M
51530 - SALES TAX - HOME RULE	6,613,588	6,413,588	(200,000)	-3.0%	Reduction due to 2% administrative fee being administrated for the collection of this tax by the State of Illinois Department of Revenue.
51540 - ATHLETIC CONTEST TAX	1,000,000	1,000,000	-	0.0%	Estimate is based off historical trends
51545 - STATE INCOME TAX	7,800,000	7,000,000	(800,000)	-10.3%	In the State's recently passed 2018 budget includes a provision reducing the amount of Income Tax revenue to be deposited into the LGDF for distribution to municipalities by 10%. The City anticipates this reduction to impact the entire City fiscal year.
51565 - ELECTRIC UTILITY TAX	3,000,000	3,000,000	-	0.0%	Estimate is based off historical trends - Variable weather (extreme highs / lows) can alter this estimate
51570 - NATURAL GAS UTILITY TAX (Includes Home Rule)	2,200,000	2,200,000	-	0.0%	Estimate is based off historical trends - Variable weather (extreme highs / lows) can alter this estimate
51585 - CIGARETTE TAX	200,000	200,000	-	0.0%	Estimate is based off historical trends
51590 - EVANSTON MOTOR FUEL TAX	750,000	800,000	50,000	6.7%	Estimate is based off historical trends - Prolonged lower gas prices increase this revenue
51595 - LIQUOR TAX	3,100,000	3,110,000	10,000	0.3%	Liquor tax stable with full year of Whole Foods and Valli Produce sales
51600 - PARKING TAX	3,170,000	2,900,000	(270,000)	-8.5%	Budget reduced due to historical trends
51620 - REAL ESTATE TRANSFER TAX	3,100,000	3,300,000	200,000	6.5%	Continued positive real estate market contributing to \$200K increase
51625 - TELECOMMUNICATIONS TAX	1,900,000	2,100,000	200,000	10.5%	Budget slightly increased as prior years decline is leveling off
52010 - VEHICLE LICENSES	2,850,000	2,850,000	-	0.0%	Staff is projecting no change, however compliance activities through the addition of one additional LPR camera enforcement car is anticipated which will increase parking ticket revenue
Grand Total	\$ 48,375,974	\$ 47,190,974	\$ (1,185,000)	-2.4%	

OTHER FUNDS:

Parking Fund: The City's parking and transportation services have grown in scale and complexity as infrastructure ages and new services enter the marketplace. To meet these challenges, we are preparing for the creation of a Parking and Transportation Enterprise Fund for FY 2019. This fund will accurately account for all parking and transportation related revenue and expenses for the City.

Part of the process for the creation of this fund will be a Citywide evaluation of all parking assets, fees, and charges with recommendations for changes to existing fees and services to support long-term maintenance and infrastructure needs. Additionally, transportation related personnel expenses will be moved into this fund. The fund will operate in the same manner as the City's other enterprise funds such as water and sewer to give an accurate picture of the total cost of ownership and operation of the City's parking and transportation assets. As noted in the Budget Balancing Worksheet in this transmittal, the City is proposing several parking related revenue changes, however these revenues will remain in the General Fund for 2018.

Water Fund: This Proposed Budget includes a 7% increase to the Evanston Water rate. This increase will be completely off-set by a 4% decrease in the sewer rate.

The City's water treatment plant has several large concrete tanks that store water after it has been treated (called clearwells). The largest of these, a five million gallon clearwell built in 1934, is in need of replacement. Engineering evaluations completed in 2012-2013 concluded that the roof of the clearwell would not last more than another five years. A long-term planning study completed in 2014 evaluated options for the 1934 clearwell. Based on this review, the 2018 Capital Improvements Plan included \$12.2 million (\$3 million was budgeted in 2017) for the replacement of the clearwell.

Evanston has a high probability of receiving a State Revolving Fund loan for this project at 2.5% or lower interest rate and the 2017 A bonds were just issued at a 3.06% effective interest rate. Furthermore, increases to the Northwest Water Commission's wholesale water rate resulting from this project would generate enough revenue to offset about 90% of the 20-year loan repayment cost.

Evanston completed negotiations with the Villages of Morton Grove and Niles to provide water through a newly constructed pipeline to the Evanston border (paid for by Morton Grove and Niles). This project will be completed in late 2018 and only modest start up water provision will begin in November.

Sewer Fund: This Proposed Budget includes a 4% decrease to the Evanston sewer rate. This decrease will be completely off-set by a 7% increase in the water rate.

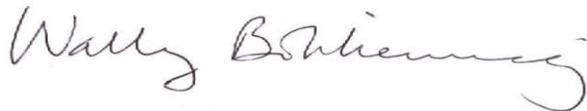

The City budget includes information on many other funds, which account for all other activities accomplished each year. Each fund is summarized in the Executive Summary after this transmittal letter.

CONCLUSION

As the City moves forward with implementation of the FY 2018 budget, an equity lens will be applied. This process is in keeping with the Sustainability Tools for Assessing and Rating (STAR) Community ratings and management system that evaluates City operations beyond traditional departmental and fund budgeting systems. This equity review process is also explained more fully in the memo from the City's Equity and Empowerment Coordinator immediately following this transmittal letter.

In closing, I would like to thank Assistant City Manager/Chief Financial Officer Martin Lyons for his leadership of the Budget Team and his efforts to produce a responsible budget which strives to address City needs within the scope of our available resources. I would also like to thank the members of the Budget Team, including Budget and Finance Manager Ashley King, Assistant to the City Manager Kimberly Richardson, Revenue Manager Alex Thorpe, Senior Management Analyst Kate Lewis-Lakin, Deputy City Manager/Administrative Services Director Erika Storlie, and Management Analyst Wolf Peddinghaus, for their research, analysis, and diligent efforts in the development of the annual budget. I would also like to thank the Department Directors and their respective staff for their assistance in helping to find solutions to this year's budgetary challenges.

Sincerely,

A handwritten signature in cursive script that reads "Wally Bobkiewicz". The signature is written in black ink and is positioned above the typed name.

Wally Bobkiewicz
City Manager

Memorandum

To: Wally Bobkiewicz, City Manager

From: Dr. Patricia Efiom, Equity and Empowerment Coordinator

Subject: Equity and Empowerment Assessment for the FY18 Proposed Budget

Date: October 6, 2017

The City of Evanston is committed to becoming the most livable city in America. The Office of Equity and Empowerment contributes to this goal by ensuring that an equity lens (perspective) is used to eliminate barriers for all people regardless of race/ethnicity, sex, physical or mental disability, sexual orientation, gender identity, age, immigrant status, veteran status, language, and/or socio-economic status.

Equity is achievable when all residents have access to the opportunities and resources necessary to satisfy their essential needs, advance their well-being and achieve their full potential, and where all barriers and biases – institutional and individual– that limit access to those opportunities and eliminated resources.

The 2018 budget has an initial deficit of \$6.4 million and the Budget Balancing Worksheet address how to balance the budget for the upcoming year. This Budget Equity Assessment Report is an overview of the Budget Balancing Worksheet, and how the budget balancing recommendations benefit and/or burden communities, especially people of color, the elderly and people with disabilities, as noted in the City of Evanston Equity and Empowerment Plan.

In reviewing the Budget Balancing Worksheet, equity and social impacts of the budget decision to reduce disparities and promote service level across all populations of Evanston.

Proposed New/Increased Revenues

Parking - Street Cleaning Ticket (\$35 - \$40) : The increase in street cleaning fees will negatively impact the residents living in southeast Evanston. This is due to the high density of multi-family units and limited on street parking.

Ground Transportation Tax on Rideshare Services: This proposed new tax is not out of line with what is implemented in other municipalities. There is not much data currently available on ridership however anecdotal information suggests that the disability community is increasing using rideshare services. Those without personal cars also are frequent users. Cities that have implemented this tax also uses a portion of the revenue to assist low income riders. The concern is that this tax will increase overtime and become a cost burden on low-income residents, the elderly, and the disability community.

Proposed Expenditures

City Manager's Office

The proposed budget cuts will not unfairly impact programs or services to any particular community or protected classes

Legal Department

The proposed budget cuts will not unfairly impact programs or services to any particular community or protected classes

Administrative Services Department

The proposed budget cuts will not unfairly impact programs or services to any particular community or protected classes

Community Development Department

The proposed budget cuts will not unfairly impact programs or services to any particular community or protected classes

Police Department

The proposed transfer of Social Service Bureau to Health and Human Services will result in a significant reduction of services offered to victims of crime. This cut will have the greatest impact on African Americans since that population makes up more than fifty (50) percent of those served.

This budget reduction will mean a greater need for police officers to receive training in crisis intervention and death notifications. This combined with body camera training and mandatory state police training, raises a concern about the elimination of the Training Coordinator position.

Fire Department

The proposed budget cuts do not include reductions in staff and will have no impact on service to residents.

Health and Human Department

Due to extended medical leave by staff the Health Department, a major direct service provider to the City's most vulnerable residents, has been understaffed for a significant part of 2017 and this will likely continue into 2018. This combined with the additional work necessary to integrate the Evanston Police Department Social Services Bureau into the department will impact the department's ability to maintain the level and quality of service to residents.

While staff medical leave is not a budget issue, the concern is that any changes in staffing during medical leave would put service to residents at significant risk.

The proposed reduction in staff will disproportionately impact people of color, low income residents, neighborhoods with large concentrations of low income residents and department staff.

Parks, Recreation and Community Services Department

The proposed budget recommends the elimination of the position of Administrative Supervisor who has responsibility for payroll, human resources, budget and finance. Because this position requires a special skill set to handle payroll processing and human resources those responsibilities cannot be folded into the another position. As a direct service provider to all sectors of the Evanston Community, the potential of this decision to negatively impact such programs as the Mayor's Summer Youth Employment Program and seasonal employment must be taken into consideration

Public Works Agency

The proposed elimination of the Forestry Worker II and the Equipment Operator II will result in a decrease in the frequency of grass mowing, weeding, litter pick up and planting in our parks, greenways and athletic fields as well as a reduction in asphalt and pothole patching. Crews of three are dispatched on service calls, a team of two may not be able to meet the service request and if one of the two team members is off for vacation or sick leave, that crew would not function at all. These staff reductions will have direct impact on service to residents.

General Observations

Training cut from the Evanston Police Department and Administrative Services. While the Compliance Officer will handle training at EPD, there is not a clear plan to cover

training citywide. In addition, the Office of Equity & Empowerment expects to do extensive training for all staff and Board & Commission members

The proposed budget would eliminate seventeen (17) filled staff positions. The demographic makeup of the staff is as follows:

- Six (6) - African Americans
- Nine (9) - Caucasian
- Two (2) - Hispanic

- Eleven (11) - Females
- Six (6) - Males

- Twelve (12) - over the age of 40

**FY 2018 Adopted Budget
Executive Summary**

I. Introduction

The City of Evanston covers a stretch of four miles along Lake Michigan's picturesque western shoreline. The City's eight square miles includes residential neighborhoods encircling thoughtfully-planned business districts and recreational facilities. Ongoing development of both residential and commercial properties has brought the City of Evanston a cosmopolitan flavor while retaining a close-knit suburban atmosphere.

Evanston boasts a diverse populace in terms of religious, racial, educational, and economic composition. Interspersed throughout the community are over 260 acres of parks. This includes over thirty tennis courts, five public swimming beaches, athletic fields, bicycling and jogging trails, and an indoor ice-skating facility.

The City of Evanston operates under the Council-Manager form of government. The non-partisan legislative component is comprised of ten elected officials consisting of a Mayor and nine Ward Aldermen. Through the Council-Manager form of government, elected officials create policy and direct the City Manager to implement the plan. This places the responsibility for day-to-day provision of services on a professional manager and staff.

II. Budget Summary

The total operating budget for FY 2018 is \$335,464,008 for all budgeted funds, including inter-fund transfers. This represents an increase of \$11.7 million or 3.6% compared to the amended FY 2017 Budget (\$323,732,984). 2018 is the first year showing the Crown Construction Fund which will track all expenses related to the construction of the Robert Crown Community Center and Library.

III. Fiscal Considerations

The City experienced revenue shortfalls in the General fund due to the passage of the State of Illinois 2017-18 budget (\$1.1 million in reduced revenues) and due to reduced building permit related revenue (\$5.0 million). This shortfall produced a 2018 Baseline Budget deficit of approximately \$6.0 million. As a result, the focus of the FY 2018 budget includes the evaluation of all General Fund Department Budgets and involves reductions in all department budgets including Public Safety to present a balanced budget for 2018. As noted in the Budget Balancing Worksheet in the transmittal letter of this document the Adopted Budget includes \$2.4 million in revenue increases and \$4.2 million in expense decreases to eliminate this deficit. Service reductions are planned to be minimal in order to focus on the execution of the City's goals to address families at risk, long-term debt, violence prevention, and facilities and infrastructure improvement.

The 2017 tax levy, receivable in 2018, includes a net zero change to the General Fund and IMRF Pension levies, a new Solid Waste Fund levy, increases to the Police and Fire Pension Fund levies, and an increase to the Library Fund levy. The following chart shows the adopted 2017 tax levy as compared to previous years.

	2014 ADOPTED LEVY	2015 ADOPTED LEVY	2016 ADOPTED LEVY	2017 ADOPTED LEVY	\$ VARIANCE INCREASE / (DECREASE)	% VARIANCE INCREASE / (DECREASE)

IV. General Fund

Expenditures

The FY 2018 Adopted Budget includes a 3.7% reduction in expenditures from the 2017 Amended Budget. These reductions are detailed in the Transmittal letter. Personnel expenses have been increased to reflect union contract negotiations and changes to health insurance costs.

Revenues

The General Fund depends upon a variety of revenue sources to fund its services. Many of these revenues are subject to fluctuations based on the economy, although demands and costs for government services typically either remain constant or increase. The summary of revenues below is a budget to budget comparison. The transmittal letter of this document includes a budget to actual comparison.

1. Property Tax:

The General Fund portion of the levy is expected to increase \$421,742, as shown in the Transmittal Letter, to be contributed to the Police and Fire Pension Funds.

2. State Sales Tax:

General Fund revenue from the State of Illinois sales tax is expected to be \$10,542,386, which represents an approximate 3.7% decrease in comparison to the FY 2017 budget. This revenue is a slight decrease due to the projections provided by the State of Illinois budget office.

3. Home Rule Sales Tax:

For FY 2018, this General Fund revenue is budgeted at \$6,413,588, which is a 3.0% decrease in comparison to the FY 2017 budget. This tax is not assessed on food, prescription medication, or registered/titled property purchases (i.e., vehicles) so it is often less than the local share of the retailers' occupation tax (i.e. sales tax above). This revenue decrease is associated with a 2% administration surcharge placed on City sales taxes and a slight decrease in overall expected revenues.

4. State Income Tax:

Based upon projections from the Illinois Municipal League, revenue budgeted for FY 2018 is \$7,000,000, representing a 10% decrease from the FY 2017 budget due to the passage of the State of Illinois Budget. This revenue is collected by the State of Illinois and the amount distributed to Illinois municipalities is dependent upon population size.

5. Utility Taxes:

Revenues from utility taxes are comprised of electric, natural gas distribution and consumption, and telecommunications taxes. For FY 2018, these taxes are budgeted at \$7.3 million, which represents a 2.8% increase compared to FY

2017 budget. The increase is in the telecommunications tax (\$200,000 higher than 2017 Budget). Electric and natural gas taxes are weather sensitive and can fluctuate based on high / low weather patterns.

6. Real Estate Transfer Tax:

Real estate transfer tax revenue is slightly increased to \$3,300,000 in FY 2018, which is \$200,000 over the 2017 budget.

7. Vehicle Licenses:

This revenue source is considered to be relatively insulated from economic fluctuations as it is based on the number of vehicles registered within the City. For FY 2018, the revenue projection for vehicle licenses is \$2,850,000, which is flat at the 2017 amount.

8. Licenses, Permits, and Fees:

Including vehicle sticker sales, total licenses, permits, and fees are expected to generate \$12.4 million, which represents a 28.4% decrease in comparison to FY 2017. This major decrease is reflected in lower building permit related revenues. There are several revenue sources, which comprise the licenses, permit and fee category including building permits, liquor licenses and the cable franchise fee.

9. Fines and Forfeitures:

Parking tickets, regular, and other fine revenues are budgeted to be \$3,897,500 in FY 2018. This includes a \$100,000 increase in revenue expected from parking ticket fines, due to changes detailed in the Transmittal Letter.

10. Charges for Services

This category consists of many revenue sources, the largest of which relates to recreation and ambulance service fees. Charges for services are projected to generate \$10,077,800 in FY 2018, which is a 12.8% increase over FY 2017. This increase is largely due to an increase in parking meter revenue, due to changes detailed in the Transmittal Letter.

11. Intergovernmental Revenue

This revenue is completely dependent on grants offered by the State and Federal governments. For FY 2018, the revenue is projected to be lower than 2017 at \$758,100. The majority of the City's grant funding is located in grant-specific funds outside of the General Fund.

V. Other Funds

General Assistance Fund

The General Assistance Program, which is mandated by the State of Illinois, is administered by the City of Evanston and supported by Evanston tax revenues. The program provides assistance (up to \$875 monthly) to Evanston residents

who are not eligible for other forms of state or federal financial assistance and do not have resources to support their basic needs.

Human Services Fund

The Human Services Fund was created to protect Evanston's most vulnerable residents and to provide individuals and families with access to services that promote self-sufficiency and address mental health concerns. This includes community services provided by social services agencies, crisis intervention services, and the Community Action Program. This Fund includes a 4% reduction in expenses as noted in the Transmittal Letter.

Good Neighbor Fund

The Good Neighbor Fund is a result of Northwestern University's commitment to contributing \$1 million in support of City programs.

Library Funds

The Evanston Public Library reviews and approves Library Funds/Budgets through the Library Board and these funds are included in this document. The Library is increasing both operating and capital expenses for 2018. The Evanston Public Library promotes the development of independent, self-confident, and literate citizens through the provision of open access to cultural, intellectual, and informational resources for all ages.

Neighborhood Stabilization Fund

The Neighborhood Stabilization Program 2 (NSP2) was funded by the American Recovery and Reinvestment Act of 2009 to stabilize neighborhoods that have been negatively impacted by high numbers of foreclosed and vacant homes.

Motor Fuel Tax Fund

The Motor Fuel Tax Fund is used for street maintenance, street resurfacing, and signal upgrade projects. The funds are authorized by the Illinois Department of Transportation and are appropriated as part of the City's share of the gasoline tax. Motor Fuel Tax Fund spending is budgeted at \$2,457,990 in FY 2018.

Emergency Telephone System Fund

Revenues for this fund are derived from the \$1.50 Enhanced 911 Surcharge and a share of the State of Illinois wireless surcharge. FY 2018 revenues for the fund are budgeted at \$1,051,700 while expenditures for 2017 total \$1,043,438

Special Service Area (SSA) #4

This accounts for services such as promotion, advertisement, and other public services of the territory as managed by Downtown Evanston, an Illinois not-for-profit corporation. Each fall, Downtown Evanston submits a budget for approval to the City Council. However, because assessed property value was not available in final form as of the date of this document, the Special Service Area and Downtown Evanston budgets remain estimated until a final tax levy can be

calculated. The FY 2018 revenues and expenditures budgeted for the SSA #4 Fund are projected to be \$370,000.

Community Development Block Grant (CDBG) Fund

This accounts for funds granted from the U.S. Department of Housing and Urban Development. The expenditure amount estimated for FY 2018 is \$2,439,512, which includes draw down of prior year available funds. This is an increase in \$163,717 in comparison to FY 2017.

CDBG Loan Fund

The CDBG Loan Fund is a revolving loan fund. The purpose of the fund is to provide residential rehabilitation loans for income eligible 1 to 3 unit owner-occupied residential properties and multi-family rental properties that are occupied by income eligible households under HUD regulations. FY 2018 expenditures total is \$293,000.

Neighborhood Improvement Fund

This fund was created to track revenues and expenses associated with development agreements in specific areas throughout the community. Revenues for this fund are created through sales tax revenue sharing and expenses are used for neighborhood improvements surrounding the originally developed commercial property. Program expenses are budgeted at \$100,000 in FY 2018. These expenses are associated with the Main Street Commons / KAPSUM agreement.

HOME Fund

The HOME Fund is a federally-funded program designed to meet the needs of low- to moderate-income residents in finding affordable housing. The HOME Fund's FY 2018 budgeted expenditures are \$588,321.

Affordable Housing Fund

The Affordable Housing Fund seeks to support housing related programs as adopted by the City Council. The FY 2018 budget is \$489,300 for Rehab Loans and Housing Related Services.

Washington National TIF Debt Service Fund

Expenditures for the Washington National TIF Fund are budgeted to be \$9,207,040 for FY 2018. The major expenses in this fund are the payment of debt service for parking facilities, and for the redevelopment of the City's Fountain Square in Downtown Evanston. This fund will close at the end of 2018.

Special Service Area #5 Fund

Adopted by the City Council on June 27, 1994, Special Service Area #5 overlays the City of Evanston's downtown business district. This fund closed in 2016.

Howard-Hartrey (Southwest II) TIF Debt Service Fund

Also known as the Southwest II TIF, the district consists of a 23-acre site located at 2201 Howard Street. This TIF closed in 2016.

Debt Service Fund

The 2017 tax year levy, to be filed with Cook County in December 2017, has been budgeted as revenue for FY 2018. Budgeted expenditures in this fund primarily consist of general obligation debt service paid from property taxes. Total debt service for FY 2018 is projected at \$14,297,257.

Howard-Ridge Tax Increment Finance District Fund

The City Council adopted the Howard-Ridge Tax Increment Finance (TIF) District on January 26, 2004. The TIF district is generally bounded on the north by various parcels that front Howard Street and Chicago Avenue, on the east by the City of Evanston's boundaries and the Chicago Transit Authority (CTA) Red Line, on the south by City boundaries and on the west by Ridge Avenue. The TIF district contains mixed residential uses, retail/commercial properties, and institutional uses. Expenditures budgeted for FY 2018 total \$4,681,500, with a significant portion of this amount budgeted for the redevelopment of a theater on Howard Street along with ongoing developer payments from a previous agreement.

West Evanston Tax Increment Finance District Fund

The City Council adopted the West Evanston Tax Increment Finance (TIF) District in September 2005. The West Evanston TIF district collected its first tax increment in FY 2007-08. Expenses for FY 2018 are budgeted at \$40,000 and are primarily related to administration and interest expense.

Dempster-Dodge Tax Increment Finance District Fund

The City Council approved the creation of the Dempster-Dodge Tax Increment Financing (TIF) District on June 25, 2013. The Dempster-Dodge TIF District area is comprised of a single parcel. This parcel is a shopping center located at the southwest corner of the intersection of Dempster Street and Dodge Avenue. Expenses for FY 2018 are budgeted at \$72,666 for the payment of 2017C bond issue Debt Service.

Chicago-Main TIF Fund

The City Council adopted the Chicago/Main Tax Increment Financing (TIF) District #8 in January 2013. The goal of this TIF district is to support the continued development of the thriving business district located near the intersection of Chicago Avenue and Main Street. The FY 2018 Budget is \$108,999 for the payment of 2017C bond issue debt service.

Special Service Area #6 Fund

Special Service Area #6 is comprised of the commercial areas of Dempster Street, Chicago Avenue, and Main Street. The FY 2018 Budget for this fund is \$221,500.

Capital Improvement Fund

The Capital Improvement Fund accounts for all capital outlay expenditures not included in other funds as outlined in the Capital Improvement Plan (CIP). Expenditures in the fund are budgeted at \$30,297,527. Two major capital projects – the Robert Crown Community Center and library renovation, are tracked in separate funds and not included as expenditures in the Capital Improvements Fund.

Crown Construction Fund

This newly created fund will track revenues and expenses associated with the approximately \$40 million project to build the new Robert Crown Community and Library Center.

Special Assessment Fund

The Special Assessment Fund's budgeted expenditures for FY 2018 total \$585,217 to be used for Alley reconstruction throughout the City.

Parking Fund

All parking revenue sources, including lots, meters, and garages are combined into this fund for ease of tracking and comparison. Operations include the Sherman Plaza, Maple, and Church St. garages along with the entire municipal parking system with over 2,000 meters. FY 2018 expenses total \$12,896,493, a decrease of \$1,628,259 compared to FY 2017.

Water Fund

The Water Fund has budgeted FY 2018 expenses totaling \$45,663,506, which represents an increase of \$16.3 million in comparison to FY 2017. This increase is due to the timing of major capital projects which can be found in the CIP and includes the major project of replacement of the 5.0 million gallon reservoir at the Water Plant.

Sewer Fund

The Sewer Fund has budgeted FY 2018 expenses totaling \$14,817,870 which represents an increase of \$148,375 compared to FY 2017. A majority of this decrease is due to lower capital projects in 2018 than in the previous year.

Solid Waste Fund

The FY 2018 budget for Solid Waste operations is projected at \$5,109,701 which is a decrease of \$88,644 from FY 2017.

Fleet Services Fund

Budgeted expenditures for FY 2018 total \$3,333,871, a \$385,366 decrease in comparison to FY 2017. Fleet Services Fund is responsible for the maintenance and repair of the City's fleet; the Equipment Replacement Fund is responsible for the purchase of vehicles and equipment.

Equipment Replacement Fund

This fund is responsible for costs associated with purchases of City vehicles and equipment. Revenues for the fund are provided primarily from transfers from other funds. FY 2018 expenditures budgeted for the fund total \$1,597,977 which is a \$67,555 increase over 2017.

Insurance Fund

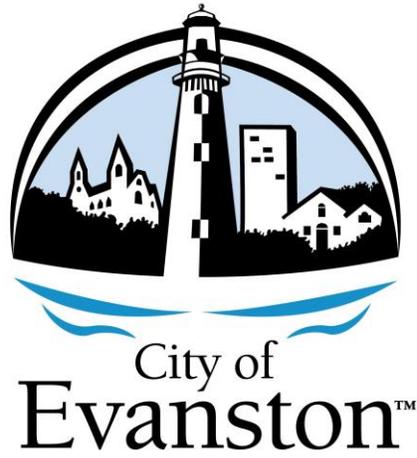

The Insurance Fund continues to incur increased liability/personnel cost increases. 2018 Baseline Budgeted expenditures total \$18,439,931. The City self-insures a large majority of liability insurance claims in this fund, with a self-insured retention set at \$1,250,000.

Fire Pension Fund

Every Illinois municipality having a population of not less than 5,000 and not more than 500,000 must have a Fire Pension Fund as prescribed in 40 ILCS 5/4-101 of the Illinois Revised Statutes. Fire Pension Fund expenditures for FY 2018 are budgeted at \$8,795,000.

Police Pension Fund

Every Illinois municipality having a population of not less than 5,000 and not more than 500,000 must have a Police Pension Fund as prescribed in 40 ILCS 5/3-101 of the Illinois Revised Statutes. The Police Pension Fund expenditures for FY 2018 are budgeted at \$12,525,000.

Organizational Chart

General Information

Evanston and its Government

The City of Evanston is a Home Rule community located in Northeastern Illinois along Lake Michigan. The City is governed by a Council-Manager form of government, which includes a Mayor and nine ward-elected Aldermen. The City provides a wide variety of services, including fire protection, law enforcement, water and sewer utilities, health and human services, recreation, public works, libraries, and community development.

The City of Evanston's eight square miles include over 33,000 housing units for an estimated 74,486 residents. Evanston also hosts a top tier institution of higher learning, Northwestern University. In addition, the City is home to several other international and national non-profit and philanthropic organizations.

By combining a high quality of life and close proximity to the City of Chicago and Lake Michigan, Evanston continues to be a highly desirable residential community. The quality of Evanston's earliest neighborhoods has been preserved and enhanced by foresight in planning and zoning. Due to cultural opportunities and flourishing commercial districts, the City of Evanston is increasingly a destination for business and pleasure alike, rather than a purely residential community.

2018 ADOPTED BUDGET

Budget Process

Summary of Proceedings

The City's fiscal year begins on January 1. The City Manager submits to the City Council a proposed operating budget in October for the fiscal year commencing the following January 1. The operating budget includes proposed expenditures and the means of financing those expenditures. The City Council holds public hearings and then may modify the budget prior to adoption.

The City Manager is authorized to transfer budgeted amounts between departments and within any fund (such as the General Fund); however, any revisions that alter the total expenditures of any fund must be approved by the City Council.

Preparation and Adoption

Budgets are legally adopted on a basis consistent with generally accepted accounting principles (GAAP) except that property taxes are budgeted as revenue in the year for which they are levied. Property taxes are budgeted utilizing a cash basis of accounting whereas budgeted property tax revenue will be what the City actually anticipates receiving for any given budget year. The budgets of the governmental type funds are prepared on a modified accrual basis. Debt service payments and a number of specific accrued liabilities are only recognized as expenditures when payment is due, and revenue is recognized only when it has actually been received.

Related Legislation

The Evanston City Council has adopted three primary pieces of legislation which govern the budget process:

Resolution 67-R-79 establishes a Budget Policy for the City of Evanston. This policy provides guidelines for determining the amount of property tax to be levied, the funding for the Police and Fire Pension Funds, and the re-appropriation of fund balance.

Ordinance 57-0-79 provides for the adoption of the annual budget. This ordinance establishes the annual budget shall be adopted by the City Council before the beginning of the fiscal year to which it applies.

Compilation of the Proposed Budget - Each year the City Manager shall prepare and submit a proposed budget to the City Council to allow for ample time for discussion and decision-making. The proposed budget shall contain estimates of revenues available to the City for the fiscal year along with recommended expenditures for the departments, boards and commissions. The City Manager is required to submit a balanced budget to Council in which revenues equal expenditures

Revision of Annual Budget - Following City Council adoption of the budget, the City Council by a vote of two-thirds of its members, shall have the authority to revise the budget by transferring monies from one fund to another or adding to any fund. No revision of the annual budget shall increase the budget in the event monies are not available to do so.

2018 ADOPTED BUDGET

Budget Process

Public Hearing, Notice and Inspection of Budget - The City Council will hold a public hearing on the annual budget prior to final action by the City Council. Notice of this hearing shall be published in a local newspaper at least ten days prior to the public hearing. Copies of the proposed budget will be available for public inspection in printed form in the office of the City Clerk for at least ten days prior to the hearing.

Resolution 6-PR-78 establishes a policy concerning municipal budget procedures. The primary components of this resolution include the following:

- In advance of the submission of the City Manager's proposed budget to the City Council, the Administration and Public Works Committee shall publicize and conduct a public hearing to receive input from citizens concerning municipal appropriations for the coming year.
- Sufficient copies of the proposed budget shall be placed on file with the City Clerk, the Public Library, and will be available for public inspection at these locations.
- The City Council budget meeting agendas will be available to the public prior to the initial special meeting of the City Council on the proposed budget.
- Each special meeting of the City Council on the proposed budget shall designate a period of time for citizen testimony concerning budget matters discussed during that special meeting. The length of such time shall be determined by the chairman prior to the budget meeting process.

Financial Control Procedures

The City reports financial results based on generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (GASB). The accounts of the City are divided into separate self-balancing funds comprised of its assets, liabilities, fund equity, revenues and expenditures, as appropriate.

The City's expenditures are monitored on a regular basis by the Administrative Services Department. Disbursements are made only if the expenditure is within the authorized appropriation. For all major expenditures, purchase orders are prepared, approved and the related appropriation is encumbered before a check is issued.

2018 ADOPTED BUDGET

Budgetary Basis of Accounting

The City was incorporated in 1863. The City operates under a Council-Manager form of government, is a home rule municipality as defined by Illinois state law and provides the following services as authorized by its charter: general management and support, public safety, public works, health and human resource development, library, recreational and cultural opportunities, and housing and economic development.

The City uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain City functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate “fund types.”

Governmental funds are used to account for all or most of the City’s general activities, including the collection and disbursement of earmarked monies (special revenue funds), the acquisition or construction of general fixed assets (capital projects funds), and the servicing of general long-term debt (debt service funds). The general fund is used to account for all activities of the City not accounted for in some other fund.

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

1. The City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following fiscal year. The operating budget includes proposed expenditures and the means of financing them.
2. Public budget hearings are conducted. Taxpayer comments are received and noted.
3. The City Manager is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council.
4. Budgets are legally adopted on a basis consistent with generally accepted accounting principles (GAAP). It should be noted that property taxes are budgeted on a cash basis. For purposes of preparing the combined statement of revenues, expenditure and changes in fund balances - budget and actual, GAAP revenues and expenditures have been adjusted to the budgetary basis.

2018 ADOPTED BUDGET

Budgetary Basis of Accounting

The level of control (level at which expenditures may not exceed budget) is at the fund level. All unencumbered annual appropriations are lapsed at the fiscal year-end.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded, reserve a portion of a budgeted account so that amount is not spent elsewhere. For non-enterprise funds, encumbrances are usually not counted as expenditures until the actual disbursement has been made.

The financial information of general governmental type funds (for example, the general fund itself and MFT funds) is prepared on a modified accrual basis. Briefly, this means that revenues are usually recorded when they become available and are measurable while expenditures are recorded when the liability has been incurred.

The enterprise funds (Water, Sewer, Solid Waste, and Parking), on the other hand, are often reported on a full accrual basis. Not only are expenses recognized when a commitment is made (through a purchase order) but revenues are also recognized when they are obligated to the City (for example, water user fees are recognized as revenue when bills are produced).

The Comprehensive Annual Financial Report (CAFR) shows the status of the City's finances on the basis of "generally accepted accounting principles" (GAAP) and a budget basis for comparison purposes.

2018 ADOPTED BUDGET

Fund Descriptions

GENERAL FUND

General Fund - To account for all activity traditionally associated with government operations, which are not required to be accounted for in another fund.

SPECIAL REVENUE FUNDS

General Assistance Fund – To account for the General Assistance program. Assistance is provided to persons who are not eligible for any other state or federal financial assistance programs and who do not have income or resources to provide for their basic needs.

Human Services Fund – To account for the access to resources that offer support and empower families.

Good Neighbor Fund – To account for the resources provided by Northwestern University to assist City functions and increase programming.

Library Fund – To account for the Evanston Public Library. The Evanston Public Library promotes the development of independent, self-confident, and literate citizens through the provision of open access to cultural, intellectual, and informational resources for all ages.

Library Capital Fund – To account for the capital improvements to the Evanston Public Library. Funding is provided primarily through property tax levy.

Library Debt Fund – To account for principal and interest payments on debt proceeds issued and allocated to the Evanston Public Library.

Neighborhood Stabilization Program 2 – To account for the NSP2 program. Financing is provided by the United States Department of Housing and Urban Development. Expenditures are made in accordance with federal law.

Motor Fuel Tax Fund - To account for the operation of street maintenance programs and capital projects as authorized per the Illinois Department of Transportation. Financing is provided from a State of Illinois municipal allotment of gasoline tax revenue.

Emergency Telephone System Fund - To account for revenues and expenditures for 911 emergency telephone service. Financing is provided by landline and wireless phone surcharges.

Special Service District No. 4 Fund - To account for promotion, advertisement, and street maintenance costs of the area located in the City's central business district. Financing is provided by the City through an annual special service area property tax levy.

Special Service Area No. 6 Fund To account for promotion, advertisement, and street maintenance costs of the area located in the City's commercial district surrounding Dempster, Chicago, and Main. Financing is provided by the City through an annual special service area property tax levy.

2018 ADOPTED BUDGET

Fund Descriptions

Community Development Block Grant Fund - To account for the revenues and expenditures of the Federal Community Development Block Grant program. Financing is provided by the federal government on a reimbursement basis in accordance with federal formula. Expenditures are made in accordance with federal law requirements.

Community Development Block Grant Loan Fund - To account for residential rehabilitation loans to residents.

Economic Development Fund - To account for costs associated with economic development activities of the City. Financing is primarily provided by hotel and amusement tax revenues.

Neighborhood Improvement Fund - To account for a portion of sales tax revenues derived from retail sales at the Home Depot store in Evanston. Sales tax revenues allocated to this fund are to be expended on public projects that will benefit the immediate neighborhood nearby the store.

HOME Fund – To account for the Home program. Financing is provided by the federal government and used to create affordable housing to low-income households. Expenditures are made in accordance with the requirements of federal law.

Affordable Housing Fund - To account for costs associated with affordable housing programs for low and moderate income City of Evanston residents.

DEBT SERVICE FUNDS

Debt Service Fund - To account for non-abated, general obligation payments on the principal and interest related to bonds and/or other City debt.

Special Service Area No. 5 Fund - To account for principal and interest payments on debt issued for this special taxing district.

Southwest Tax Increment District Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Howard-Hartrey Tax Increment District Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Washington National Tax Increment District Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Howard-Ridge Tax Increment District Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

West Evanston Tax Increment District Fund - To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

2018 ADOPTED BUDGET

Fund Descriptions

Dempster-Dodge Tax Increment District Fund – To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

Chicago-Main Tax Increment District Fund – To account for principal and interest payments on debt proceeds issued and allocated to this tax increment financing district.

CAPITAL PROJECTS FUNDS

Capital Improvement Fund - To account for capital projects not funded through special revenue, tax increment financing, or enterprise funds. Capital projects include, but are not limited to: long term improvements to public buildings, the paving of city streets, and the improvement and development of recreation facilities. Financing is provided primarily by grants and general obligation bond proceeds.

Crown Construction Fund - To account for all activity related to the construction of a new Robert Crown Community Center beginning in 2017. Financing is provided by general obligation bond proceeds and community contributions.

Special Assessment Fund - To account for capital improvements (primarily alley paving) financed by both special assessments on property owners and City contributions.

ENTERPRISE FUNDS

Water Fund - To account for all activity related to providing water to Evanston residents, as well as the Village of Skokie and the Northwest Water Commission. All activities necessary to provide such services are accounted for in this fund, including, but not limited to: administration, operation, maintenance, debt service, and billing/collection.

Sewer Fund - To account for all activity related to providing sewer service to City residents and businesses. Activities necessary to provide such service include, but are not limited to: administration, operations, financing, capital improvements/maintenance, and billing/collection.

Parking Fund - To account for all City-owned parking facilities/garages, lots, and metered spaces. Maple Avenue and Sherman Plaza Garage activities have been included in this Fund beginning in FY09-10. All activities are accounted for including administration, operations, financing, and revenue collection.

Solid Waste Fund – To account for all activity related to refuse, recycling, and yard waste collection and disposal. Activities necessary to provide such service include, but are not limited to: administration, operations and revenue collection.

INTERNAL SERVICE FUNDS

Fleet Services Fund – To account for the cost of operating the municipal service center maintenance facility for transportation vehicles/equipment used by City departments. Such costs are billed to the user departments.

2018 ADOPTED BUDGET

Fund Descriptions

Equipment Replacement Fund – To account for the costs associated with the purchase of vehicles and equipment.

Insurance Fund - To account for all costs related to general liability and workers' compensation claims. Beginning with FY10-11, health insurance premiums are also accounted for in this Fund. This internal service fund uses “funding premium” payments from City operating funds to pay claim and premium costs incurred.

TRUST AND AGENCY FUNDS

Fire Pension Fund - To account for the accumulation of resources to pay pension costs. Resources are contributed by sworn fire members at a fixed rate as mandated by state statute and by the City through an annual property tax levy as determined by an independent actuary.

Police Pension Fund - To account for the accumulation of resources to pay pension costs. Resources are contributed by sworn police members at a fixed rate as mandated by state statute and by the City through an annual property tax levy as determined by an independent actuary.

2018 ADOPTED BUDGET

Budget Policies

In ongoing efforts toward formally addressing long-term budgeting provisions, the City of Evanston has endorsed a Budget Policy. The City Council initially adopted this Budget Policy in December 2000. This policy was revised in 2014 as follows:

I. Budget Process

Preliminary Public Hearing

In September of each year prior to submission of the City Manager's proposed budget to the City Council, the Administration and Public Works Committee shall publicize and conduct a public hearing to receive input from citizens concerning municipal appropriations for the coming fiscal year.

Mid- year Budget Workshop

Each September the Administration and Public Works Committee shall schedule and hold a mid-year budget workshop. The workshop shall review but not be limited to:

- A revenue and expenditure report for the current fiscal year
- Structural or legislative issues affecting the current or future fiscal year
- Revenue and expenditure forecast for the upcoming fiscal year
- Other issues of policy or indicators that will affect the upcoming fiscal year budget

All members of the City Council shall be invited to participate in the Budget Workshop.

Quarterly Financial Update

Following the end of each financial quarter, the City Manager shall present a report summarizing budgeted vs. actual revenues and expenditures.

Review of the Comprehensive Annual Financial Report

The Administration and Public Works Committee shall review the Comprehensive Annual Financial Report. This review shall take place at the earliest meeting date following publication.

Copies of the Proposed and Final Budget

Sufficient copies of the proposed and final budget shall be placed on file in printed form with the City Clerk, the Public Library, all library branches, and will be available for public inspection at these locations. An electronic version of the proposed and final budget shall be posted on the City of Evanston Website. The City of Evanston may offer for sale a printed and electronic copy of the proposed and final budget for a fee not to exceed the cost of preparation, printing, and distribution of the budget.

Submission of the Proposed Budget

The City Manager will submit a balanced budget to the City Council by October 31.

2018 ADOPTED BUDGET

Budget Policies

II. Fund Policies

General Fund

The General Fund budget will be balanced each year, subject to the current Fund Reserve level. In the event the General Fund Reserve balance is below the minimum level of 16.6%, the fund may be structured with a surplus budget in order to bring reserves up to the minimum. In the event the fund reserve is above the 20% recommended maximum, the budget may be structured in a deficit to account for the transfers out to other funds as noted in the reserve policy.

Parking System Fund

This is an enterprise fund and as such is expected to be self-sufficient. Any revenues generated, especially from sales, should be retained to maintain the fund. Fees should be periodically increased sufficiently to fund operating costs, depreciation, and a reserve. The General Fund will continue to be properly compensated for administrative expenses, which support parking system activities.

Water Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to meet debt requirements. A portion of the fund reserve shall be used to fund depreciation and capital improvement needs.

Fire and Police Pension Funds

The Firefighters and Police Pension Funds shall receive funding in accordance with the Joint Actuarial Report provided by the City and both Funds each year. Actuarial methods and assumptions shall be reviewed annually and shall meet or exceed Illinois statutory regulations.

Emergency Telephone System Fund

This fund must be maintained at a level adequate to provide for maintenance of current operations, the capability to respond to unforeseen events, funding of long-term capital improvements, and needed upgrades. The fund shall be entirely supported by revenues received from the imposed telephone surcharge.

Motor Fuel Tax Fund

Revenues for this fund are provided by the state motor fuel tax and as such should be used only for street improvement, repair, and maintenance as allowed by State of Illinois law. Funds may be accumulated for the purpose of accomplishing major projects, however, the beginning reserve balance for this fund should not fall below 25% of the annual revenue received in the prior year.

Insurance Fund

The Insurance Fund must be maintained to meet the City's current and future insurance liability and self-funded employee benefits program requirements. Liability Insurance Requirements include current budget year obligations and building a reserve (as noted in the fund reserve section of this communication) over seven years to prepare for anticipated claims and losses. The City Manager shall be required to present an annual report itemizing all of the City's current and long-term claims and liabilities. Each year City staff will review worker compensation, liability, and property insurance policies to determine if coverage meets current financial and operational needs. The City Manager

2018 ADOPTED BUDGET

Budget Policies

each year will recommend to the City Council insurance policy coverage and limits and include the necessary funds in the operating budget. Self-funded Employee Benefit Program costs are accounted for in this fund and at the Intergovernmental Personal Benefits Cooperative (IPBC). As required by the IPBC the City will maintain a minimum of one month's reserve for PPO benefit programs at the IPBC. Further, the City will set rates and manage program benefit costs to keep cost increases below the Medical rate of inflation.

Fleet Services Fund

The City of Evanston shall maintain vehicles and equipment, which are safe and adequate for the demands of the operating departments. Interfund transfers from operating departments shall be established to maintain the necessary staff, equipment and supplies/parts to service all appropriate vehicles.

Equipment Replacement Fund

The Equipment Replacement Fund receives interfund transfer from operating department's established to replace vehicles within 2 years of the expiration of their useful life as determined by the fleet maintenance division. General obligation debt shall only be used for vehicles with an expected equal to or greater than 15 years and with a purchase price greater than or equal to \$250,000.

Debt Service Fund

General Obligation Debt of the City means debt (viz., bonds) for which an unlimited real property tax levy is made or pledged for payment. General Obligation Debt shall be allocated into two categories. Self-Supporting General Obligation Debt shall mean General Obligation Debt which, at the time of issuance, is expected and intended by the Treasurer to be payable out of a source of funds other than the City's general real property tax levy, thus permitting the abatement and avoidance of the property tax levy to pay such bonds; examples of Self-Supporting General Obligation Debt include (without limitation) bonds payable from the Water Fund or the Sewer Fund, bonds payable from special assessments, bonds payable from tax increment financing areas, and bonds payable from Motor Fuel Taxes. Tax-Supported General Obligation Debt shall mean all other General Obligation Debt, which is expected and intended to be paid from a general real property tax levy. General Obligation Debt shall not include any obligation of the City not denominated a bond, including, without limitation, short term notes or warrants or other obligations which the City may issue from time to time for various purposes and to come due within three (3) years of issuance. General Obligation Debt does not include bonds which have been refunded or decreased and which, as a consequence of same, are provided for from a dedicated source of funds or investments. Self-Supporting General Obligation Debt shall not be limited by this Budget Policy. Tax-Supported General Obligation Debt shall not exceed \$113,000,000 in aggregate principal amount, which limit is expressly subject to increase from time to time by action of the City Council as the needs of the City may grow. General Obligation Debt issued as so-called zero coupon bonds or capital appreciation bonds shall be counted as debt in the original principal amount issued. The

Treasurer shall at all times keep a book or record of all General Obligation Debt and its proper allocation. The Treasurer's statements as to the allocation of General Obligation Debt into these two categories shall be conclusive. Notwithstanding this statement of policy, all bonds or other

2018 ADOPTED BUDGET

Budget Policies

obligations by whatever name designated of the City duly authorized to be issued by the City Council shall be valid and legally binding as against the City, and there shall be no defense of the City as against any bondholder or other obligation holder on the basis of this policy.

Sewer Fund

This is an enterprise fund and as such is expected to be self-sufficient. As a result, rates should be scheduled to increase to meet costs of sewer operations, debt service, and capital projects. Transfers to other funds for administrative expenses should be maintained to reflect true program costs.

Solid Waste Fund

This is an enterprise fund and as such is expected to be self-sufficient. As a result, rates should be scheduled to increase to meet costs of solid waste operations, debt service, and capital projects. Transfers to other funds for administrative expenses should be maintained to reflect true program costs.

Expenditure Analysis

City Council shall review all significant operational, economic, program, and expenditure proposals in regard to the short term and long-term budgetary and economic impact. The appropriate City Department and staff shall provide the budget analysis for the review and consideration by the City Council.

III. Fund Reserve Policy

The Fund Reserve Policy is as follows:

General Fund

A minimum of 16.6% or two month of operating expenses shall be maintained as a reserve. Any monies over a 16.6% reserve in this fund shall be re-appropriated to other funds that have not met their reserve requirements. Once all funds have met their fund requirements additional funds shall go to the Capital Improvement Program. A minimum of a 5% reserve is required, per bond agreements.

Parking System Fund

A minimum of 16.6% expenses shall be maintained as a reserve; in addition a sufficient reserve shall be maintained to meet bond requirements. A portion of the fund reserve shall be used to fund depreciation and capital improvement needs. A minimum of 5% is required, per bond requirements.

Water Fund

A minimum of 10% expenses shall be maintained as a reserve; in addition a sufficient reserve shall be maintained to meet bond requirements. A portion of the fund reserve shall be used to fund depreciation and capital improvement needs. A minimum of a 5% reserve is required, per bond agreements.

2018 ADOPTED BUDGET

Budget Policies

Sewer Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to satisfy both bond and IEPA loan debt requirements. A portion of this fund reserve shall be used to fund depreciation and capital improvement needs.

Solid Waste Fund

A minimum of 16.6% of expenses shall be maintained as a reserve; in addition, a sufficient reserve shall be maintained to satisfy debt requirements. A portion of this fund reserve shall be used to fund depreciation and capital improvement needs.

Motor Fuel Tax Fund

A minimum of 25% expenses shall be maintained as a reserve in order to ensure the efficient startup of roadway projects each year.

Capital Improvement Fund

A minimum of 25% of expenses funded from non-debt sources shall be maintained as a reserve. No debt-service costs are located in this fund and therefore no reserve is required for debt service. This 25% reserve shall be used for the startup costs of the current year capital projects in the approved annual budget. Any funds that remain unspent from incomplete capital projects shall be in addition to this 25% level. Any funds that are unspent from projects that were completed under budget shall be included in this 25% level. All projects funded from bond proceeds or other debt issues, shall be tracked along with that debt issue to comply with arbitrage and issuance compliance regulations.

Tax Increment Finance Funds

Fund reserves shall be based on outstanding debt-service requirements or multi-year development incentives established by the City. Reserves shall be designated for the funding of these long-term expenses prior to being released for future capital or development expenses.

Insurance Fund

Health Insurance Reserves should be no less than three months of annual expenses. At least one month of the three month reserve is required to be kept at the Intergovernmental Personal Benefits Cooperative (IPBC). This reserve will be utilized to cover the claims payable cycle cost which is approximately 45 days, and to provide for reserves in the event of major changes in rates/claims experience. Liability Insurance Reserves are not established to fully fund all potential future claims. As such, cash reserves should be set at a minimum of 25% of outstanding claims payable as defined in the prior year audit or twice the current annual self-insured retention coverage level (currently at \$1,250,000).

Fleet Maintenance Fund

Fleet Maintenance Fund Reserves should remain in a positive position with sufficient funds to operate during the year.

Equipment Replacement Fund

Equipment Replacement Fund Reserves should not exceed the amount of accumulated depreciation of the City's fleet as noted in the prior year Annual Audit.

**Total Budgeted Expenditures - All Funds
(Prior to Interfund Transfers)
FY2017 vs. FY2018**

In this summary, the total budgets for all funds are compared with the Amended fund totals for FY17
All budget totals in this summary are gross figures prior to eliminating interfund transfers.

Fund	Fund #	2016 Actual Amount	2017 Amended Budget	2017 Estimated Amount	2018 Adopted Budget	Net Change in Proposed Expenses	Percent Change

**Total Budgeted Expenditures
Adjusted for Interfund Transfers**

This chart presents the gross total for each fund, less interfund transfers.
The results are net expenditures for each fund and for the FY2017 budget.
The total for each fund is compared with that of the approved FY2018 budget.

2018 ADOPTED BUDGET

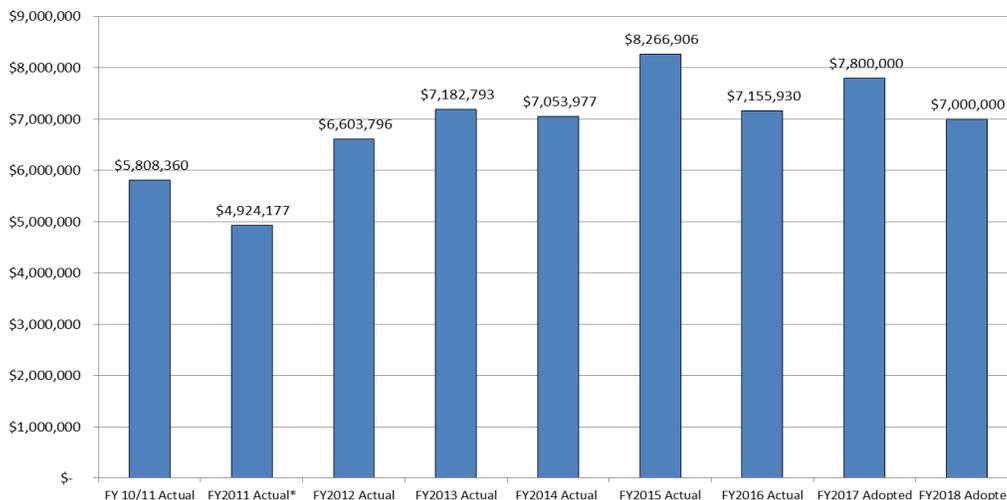

Revenues Sources, Assumptions and Trends

The following is a summary of major revenue sources, trends, and assumptions for the FY 2018 Adopted Budget:

SALES TAXES – The City receives two types of sales taxes – one from the State of Illinois and another from a sales tax imposed through the City’s home-rule status. Both the State tax (retailers’ occupation tax- a.k.a. ROT) and the home rule tax rates are 1%, although the home rule tax is not assessed on “listed” property such as vehicles and most grocery food items and medications.

INCOME TAX – Income tax is a State shared tax that is distributed on a per capita basis and is based on the average income statewide. Based on the year-to-date actual receipts and Illinois Municipal League (IML) estimates, staff anticipates receiving approximately \$7.0 million in income tax revenues. This is mainly contributed to the distribution reduction by the State of Illinois.

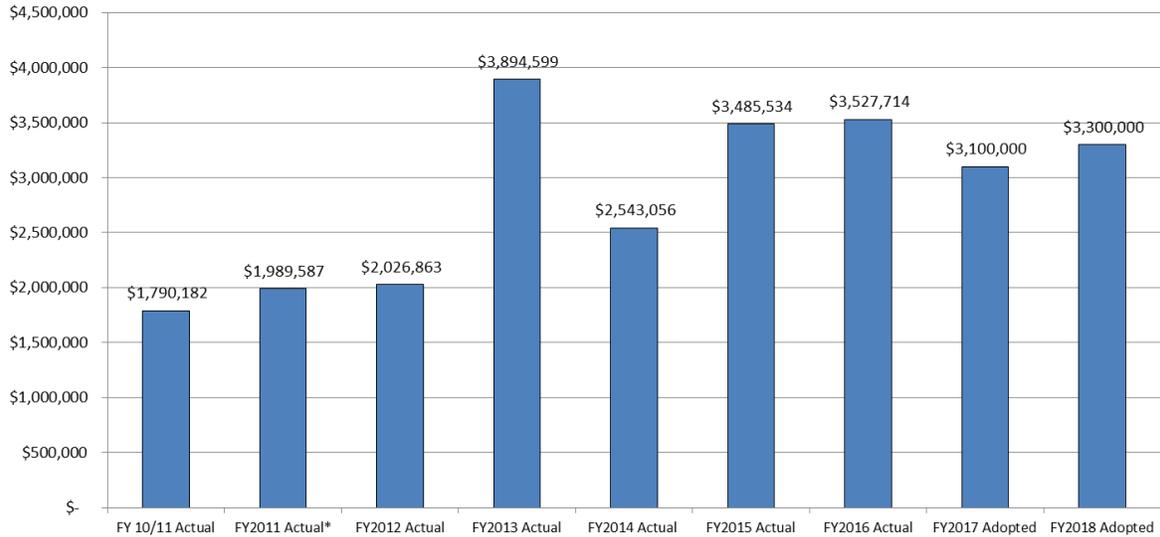

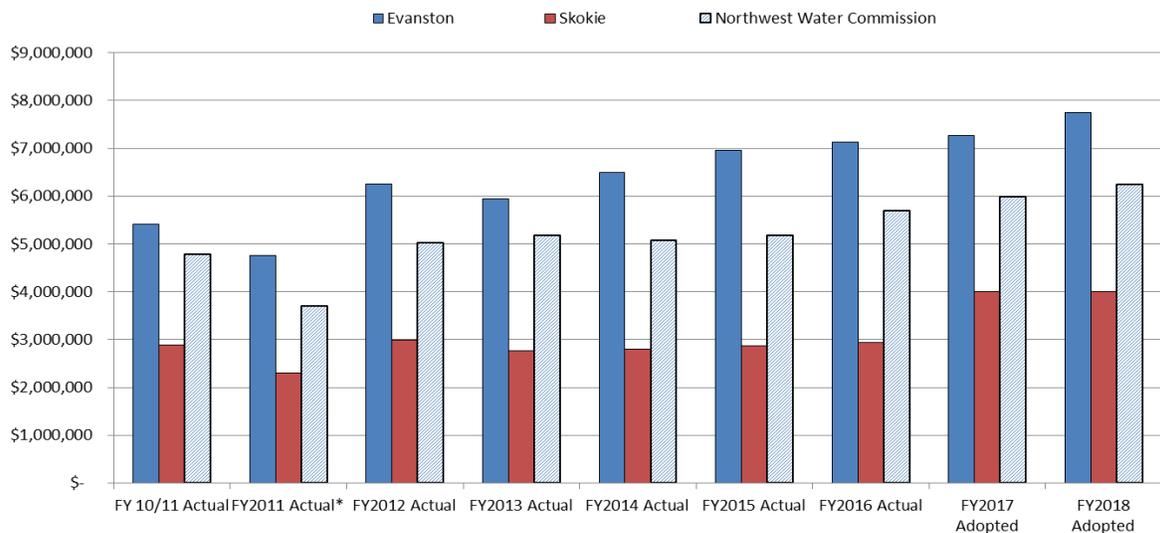

2018 ADOPTED BUDGET

Revenues Sources, Assumptions and Trends

REAL ESTATE TRANSFER TAX – The real estate transfer tax is imposed at \$5 dollars per \$1,000 increment of value on the sale or transfer of real estate in the City less certain exemptions as specified per City code. Real estate transfer tax revenues were budgeted based on year-to-date receipts in conjunction with an analysis of regional real estate sales trends.

WATER REVENUES – Water revenues from Evanston’s water utility customers are expected to remain fairly constant from the prior year. This revenue is almost entirely dependent on water consumption with weather playing a major role, especially during the summer. Evanston water sales in FY2016 saw revenue increases due to sales to the City of Des Plaines.

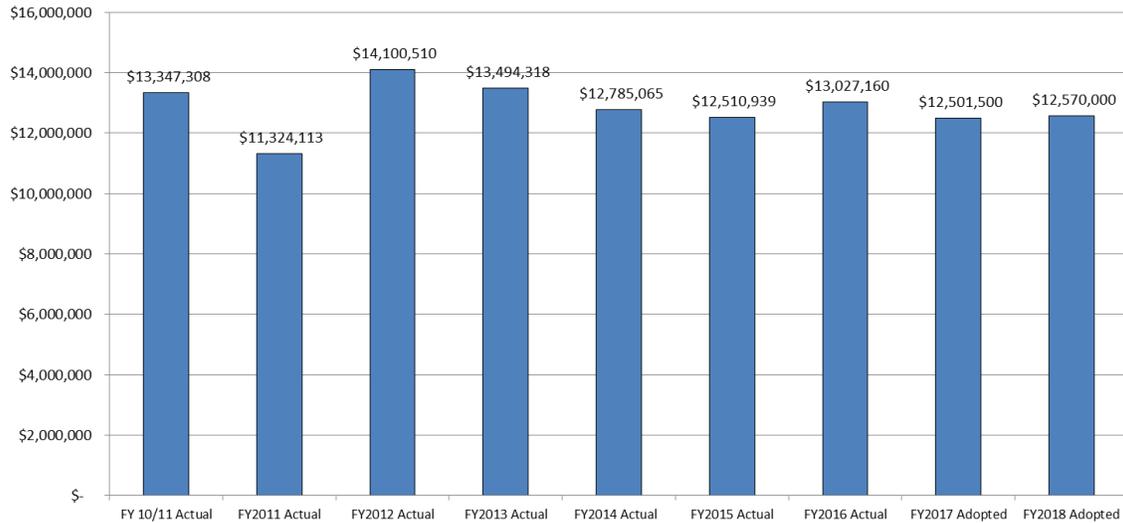

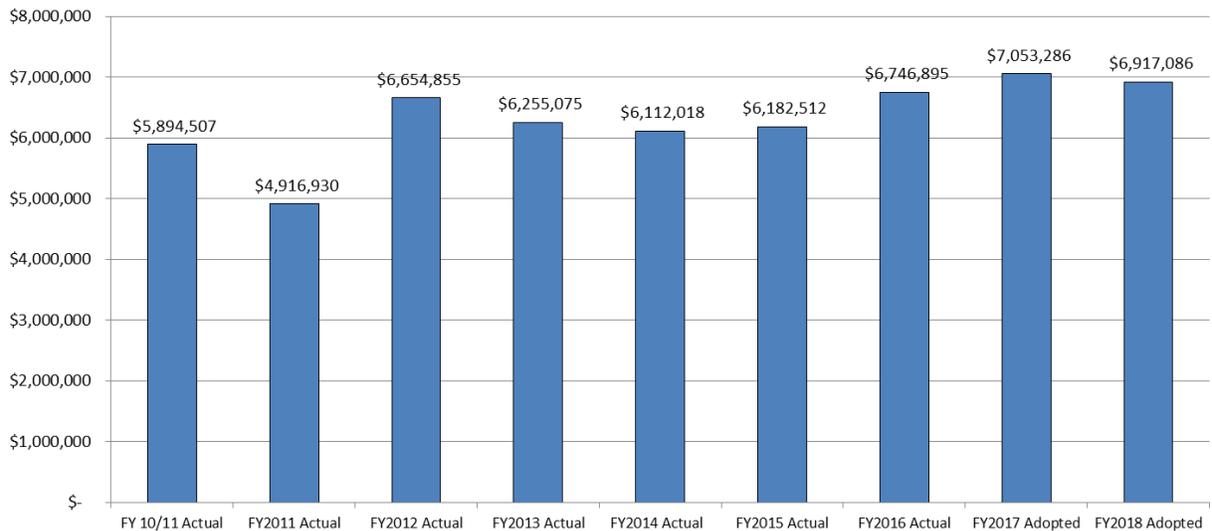

2018 ADOPTED BUDGET

Revenues Sources, Assumptions and Trends

SEWER REVENUES – This revenue is billed based on water consumption and the two revenues often go hand in hand. It is important to note that this revenue, unlike water, is not assessed to those communities outside of Evanston that purchase Evanston water.

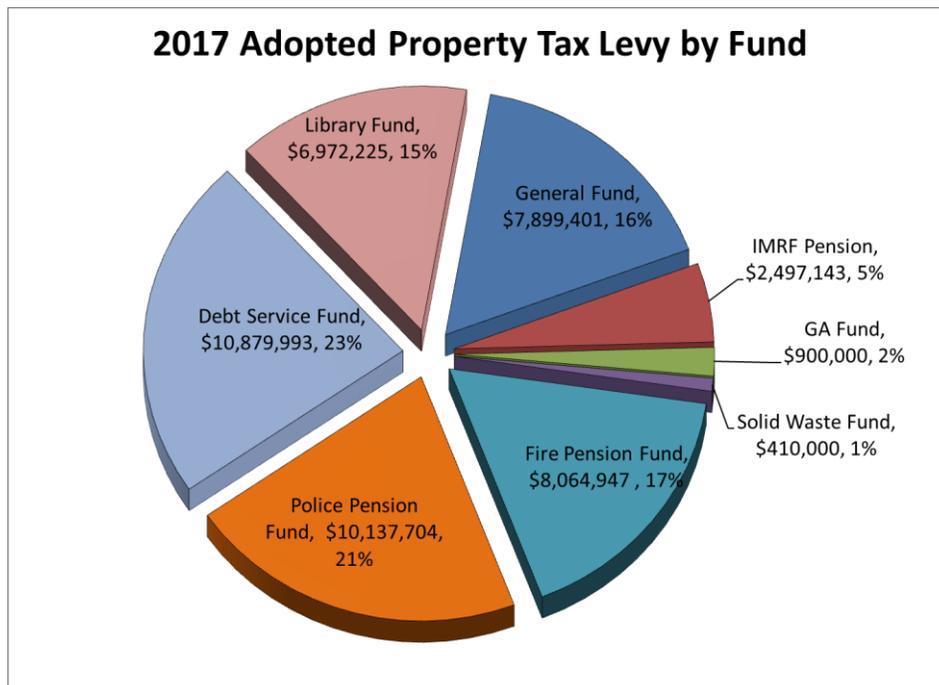

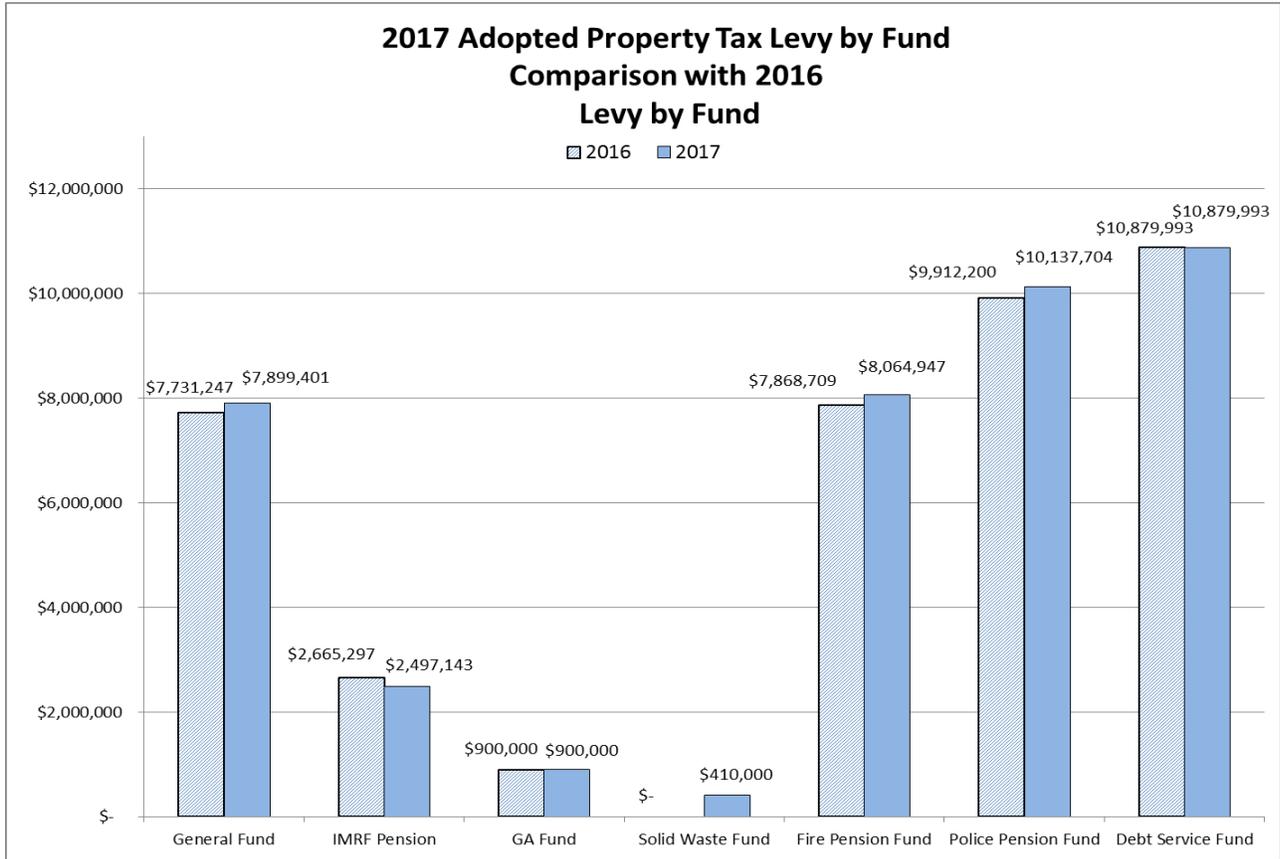

PARKING REVENUES – The City owns and operates parking meters, lots, and three major garages, which combined, will generate an estimated \$6.9 million in revenues in FY 2018.

City Council

The [City Council](#) consists of the Mayor, who is elected at large, and nine aldermen, one elected from each of the nine wards for a term of four years.

The City Council formulates policies to guide the orderly development and administration of the City; determines the use of tax dollars and other funding sources to meet the City's needs; holds public hearings to provide citizens with opportunities to be heard; participates in conferences, forums, and meetings of legislative groups and associations; keeps its constituency informed of City issues and activities through ward meetings and public forums, and responds to citizen requests for services and information.

City Clerk

The [City Clerk](#) records the minutes for the City Council and staffs special Council committees. The Clerk produces official minutes of all Council meetings; maintains the City Code and official City records; serves as the local election official; is the deputy registrar for voter registration; and performs other election-related activities. The City Clerk also assists the Mayor, Aldermen, and staff with special projects and activities and represents the City at various meetings, if requested. The City Clerk shall be the custodian and keeper of all the books, records, ordinances and papers of the City.

City Manager's Office

The City Manager and the staff of the [City Manager's Office](#) develop and analyze public policy alternatives and direct the administration and execution of the policies and goals formulated by the City Council. Responsibilities include: advising the Council on present and future financial, personnel, and program needs; implementing immediate and long-range City priorities; establishing procedures which will assist the City in serving its citizens; and supervising all City departments. Additionally, staff is involved in assisting with large-scale economic development projects, volunteer efforts, program evaluation, environmental sustainability, and policy analysis.

The City Manager's Office coordinates the preparation of the City Council agenda, reviews all items being considered before the governing body, and responds to inquiries from citizens and elected officials. City Manager's Office staff work closely with the public to resolve service delivery problems as well as disseminate information about the City's policies. Staff monitors legislation both in Springfield and Washington D.C. to determine the potential impact on Evanston residents, businesses, and government. The Office also responds to a wide variety of general inquiries.

2018 ADOPTED BUDGET - GENERAL FUND

City Manager's Office

City Council Goal Performance

City Council Goal	Department Initiative
City Facilities	Finish the phase 2 upgrade to City Channel 16. This will result in the output of a true HD signal for streaming, improve broadcast image quality, and reduce staff production time.
Economic Development	Continue efforts to promote and attract "experience-based" businesses and build upon efforts generated through Evanston Explorers, a group that supports businesses that are family-friendly and kid-oriented.
Economic Development City Streets City Facilities	Implementing Managing to Livability effort, the city will select a subset of community scale outcomes from the STAR Rating System to measure, track and report.
Financial Policies and City Debt	Implement a new city-wide Purchasing Card.

2018 Initiatives

- Facilitate greater collaboration between Evanston's business and arts communities.
- Convene two annual meetings with the "Sustain Evanston" network with a focus on incorporating environmental, economic, and social elements into collaborative programs and projects
- Expand the Community Ambassadors Program to include a second cohort.
- Streamline the Boards, Commission and Committee application process.

Law Department

The [Law Department](#) provides all legal services for the City. The Department gives legal advice and counsel to the City Council and standing committees, City Manager, City staff, elected officials, and City boards and commissions. The Department drafts ordinances and resolutions. The Department represents the City in federal and state court, and as necessary, at administrative adjudication hearings. The Department represents the City in all general litigation matters including, but not limited to, general tort litigation, personal injury, property damage, employment discrimination, civil rights, and special assessments. The Department prepares or reviews all contracts, leases, easements and plats, and provides legal counsel regarding public bidding and procurement. The Department assists the Mayor in administering liquor licensing activities in the City.

The Department, through the Insurance Fund, supervises the general liability third-party administration of claims. The Department recommends the purchase of insurance in all areas of exposure including general liability, property, and cyber-liability. The Department reviews safety and risk issues and all third-party matters. The Department administers risk transfer and subrogation programs throughout the City to protect and save taxpayer funds.

City Council Goal Performance

City Council Goal	Department Initiative
Financial Policies and City Debt	Ongoing success in litigation defense and risk transfers to other entities kept City liability at a minimum.
City Facilities	Successfully appealed and reversed incorrect County real estate tax assessments to eliminate tax assessments issued in error for certain City properties and facilities.
Water and Sewer	Worked with City Council, Manager and staff to draft favorable contracts for use with current and prospective wholesale water customers.
Economic Development	Negotiated several development agreements to assist in growing the local tax base.

2018 ADOPTED BUDGET - GENERAL FUND

Law Department

2018 Initiatives

- Work with City Council and staff to secure new economic and community development opportunities
- Continue to work with City Council and staff to negotiate favorable agreements with current and prospective wholesale water customers
- Analyze, evaluate, and implement new risk management strategies, with specific focus upon mitigating workers' compensation claims.

2018 ADOPTED BUDGET - GENERAL FUND

Administrative Services Department

As a means to increase efficiency, the [Administrative Services Department](#) was created in FY 10-11. The Administrative Services Department is comprised of multiple divisions that are organized to serve both internal and external customers. Internal customers are city employees and external customers are the citizens and businesses of Evanston.

Human Resources

The Human Resources Division provides support to the City's most critical assets, its people. The Division is charged with recruiting and hiring quality staff, City-wide training efforts, payroll, benefits administration, workers compensation, safety and compliance associated with government regulations.

Information Technology

As the technology leader and a strategic partner, the City's Information Technology (IT) Division aims to provide excellent technical services and support to City employees, residents, businesses and visitors through sustainable, reliable, secure and efficient infrastructure and communications. Leveraging state-of-the-art tools and applications, innovative methods of improving business processes and furthering strategic partnerships through enhanced user experience are top priorities of the Division.

In addition to supporting the existing hardware and numerous software, on-Premise or Software as a Service (SaaS), the Division provides help desk services, 24/7 technical support, website services, open data portal support, network engineering and project management support for departmental technology projects.

In the quest to become the Most Livable City in America, the Division's IT principles are integrated with the City's Strategic Plan. This alignment has enabled the Division to positively impact the evolving needs of its internal and external customers through progressive partnerships, excellent customer service, continuous improvement, integrity and accountability.

Parking

Parking Services is responsible for Residential Parking Districts and Permits; parking lot permits; disabled person's reserved spaces; parking enforcement; parking meters; and operating and maintaining City garages and lots.

Fleet Services

Fleet Services General Support maintains operating cost records, provides billing and chargeable data to all user City departments, develops vehicle specifications, and purchases vehicular and other equipment. In addition, Fleet Services prepares, documents, and provides disposal of surplus vehicles and equipment through auction services. Overall supervision of department personnel is provided, as is training, direction and coordination of all activities to ensure effective and efficient operations. Key emphasis is placed on reducing down time, which is the amount of time a vehicle or piece of equipment is out of service for repair.

Facilities Management

The Facilities Management Division supports all City departments by providing functional work environment, including power, lights, HVAC and plumbing. Staff completes over 3,000 work orders and provides over 2,000 hours in preventive maintenance annually. They maintain over 2.1 million sq. ft. of property including 1,129 plumbing fixtures; 294 electrical panels; 3,068 exterior lighting fixtures; 2,294 lock sets and 96 drinking fountains, as well as conduct an annual inspection of 89 RPZ's (backflow prevention valves, such as in drinking fountains, to prevent contamination of the City's water supply).

FY 2017 City Council Goal Performance

City Council Goal	Department Initiative
City Facilities	Continue to work with the Sustainability Coordinator to reduce energy consumption in all City-owned buildings throughout the fiscal year through lighting upgrades as well as temperature control efficiencies.
City Facilities	Improve energy management techniques with the use of Building Automation Systems to reduce energy consumption throughout the year in City-owned buildings.
City Facilities	Civic Center Security Improvements

2018 ADOPTED BUDGET - GENERAL FUND

Administrative Services Department

2018 Initiatives

- Continue citywide implementation and roll-out of Google Apps
- Continue to provide personalized division and departmental training to all staff on Google Apps
- Finalize citywide implementation of new timekeeping software
- Further reduce City printing costs by analyzing internal workflow processes and assisting in process improvement
- Continue rollout of online time-off requests
- Continue conversion to electronic timesheets, paperless checks and online benefit enrollment of all eligible employees
- Implement Performance Management System
- Extend progress of citywide Risk Management performance improvement through further integration and training of staff
- Maintain progress of digitizing all personnel files
- Explore turning Facilities Management Division into its own internal service fund
- Work with Finance and Accounting to ensure all related policies and procedures adhere to best practices
- Work with the City Manager’s Office to further incorporate Livability into the administration of the city and continue to make Evanston the “Most Livable City”.

2018 ADOPTED BUDGET - GENERAL FUND

Community Development Department

The [Community Development Department](#) is responsible for the overall administration and execution of all building, planning and zoning activities, managing affordable housing and other related programs funded with federal and local grants targeting lower income residents as well as the City's transportation and mobility initiatives. The overarching activities of the Community Development Department are strategically aligned with the City Council goals and supporting the City's mission to become the most livable City. The department primarily serves external customers including: residents, developers, businesses, contractors, architects and local non-profit agencies.

Building and Inspection Services Division

The mission of the Building and Inspection Services Division is to promote a sustainable, safe and high-quality environment for the residents, workers and visitors of Evanston. The division is committed to providing quality service in a comprehensive, effective, knowledgeable and friendly manner.

The division is responsible for providing the following services:

- Review and approve building documents for commercial and residential projects.
- Issue building permits and inspect permitted work for compliance with approved documents.
- Review and issue business licenses.
- Oversee review and issuance of elevator permits and semi-annual inspections of conveyance systems within the City.
- Review and issue sign permits and manage required annual inspection of all signs within the City.
- Remove graffiti tags from public right of way and private properties.
- Assist low to moderate-income homeowners with financial and technical assistance in the rehabilitation of their homes.
- Staff the Sign Review and Appeals Board.

Housing and Grants Division

The Housing and Grants Division engages in a number of strategies to maintain and enhance living conditions for low and moderate-income residents. A number of programs are designed to promote affordable rental and ownership housing as well as other needed services.

The division is responsible for providing the following services:

- Manage grant programs of over \$3 million, including Federal Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG), City Affordable Housing Fund and Mental Health Board funds, to address the needs of at-risk and economically disadvantaged residents.
- Ensure compliance with funding requirements of 40-50 programs and projects annually.
- Conduct research and develop policies on housing-related issues, work with housing developers to maintain and expand affordable housing to maintain economic and racial diversity, and improve sustainability.
- Staff the Housing and Community Development Act Committee, Housing and Homelessness Commission and Mental Health Board.

Planning and Zoning Division

The Planning and Zoning Division is tasked with providing oversight and guidance on sustaining the architectural vitality of City neighborhoods by aiding in the restoration, rehabilitation and conservation of historic buildings and districts as well as encouraging new and contemporary developments that

2018 ADOPTED BUDGET - GENERAL FUND

Community Development Department

complement existing neighborhoods and enhance the economic vitality of the City. The division is responsible for providing the following services:

- Administration of the Zoning and Historic Preservation Ordinances.
- Administration and review of map amendments, text amendments, special use permits and applications for relief (variations) from the Zoning Ordinance.
- Coordinate interdepartmental review and land-use entitlement process for large scale developments (Planned Developments).
- Lead neighborhood area plans and city-wide comprehensive plan efforts to guide future long-term growth and development across the City.
- Staff Design and Project Review (DAPR) Committee, Historic Preservation Commission, Plan Commission, Zoning Board of Appeals and Zoning Committee of the Plan Commission.

Transportation and Mobility Function

The Transportation and Mobility Function coordinates City-wide transportation goals and programs that improve accessibility, mobility and connectivity. The work function also assists in the delivery of transportation infrastructure projects and on-going policy work outlined in the City's Multi-Modal Transportation and Bike Plans.

Staff is responsible for providing the following services:

- Conduct research and develop policies on emerging new mobility sectors and applications.
- Manage first/last mile programs, including the Transit Planning 4 All grant project and the Divvy Bike Share program.
- Develop long-term policy and programming objectives, and coordinate improvement projects with the City's transit providers.
- Coordinate the implementation of the updated Complete & Green Streets Policy through regular reporting, and the development of new multi-modal transportation and transportation demand management tools.
- Improve local transportation services by working with developers to enhance non-motorized and transit connections and amenities through development proposals.
- Staff the Transportation & Parking Committee and the Bike Technical Advisory Committee.

City Council Goals

City Council Goal	Department Initiative
Economic Development	Processed applications for two large-scale Planned Developments: 831 Emerson Street and 1450-1508 Sherman Ave.
Economic Development	Administered approval of 13 new (including substitution of existing) special uses for new businesses.
Economic Development	Completed study and processed a text amendment for the reduction of multi-family residential parking requirements in Transit Oriented Development areas.
City Streets	Community Development staff served on Steering Committees for two major CIP projects: Sheridan Road and Howard Street Improvements.
City Streets	Community Development staff served on Bike TAC, expanded the Divvy project up to 11 stations and 110 bikes, and assisted with other Bike Plan infrastructure implementation efforts such as bike parking improvements.
City Streets	Continued to maintain and improve the physical appearance of our City Streets by addressing graffiti tags on public right of ways in an efficient manner and making the City a more desirable place to live and work.
City Streets	Researched best practices on new mobility policies and assisted in updating the City's Code to reflect current transportation demands and systems, including complete & green streets and transportation demand management approaches.
Financial Policies and City Debt	Developed and promoted use of online permit application for submittal and payment.
Services for At-Risk Families	Rehabbed multiple dwelling units in single- and multi-family properties to maintain safe, sanitary, affordable housing for low and moderate-income residents.
Services for At-Risk Families	Continued the Tenant Based Rental Assistance (TBRA) program for homeless families with children that provides stable housing while the head(s) of household work to achieve economic independence.
Services for At-Risk Families	Integrated and streamlined the grant application and management process for Community Development Block Grant and Mental Health Board programs to improve efficiencies for the City, reduced compliance requirements for grantees and achieved stronger outcomes.

2018 ADOPTED BUDGET - GENERAL FUND

Community Development Department

2018 Initiatives

Promoting neighborhood revitalization, ensuring a safe built environment and affordable housing and providing first-last mile transportation connections will continue to be major priorities of the Community Development Department. Specific actions to achieve these priorities include:

Building and Inspection Services Division

- Continue to utilize Accela for all building permit submittal documents with focus on better management of large documents (building plans).
- Fulfill Office of Emergency Preparedness requirements for Community Development staff including staffing and training of Crisis Management Team members.
- Continue to update Building Division checklists, worksheets and project information guides.
- Fulfill Community Development responsibilities in the implementation of the City's Energy Benchmarking Ordinance to include development of covered building list; creation of correspondence material and tracking compliance.
- Increase on-line permitting opportunities and develop an implementation schedule for Electronic Document Review.

Housing and Grants Division

- Continue to focus on substantial rehab of affordable rental and ownership housing units to maintain safe, sanitary and affordable housing. Projects that correct code violations, address life safety issues, improve accessibility, include energy and water efficient features to reduce operating costs, and increase sustainability will be prioritized.
- Continue to manage grant-funded programs and projects to ensure timely completion and compliance with all federal and local requirements, including affordability restrictions for housing units.

Planning and Zoning Division

- Continue working with Economic Development Division to provide timely and early zoning information to new businesses wishing to locate in Evanston.
- Complete the Survey of Historic Landmark Inventory outside of existing historic districts to improve resident awareness of historic landmarks and enhance historic preservation within the community.
- Process review of several large-scale Projects and Planned Developments currently planned: 601 Davis Street, 1007 Church Street, 128-130 Chicago Avenue, 1714-1718 Chicago Avenue, 1700 Block of Sherman Avenue/Northlight Theater Tower.
- Evaluate and revise sign regulations to improve community aesthetics and provide options for economic development.
- Continue to review and propose amendments to the Zoning Ordinance to improve approval of private projects and facilitate the type of land uses and development that increase Evanston livability.

Transportation and Mobility Function

- Partner with the City's transit providers to invest in a strong public transit service core with connected first/last mile solutions.
- Continue to improve connections and expand options for addressing first/last mile networks to transit for all community members: Divvy bike share, rapid transit, and on-demand services.

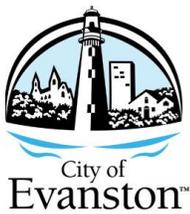

2018 ADOPTED BUDGET - GENERAL FUND

Community Development Department

- Assist the Planning and Zoning Division in securing the full potential for new development proposals' improvements to the non-motorized and transit networks.
- Integrate mobility and transportation initiatives into existing and new community events, including community rides and tabling events.
- Work across transportation and transit agencies within Evanston to maintain and grow a reliable, safe, accessible, and active transportation network.

Community Development will continue to provide staff support and improve processes for the following boards, commissions and committees:

- Age Friendly Evanston Task Force
- Design and Project Review (DAPR)
- Housing and Community Development Act Committee
- Housing, Homelessness, and Human Rights Commission
- Mental Health Board
- Plan Commission
 - Zoning Committee of the Plan Commission
 - Comprehensive Plan Committee of the Plan Commission
 - Rules Committee of the Plan Commission
- Planning and Development Committee
- Preservation Commission
- Transportation & Parking Committee
- Zoning Board of Appeals

Police Department

The [Evanston Police Department](#) is committed to the protection of life and property. With a staff of 166 sworn officers and 58 civilian personnel, the emphasis is on delivering a public service in harmony with the values and expectations of the community. This is accomplished through the three divisions of the Police Department: Field Operations Division, Support Services Division; and Investigative Services Division.

Field Operations Division

Headed by a Deputy Chief, this division is comprised of three patrol divisions of uniformed officers who respond to calls for service and proactively patrol the community. This Division also includes the Department's K9 unit, Traffic Division and its Community Strategy Division (Problem-Solving Team and Foot Patrol Unit).

Support Services Division

Charged with the oversight of the internal workings of the Police Department, the Deputy Chief of this Division oversees the Office of Administration, Records Bureau, the Communications Division (9-1-1 Call Center) and the Support Services Division (Service Desk and 3-1-1 Call Center).

Investigative Services Division

Responsible for the investigation and follow-up of major crimes and incidents, this unit is comprised of the Juvenile Detective Division as well as the Investigative Services Division. Headed by a Deputy Chief, this unit includes the Neighborhood Enforcement Team (NET) and the department's TAC unit, which is responsible for a variety of tactical response operations. In addition, Victim Services and Youth Services provide services to the community.

2018 Initiatives

- Develop a body-worn- camera program in conjunction with Northwestern University as a preamble to implementation of body cameras for Evanston police officers.
- Research the transition to the STARCOM radio system from the current UHF T-Band frequency.
- Update in-car camera system.
- Implement system for in-car printing and electronic submission of citations

*In 2017 there was a computer aided dispatch/record management system upgrade that more effectively captured activity.

**Written reports include incident, crash and arrest reports.

Fire Department

The [Fire Department](#) exists 24 hours of every day to protect life, property, and the environment. The Department provides superior quality fire suppression, emergency medical services, fire prevention, public education, technical rescue, and non-emergency and support services to prevent or minimize situations that affect Evanston residents, businesses, and visitors. The community service is provided through four divisions: Fire Administration and Support, Fire Prevention, Fire Suppression, and Emergency Preparedness.

The Fire Administration and Support Division provides direction, policy, leadership, and management for moving the organization toward achieving its mission. The Fire Prevention Division provides plan review, business and mercantile safety assistance, code enforcement, and investigation. The 101 members assigned to the Suppression Division deliver first response to all emergencies and situations that require prompt attention on a twenty-four hour a day basis. The members of the Suppression Division staff five fire stations, which house five fire engines, two aerial ladder trucks, three ambulances, and a Shift Chief. The Emergency Preparedness Division in cooperation with all City Departments coordinates the disaster preparation, mitigation, and recovery plans and efforts of the City. The Emergency Preparedness Division integrates the City's plans with the County and State Emergency Preparedness Agencies.

City Council 2017 Goal Performance

City Council Goal	Department Initiative
City Facilities	Department will implement a video conferencing system
City Facilities	CERT members volunteered to assist at City sponsored events
Economic Development	Department members presented a successful Citizens Fire Academy
Services for at-risk families	Fire Explorer Program is continuing to be led by Department members

Fire Department

2017 Initiatives Update

The Fire Department, in cooperation with Human Resources executed promotional exams and eligibility lists for the positions of Shift Chief and Captain. The Department has been able to offer advanced certification to all paramedics in Advanced Cardiac Life Support. In cooperation with the Emergency Telecommunications Center, the Department implemented an upgraded Computer Aided Dispatch System, Fire Incident Reporting System and Emergency Pre-Planning mapping software.

Fire and life safety education programs were expanded to all primary school children (K-5th grade) in the City. The community engagement programs, Fire Explorer, Citizen CPR, and the ETHS Public Safety Program were successfully offered. The Department's strategic plan continues to be implemented including a community walkthrough of the plan.

2018 Initiatives

- In cooperation with Human Resources, the Department will conduct expanded recruitment and new hire testing for the purpose of creating an eligibility list for new hiring.
- In cooperation with Northwestern University work on a cooperative agreement for a shared Emergency Operations Center will be initiated.
- Emergency Management will continue working with City Departments on enhanced emergency preparedness and NIMS compliance while aiding the business community to prepare for continuity of their operations in the event of a disaster.
- All members will be offered the opportunity to complete Incident Safety Officer and Pediatric Advanced Life Support (PALS) certification.
- In cooperation with Information Technology, the Department will implement an upgraded Emergency Patient Care Reporting (ePCR) system.
- The community engagement programs, Fire Explorer, ETHS Public Safety, Citizen CPR, and Citizen Fire Academy will be offered through our Department members.
- The Department will continue its Strategic Plan implementation.

Health & Human Services Department

The [Health and Human Services Department's](#) mission is to protect, preserve, and promote wellness for people who live, work, and play in Evanston through creative and sustainable partnerships. The Department is a leader in improving the health and well-being of Evanston. The Health and Human Services Department's deliverables are based on the idea that health is influenced by more than just individual choices. One's physical and psychosocial environment, culture, and government all play a role in influencing and determining overall health. Healthy outcomes are integrated in a comprehensive approach to bring health, well-being, and equity considerations into the development and implementation of policies, programs, and services of traditionally non-health related government systems or agencies.

With the Department's food, environmental, property maintenance, emergency preparedness and communicable disease monitoring activities as well as through the addition of General Assistance and Emergency Assistance programs, the Health and Human Services Department is an active force in supporting the health and well-being of Evanston's residents. The Health and Human Services Department is responsible for operating programs that prevent infectious and chronic diseases, promote food safety, and assure quality health care.

The Department is focused on eliminating the social inequities in health between different racial and cultural groups, giving families a healthy start in life, and adopting health reforms that focus on prevention as a better integration of medical care, public health and other needed services. We partner with our community stakeholders to build a culture of health, enabling all in our diverse society to lead healthier lives now and for generations to come.

Health & Human Services Department

Council Goal Performance

City Council Goal	Department Initiative
Services for At-Risk Families	The Department continues with the integration of the General Assistance and Emergency Assistance programs, which were formerly housed in the Township of Evanston.
Services for At-Risk Families	The Department in collaboration with Parks Recreation and Community Services (Dental Access Days), by providing adult dental services over a two-day period.
Services for At-Risk Families	The Department continues to strengthen outreach to HIV-positive individuals to help connect them with needed medical care
Services for At-Risk Families	The Health and Human Services Department is an active partner in the Safe and Healthy Homes Committee, a cross-departmental effort, which addresses emergency housing needs
Services for At-Risk Families	The Department hosted 2 Town Hall Meetings on Unnatural Causes: Inequity is making us Sick. The goal was to raise the profile of health inequities in our community.
Services for At-Risk Families	The Department hosts General Educational and Adult Basic Education courses improving literacy for community residents.
Services for At-Risk Families	The Department provides human services to at risk residents assisting in creating stability in housing, finances and navigating complex systems.

2017 Accomplishments

Technology

- Create electronic application for General and Emergency assistance
- Established a Universal Tracking system for all At-risk Groups-Apricot

Services for At-Risk Families

- Convener of the Hoarding Taskforce
- Established “Rent” Landlord/Tenant Educational Awareness Campaign

Partnerships

- Erie Family Health Center
- School Based Health Center
- NorthShore University Health Systems “Rethink Your Drink 2.0” Public Health Campaign
- District 202 “Get Yourself Tested”
- District 65 Passive Surveillance School Absenteeism program
- Hosted 2nd Men’s Health Fair

2018 Initiatives

Advancing Health Equity by engaging new allies in the Health Equity Movement through policy, systems and environmental change.

- Develop a comprehensive Mental Health resource and referral guide to share with city departments and community Mental Health partners and continue to update annually.
- Work with the Evanston Mental Health Board and other community partners to develop a method for measuring ratio of Evanston population to Mental Health Providers.
- Partner with Presence St. Francis Hospital to offer quarterly Mental Health First Aid training to all city employees, seeking participation from all City of Evanston departments.
- 3 community educational seminars on hoarding and create an Evanston hoarding support group, holding regular meetings for Evanston residents.

2018 ADOPTED BUDGET - GENERAL FUND

Health & Human Services Department

- Expand Women Out Walking to We're Out Walking (including men and women) and increase program participation by 50% from 2016 baseline of 514 participants.
- Incorporate a bicycling curriculum into all Evanston District 65 Elementary and Middle Schools and work with the Evanston Police Department to hold 2 targeted enforcement campaigns per year at intersections.
- Expand the Rethink Your Drink Campaign by conducting the "Sugar Show" for all city staff, 10 Evanston businesses, and 10 nonprofit organizations.
- Create a tool to screen for early violence exposure and establish baseline information for youth exposure to violence and trauma.

Parks, Recreation and Community Services Department

The [Parks, Recreation and Community Services Department](#) provides a wide range of services that improve the quality of life of those who live, work or play in Evanston. The department supports the following:

Parks, Recreation

Over 70 parks sites, three recreation centers, sports, after school and preschool programs, camps, recreation programs, special recreation programs for people with special needs, six beaches/boat ramps.

Community Services

Opportunities for youth and young adults through strengthening existing youth services, establishing a network of service partnerships, creating marketable job training and placement and increasing opportunities for social and recreational outlets for disengaged youth. Senior Services: Operate the Levy Senior Center, as well as providing various programs and services for the growing senior population.

Cultural Arts

Ethnic Arts and Lakeshore Arts Festival, camps, arts programs, free Starlight Concert Series and Starlight Movie Series, and Noyes Theater.

Ecology

Natural history and environmental programs, camps, community gardens, fishing and canoeing instruction.

Special Events

Coordination of Citywide Special Events (sponsored by the City and other groups).

Parks, Recreation and Community Services Department

City Council Goal Performance

City Council Goal	Department Initiative
Services for At-Risk Families	The mobile produce program provided food for approximately 325 individuals/families each month at the Robert Crown Center. Staff is researching the possibility of adding a new site in 2018.
Services for At-Risk Families	The Recreation department provides numerous camp and program scholarships to income qualified individuals throughout the year, 2017 is on track to provide \$190,000 in scholarships to Evanston families at or below the 130% poverty level.
Services for At-Risk Families	The Mayor’s Summer Youth Employment Program has set a goal of employing 650 youth in Evanston.
Services for At-Risk Families	In response to community demand to continue efforts in violence reduction, the outreach division will remain fully staffed.

2018 Initiatives

Recreation, Ecology, Arts and Community Services Division:

- Begin to assess current programs at all facilities to provide specificity in determining the effectiveness of programs and develop a recreation program plan which will guide direction for current and future programs.
- Enhance and diversify Special Recreation division programs by fall 2018 in order to better meet the needs and interests of participants. Programs will include a mix of athletic, social, arts, ecology and trips.
- By summer 2018, the Lakefront staff will have applied to become a United States Lifeguard Association certifying agency, which allows us to provide our lifeguards the most quality certification for working in an open water surf environment.
- Improve out of school programming for youth on school half days and holidays.
- Develop a Senior Citizens Theatre Summer Camp with Levy Center members by May 2018.
- Partner with the Levy Senior Center Foundation to conduct a “Happy Hour” Concert Series at the Levy Center by September 2018
- Provide more pickleball sport opportunities by working with the pickleball community to grow the sport by June 2018.
- Partner with Evanston Township High School and the Youth Job Center of Evanston to host the 2018 Mayor's Summer Youth Employment Program Annual Job Fair for 14 to 18 year olds. Host young adult 18 to 25 year old job fair with the Youth Job Center of Evanston.
- Secure corporate and business sponsorship for the MSYEP Annual Job Fair by March 2018.
- Establish public Youth and Young Adult Division success board that highlights youth and young adult client achievements and successes.
- Establish a Youth and Young Adult Kingian Nonviolence Summer Leadership Academy as part of the MSYEP.
- Establish joint ventures that help local residents to obtain local union sponsorships for skilled trades opportunities.
- Establish and implement seasonal youth and young adult peace and reconciliation campaigns.

2018 ADOPTED BUDGET - GENERAL FUND

Parks, Recreation and Community Services Department

- Establish data sharing with District's 65 and 202 to support homeless youth and young adults with housing and safety plans.
- Develop and implement educational public and school programs for the apiary by Fall 2018
- Continue partnership with NU's Arts Circle, Northwestern Libraries and Science in Society to expand opportunities for Evanston youth and families
- Introduce first adult Co-ed Flag Football league for the summer of 2018 at Foster Field.

2018 ADOPTED BUDGET - GENERAL FUND

Public Works Agency

The [Public Works Agency](#) consists of four individual Bureaus: Water Production, Environmental Services, Capital Planning & Engineering, and Infrastructure and Maintenance. Each of these Bureaus has a number of functions. The Agency includes General Fund funds as well as Solid Waste, Parking, Sewer, and Water Funds.

The Water Production Bureau oversees the operation and maintenance of the water treatment plant and the storage facilities in the Evanston distribution system. Potable water is provided to the retail customers in Evanston, as well as two wholesale water customers, the Village of Skokie and the Northwest Water Commission (Arlington Heights, Buffalo Grove, Palatine, Wheeling, and Des Plaines). A new water supply agreement has been executed with Morton Grove & Niles. Water delivery is anticipated to begin in late 2018.

The Environmental Services Bureau consists of three Divisions. The Greenways Division maintains the landscapes at all City owned facilities, parks and athletic fields. The Forestry Division maintains the City's urban forest including the trimming of trees, inoculating elm trees, removal of diseased / dying trees and planting of new trees. The Recycling and Environmental Service Division collects and disposes of recycling materials and bulk materials (special pickups), performs maintenance in smaller business districts and performs street sweeping throughout the City.

The Capital Planning & Engineering Bureau is responsible for implementing the citywide capital improvement program. This includes the planning, design and construction of projects to rehabilitate or otherwise improve physical city assets, including (but not limited to) streets, water main, sewer, bridges, sidewalks, facilities, parks, and the water treatment plant.

The Infrastructure and Maintenance Bureau consists of four Divisions. The Traffic Division performs maintenance on all City traffic signs, traffic signals, street lights and parking lot lights. The Street Division is responsible of the patching of the paved streets and alleys, grading of unimproved alleys, leaf collection and leads the snow removal effort. The Distribution Division performs maintenance on the water distribution system including water mains, water services, fire hydrants, and valves. The Sewer Division performs maintenance on the City's sewer system including the cleaning and repair of sewer pipes, manholes and drainage structures.

City Council Goal Performance

City Council Goal	Department Initiative
City Facilities	Completed the design of the Fountain Square Design
City Streets	Completed the 50/50 Sidewalk Replacement Program
City Streets	Completed the Citywide Traffic Calming Program
City Streets	Constructed the Emerson-Ridge-Green Bay Improvements
City Streets	Completed the MFT Street Resurfacing Project
City Streets	Completed the Street Patching, Crack Sealing and Pavement Marking Programs

2018 Initiatives

- Complete design and installation of the meter vault at the point of delivery for the Morton Grove / Niles water supply
- Complete the design of the Howard Streetscape Improvements project
- MFT Street Resurfacing Program
- Citywide Street Patching fixing 27,000 square yards of pavement, Crack Sealing program completing 10 streets, and Pavement Marking program completing the 2018 area.
- Sheridan Road / Chicago Avenue Improvement Construction
- Fleetwood Jourdain Community Center HVAC / Electrical Improvements
- Continue efforts to remove dead and dying Ash trees infested with Emerald Ash Borers before they become hazardous. Staff will utilize an outside contractor to speed up the replacement tree plantings to try and shorten the overall wait for residents to receive new parkway trees after the removals.
- Continue fundraising efforts begun in 2013 to increase the number of trees being planted on City parkways to help offset the additional losses due to EAB

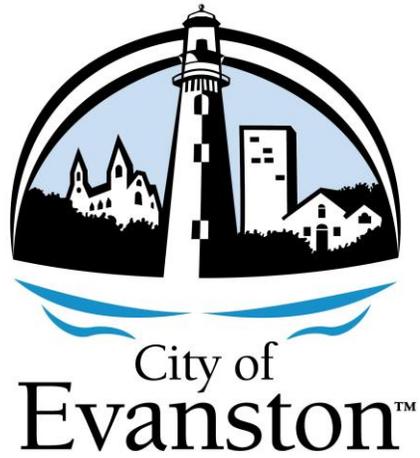

2018 ADOPTED BUDGET - GENERAL FUND

Public Works Agency

Ongoing Activity Measures	2016 Actual	2017 Estimated	2018 Projected
In-house design of CIP infrastructure projects	22	26	25
Miles of streets resurfaced – primary routes	1.9	1.7	1.2
Miles of streets resurfaced – residential streets	1.1	1.9	2.0
Miles of streets plowed/season	725	750	1,450
Miles of streets salted/season	2,250	2,175	4,200

2018 ADOPTED BUDGET - OTHER FUNDS

#175 – General Assistance

Fund Description

The General Assistance Program is mandated by the State of Illinois, is administered by the City of Evanston and supported by Evanston tax revenues. The program provides assistance (up to \$875 monthly) to Evanston residents who are not eligible for other forms of state or federal financial assistance and do not have resources to support their basic needs. The goals of the General Assistance Program are to assist individuals and prepare them to become employment-ready through resources available in the General Assistance program as well as through programs administered by other City departments. Services will be delivered through a comprehensive system of care, which emphasizes identifying the most appropriate, least restrictive setting to promote the highest level of functioning. General Assistance staff members are committed to:

- Deliver services professionally and treat all clients with dignity and respect
- Manage business operations effectively and efficiently
- Promote accountability, transparency, and equity in all program services

The Emergency Assistance Services Program is administered through the General Assistance Program and is available to all City of Evanston residents who meet income and asset guidelines as established by the General Assistance Office. The Emergency Assistance Program is operated and funded by the General Assistance Program and is provided according to adopted and written standards set forth by the General Assistance Program. Emergency Assistance benefits can only be issued once in a 12-month period and must meet the definition of an emergency or life-threatening situation, such as imminent eviction, utility disconnection, and or food insecurities.

#176 – Human Services

Fund Description

The Human Services Fund was created to protect Evanston's most vulnerable residents and to provide individuals and families with access to services that promote self-sufficiency and address mental well-being. This also includes crisis intervention services and the community action program. Crisis intervention needs are currently being addressed through an agreement with Presence Behavioral Health to offer clinical 24-hour crisis services. The Community Action Program supports community initiatives to provide needed opportunities for at-risk families, veterans, and vulnerable populations.

2017 Accomplishments

- Served the needs of financially distressed residents
- Provide short- and long-term case management
- Improved financial and health literacy for 30 residents
- Provided central case management and referral services via Apricot

#186 – Library Debt Service

Fund Description

The Library Debt Fund was created to repay the outstanding debt obligation associated with the financing of the Evanston Public Library Main Branch. This fund accounts for the debt service costs associated with Library debt issuance to fund capital projects. Revenues for this fund come from the Library’s tax levy, and expenses are paid to the City as a part of the annual payment of all outstanding bonds.

#187 – Library Capital Fund

Fund Description

This fund accounts for all of the library’s capital outlay expenditures not financed by annual operations or maintenance. Projects funded from Fund 187 are included in the City’s Capital Improvement Plan. They are developed as part of a multi-year long-term program to construct, rehabilitate or otherwise improve the library’s assets.

#195 – Neighborhood Stabilization Program 2

Fund Description

The Neighborhood Stabilization Program 2 (NSP2) was funded by the American Recovery and Reinvestment Act of 2009 to stabilize neighborhoods that have been negatively impacted by high numbers of foreclosed and vacant homes.

Evanston's NSP2 proposal includes two strategies to stabilize neighborhoods in two Census tracts, 8092 and 8102:

- The acquisition, rehabilitation, and re-occupancy of 100 units of foreclosed or abandoned housing.
- The redevelopment of two blighted parcels of vacant land in West Evanston into new housing consistent with the West Evanston Master Plan.

All housing units rehabbed or developed with NSP2 funds are rented or sold to households with incomes at or below 120% of the area median income (AMI); 25% of total grant funds have been used to benefit households with incomes at or below 50% AMI, as required by the Department of Housing and Urban Development (HUD). Disposition of two remaining properties will be determined within ten years following grant closeout, which is expected to be complete by July 2018. Remaining NSP2 program income will be used to maintain land banked properties and for required compliance.

Financial Summary

#200 – Motor Fuel Tax

Fund Description

The Motor Fuel Tax Funds are authorized by the Illinois Department of Transportation and are appropriated as part of the City's share of the gasoline tax. Funding is used for capital improvements involving street maintenance, street resurfacing, and signal upgrade projects. The Motor Fuel Tax funds are also used for operations and maintenance activities such as street cleaning, street sweeping, and snow removal operations.

#205 – Emergency Telephone System

Fund Description

In accordance with Illinois Public Act 85-978, the City of Evanston enacted Ordinance 133-O-90 by referendum in December of 1990. The purpose of the Ordinance was to establish an Enhanced 9-1-1 system. Per the legislature, an Emergency Telephone System Board (ETSB) was established. The function of the ETSB is to design and implement an enhanced 9-1-1 system for the City of Evanston and monitor the system once in place.

#210 – Special Service Area 4

Fund Description

Special Service Area 4 (SSA4) was established to provide certain public services to supplement services currently or customarily provided by the City to the Area, the promotion and advertisement of the Area in order to attract businesses and consumers to the Area, and provide any other public services to the Area which the City may deem appropriate from time to time. Special services, as they apply to SSA4, include maintenance of public improvements (e.g. landscaping) together with any such other further services necessary to the accomplishment of the improvement. SSA4 is managed by Downtown Evanston (formerly EvMark), an Illinois not-for-profit corporation.

#215 – Community Development Block Grant

Fund Description

The City is a federal entitlement community and receives Community Development Block Grant funds annually to address the needs of low- and moderate-income residents. Statutory program goals are to provide decent housing, a suitable living environment, and economic opportunity primarily for residents whose incomes do not exceed 80% of the area median income.

2018 Initiatives

- Focus CDBG funding on City capital projects in primarily low/moderate income neighborhoods that otherwise would not be undertaken due to limited funding for capital projects.
- Begin work on the new Cook County regional Assessment of Fair Housing required for the 2020-2024 Consolidated Plan, working with Cook County, CMAP, the Housing Authority of Cook County, and other entitlement communities.
- Expand the reach of the CDBG Housing Rehab program to address code and life safety violations, and make accessibility improvements in owner-occupied and rental housing for low/moderate income residents, in coordination with the Handyman Program, Rebuilding Together, and other programs for greatest impact and efficiencies.

Performance Report on FY 2017 Major Program Objectives

Despite the latest receipt of our CDBG grant funding in the past 11 years, the 2017 CDBG program:

- Completed two major public improvement projects: paving of an unimproved alley using permeable pavers and resurfacing residential streets in low-income neighborhoods.
- Worked with Ridgeville Park District to renovate Brummel Park, an important amenity in south Evanston.
- Provided business loans for two new businesses opening on Howard Street as part of the revitalization of that important business/commercial corridor.
- Provided needed public services to at-risk low/moderate income residents through 16 different programs, including after school programs, job training and placement, home-delivered meals for seniors and people with disabilities, domestic violence programs, Summer Youth Employment and the Certificate of Rehab program that enables residents with criminal backgrounds to be eligible for a wide range of jobs that are otherwise not open to them.

#220 – Community Development Block Grant Loan

Fund Description

The CDBG Loan Fund is a revolving loan fund. Its purpose is to provide 0-3% interest loans that may be deferred or amortizing to rehab income eligible one- and two-unit owner-occupied residential properties and multi-family rental properties that are occupied by income-eligible households under HUD regulations. It also funds deferred loans for income-eligible homeowners to demolish unsafe garages and dangerous trees. Funds are prioritized for properties with code violations, as well as for energy efficiency and accessibility. This fund was established with HUD approval using Community Development Block Grant funds. Principal and interest payments from loans are returned to the Revolving Loan Fund and are used for additional eligible projects. Additionally, repayments on CDBG loans made to businesses are deposited into this fund and designated for CDBG economic development activities.

Fund Summary

Operating Revenue	FY 2016 Actual Amount	FY 2017 Amended Budget	FY 2017 Year End Estimated	FY 2018 Adopted Budget

#225 – Economic Development

Fund Description

The Economic Development Fund provided support for the implementation of the City Council adopted Economic Development Plan and funding for the City's economic development initiatives as well as staff, consulting services, and marketing efforts needed to support these activities. In addition, the Economic Development Fund was a resource for business assistance, in the form of loans and grants, particularly in areas outside of the five TIF Districts.

The Economic Development Fund was closed at the end of 2016, with all revenues, expenditures, and fund balances being moved into the General Fund.

#240 – HOME

Fund Description

The HOME Investment Partnership Program addresses the affordable housing needs of low- and moderate-income individuals and families by promoting, preserving, and producing affordable housing; providing housing-related services; and funding private and non-profit entities that address these needs. HOME funds are used to:

- Finance the acquisition and/or rehabilitation of existing residential units;
- Fund new construction of affordable housing;
- Fund Tenant Based Rental Assistance (TBRA).

#250 – Affordable Housing

Fund Description

The Affordable Housing Fund addresses the housing needs of low-, moderate and middle-income individuals and families by promoting, preserving, and producing affordable housing; providing housing-related services; and providing support for non-profit organizations that actively address these housing needs, through:

- Funding a comprehensive tenant/landlord program through Open Communities.
- Providing funds for the acquisition, rehabilitation, and new construction of affordable housing.
- Providing gap funding for affordable housing projects funded primarily with Low Income Housing Tax Credits or other sources, particularly for projects with units restricted to households with incomes that do not exceed 50% of the area median.
- Providing funding support for the Homeless Management Information System (HMIS).
- Providing funding support for transitional housing, housing education, and related services.
- Providing local match funds for Federal housing grants where appropriate.
- Funding housing programs like the Senior Handyman Program that are not eligible for Federal HOME or CDBG funding.

#300 – Washington National TIF

Fund Description

The City Council adopted the Washington National Tax Increment Financing District (TIF) on September 15, 1994. This TIF will expire in 2017, with last collection of incremental property taxes in 2018. The TIF District consists of approximately 83,000 square feet of land (bounded by Church Street on the north, Davis Street on the south, and Chicago Avenue on the east) located in the downtown business area of the city.

This fund is responsible for the receipt of all debt proceeds issued and allocated to the TIF, as well as principal and interest payments on outstanding debt. The Washington National TIF typically transfers funds to the Parking Garage Fund and Parking Fund to assist with debt payments related to the Sherman Avenue Parking Garage. The 2017 Adopted Budget includes \$5.5 million for the rehabilitation of Fountain Square in Downtown Evanston. The Proposed 2018 Budget includes \$1.0 million for the participation in the Red/Purple Modernization Project ongoing with the City of Chicago.

#305 – Special Service Area #5

Fund Description

The City Council adopted Special Service Area #5 (SSA #5) on June 27, 1994. Special Service Area #5 is comprised of the City’s downtown business district. The City Council also approved a \$9,500,000 Downtown Public Works Improvement Program for Area #5. The ordinances establishing the area authorized the issuance of up to \$5,000,000 in Special Service Area bonds. On June 21, 1995, the City sold \$3,060,000 of the Special Service Area bonds at public bid, and sold another \$1,940,000 of service bonds on July 9, 1996. The City issued series 2002C bonds in October 2002. A portion of the proceeds were used to refund series 1995 and series 1996 SSA #5 property tax bonds.

The City issued Series 2012A Bonds in July 2012. A portion of the proceeds were used to retire 2002C Bonds, which were used to retire Series 1995 and Series 1996 SSA #5 Bonds.

SSA #5 was closed at the end of 2016.

#310 – Howard-Hartrey TIF

Fund Description

The City Council adopted the Southwest II Tax Increment Finance (TIF) District – also called the Howard-Hartrey TIF – on April 27, 1992. This TIF expired in 2015, with the last collection of incremental property taxes in 2016. The TIF District consisted of a 23-acre site located at 2201 West Howard Street in the southwest corner of the city. The development consists of a shopping center with several large stores. The total project cost was \$39,266,932, of which the City provided \$7,390,000 in land acquisition and public improvement costs.

This fund was responsible for the payment of principal and interest on any outstanding debt service associated with this TIF. The debt service payment schedule extended through FY 2015.

The TIF was expanded to include property north of the existing TIF that included property at 222 Hartrey Avenue, a property acquired for use by the car dealership, Autobarn. Approximately \$2,500,000 was approved by City Council in April 2014 in support of rehabilitation at the property. Work on this project was completed in mid-2016 and the property is has been utilized for repairs and inventory for Evanston’s only car dealership. Final distribution of remaining TIF funds was made to Cook County in 2017 and this TIF is closed.

#330 – Howard-Ridge TIF

Fund Description

The City Council adopted the Howard-Ridge Tax Increment Financing (TIF) District on January 26, 2004. This TIF will expire in 2027, with last year of collection in 2028. The TIF District is generally bounded on the north by various parcels that front Howard Street and Chicago Avenue, on the east by the City of Evanston's boundaries and the Chicago Transit Authority (CTA) Red Line, on the south by City boundaries, and on the west by Ridge Avenue. The TIF District contains mixed residential uses, retail/commercial properties, and institutional uses.

This TIF district has supported the residential development at 415 Howard Street and the revitalization of commercial buildings at 629-631 and 623 Howard Street. Additional City-owned properties at 633, 717-723, and 727-729 Howard Street offer new opportunities for business expansion on this commercial corridor. In 2018 the City will complete developments for a new Theater to be located at 717-723 Howard Street and will begin construction of a mixed use housing/retail development on Chicago Avenue.

#345 – Chicago-Main TIF

Fund Description

The City Council adopted the Chicago-Main Tax Increment Financing (TIF) district #8 in January 2013. The goal of this TIF district is to support the continued development of the thriving business district located near the intersection of Chicago Avenue and Main Street. In October 2013, the Chicago Main TIF Advisory Committee held its inaugural meeting. This committee reviews all expenditures from the TIF and provides recommendations to the City Council prior to review of any expenditure from the TIF. In 2015, with \$2.9 million in financial assistance, Riverside Development constructed approximately 10,000 square feet of office space in a mixed use building at the southeast corner of Chicago Avenue and Main Street.

Engineering work in this TIF area will begin in 2018, funded through the Capital Improvements Fund, with debt services expenses beginning in 2019.

#350 – Special Service Area #6

Fund Description

The City Council adopted Special Service Area #6 (SSA #6) on July 13, 2015. Special Service Area #6 is comprised of the commercial areas of Dempster Street, Chicago Avenue, and Main Street. SSA #6 is intended to provide marketing as well as aesthetic and streetscape improvements such as signage, lighting, landscaping, additional garbage collections and holiday decorations to the area. SSA #6 will remain in place for 12 years, for which the tax cap will be set at 0.45% of the equalized assessed value.

#415 – Capital Improvements

Fund Description

This fund accounts for all capital outlay expenditures not financed by annual operations or maintenance budgets included in other funds as outlined in the detailed Capital Improvement Plan. Projects financed in the capital improvement fund are developed as part of a multi-year long-term program to construct, rehabilitate or otherwise improve physical city assets, including (but not limited to) streets, water main, sewer, bridges, sidewalks, facilities, parks, and the water treatment plant. More information on projects can be found in the detailed Capital Improvement Plan in Part VI of the budget document.

#416 – Crown Construction Fund

Fund Description

The Crown Construction Fund is created with this 2018 budget for the purpose of tracking revenues and expenditures related to the construction of the Robert Crown Community Center. It has been the practice of the City of Evanston to create discrete funds for major construction projects.

The project will be funded through private fundraising led by the Friends of the Robert Crown Center, a 501(c)(3) organization. Fundraising revenues will be given from FRCC as a donation to the City for the construction of the new facility. The project will also be financed by general obligation bond proceeds. Construction is expected to begin in summer 2018 and continue through 2020.

Prior to 2018, Crown project revenues and expenses were accounted for in the Capital Improvement Fund. These will be moved to the Crown Construction Fund through a 2017 budget amendment.

2018 Initiatives

- Continue to develop strategies to provide adequate and reasonable parking for business and employees in partnership with Community and Economic Development in an effort to bring business opportunities to the City. This will be a continuing initiative in every fiscal year
- Develop an RFP/Bid Document to select a firm by October of 2018 for the installation of cameras in the three downtown parking decks. The current equipment has reached its useful life cycle and needs to be upgraded providing enhanced security.
- Work with revenue in implementing a new cashiering and parking citation management program by February 2018.
- Staff to continue training and familiarization using the New World financial system
- Staff to continue training and familiarization of new Duncan and Cale parking meter technology
- Staff to continue training and familiarization of the new parking access revenue control system “PARCS” in the three parking garages.

2018 ADOPTED BUDGET - OTHER FUNDS

#510 - 513 – Water

Fund Description

The Water Fund includes operations and capital improvements for all divisions of the Water Production Bureau as well as the Distribution Division in the Infrastructure Maintenance Bureau. The Evanston Water Treatment Plant supplies water to the City of Evanston, Village of Skokie, and the Northwest Water Commission (Arlington Heights, Buffalo Grove, Palatine, Wheeling, and Des Plaines).

In 2017, Evanston finalized a 40-year Water Supply Agreement with the villages of Morton Grove and Niles to provide them with wholesale water. The water delivery begins in late 2018, and will generate an estimated \$750,000 per year in additional revenue for the City of Evanston.

Administration Division

The Administration Division manages the water utility workforce, coordinates operations between divisions, and oversees the Evanston Water Utility's key business processes, including water billing for our customer communities.

Pumping Division

The Pumping Division oversees the City's three lake water intakes, pumping of raw water to the start of the water treatment process, pumping treated water to retail and wholesale customers, and operation of Evanston's treated water storage facilities and remote water pumping stations. This includes monitoring and operation of water storage facilities in Skokie's water distribution system, as well as controlling the rate of supply to the Northwest Water Commission. The Pumping Division also coordinates with the Distribution Division to maintain adequate pressure in the Evanston and Skokie water distribution systems during water main shutdowns and distribution system maintenance.

Filtration Division

The Filtration Division manages the water treatment process, including chemical addition, sedimentation, filtration, and disinfection. The Filtration Division includes the City's Water Quality Lab, which monitors Evanston's drinking water for compliance with water quality regulations and completes regular reporting to the public and the Illinois Environmental Protection Agency to certify the quality of Evanston's water.

Distribution Division

The Distribution Division manages operation, maintenance, and repair of the City's water mains, valves, fire hydrants, and the City's portion of water service lines. This includes repairing water main breaks and water service leaks; and installing new valves, hydrants, and water mains to improve the operation and efficiency of Evanston's water distribution system. Annual maintenance programs administered also include water main leak detection, valve exercising, and fire hydrant testing. The Distribution Division also coordinates with the Filtration Division to perform monthly water quality sampling in buildings throughout Evanston, and administers the City's cross connection control program. These two programs ensure that water remains safe to drink after leaving the water treatment plant.

Meter Division

The Meter Division coordinates water meter reading and billing for Evanston's 14,500 retail water and sewer customers, working with the City Collector's Office to process water/sewer bill payments and cross connection control fees. The Meter Division also works with the Distribution Division to manage replacement of damaged and obsolete water meters, accuracy testing for large water meters, water service shutoff/restoration, and billing of cross connection control fees. Meter Division staff also manage the

2018 ADOPTED BUDGET - OTHER FUNDS

FY 2017 City Council Goal	Department Initiative
Water and Sewer	Be a leader in the public drinking water industry by providing high quality service to over 400,000 customers in seven communities, including vigilantly monitoring the quality and quantity of water provided to our customers.
Water and Sewer	Implement a Computerized Maintenance Management System (CMMS) at the water treatment plant to more effectively manage long-term maintenance and replacement of critical treatment plant equipment and structures.
Water and Sewer	Continue to develop and implement a strategy to expand Evanston's wholesale water customer base, including ongoing negotiations with Lincolnwood.
Water and Sewer	Improve water distribution system reliability and reduce water loss by continuing the water main replacement and water main leak detection programs. Goals are to supplement watermain replacement with water main lining where feasible, to improve upon our historical 1% annual water main renewal rate, and to survey the entire distribution system for leaks on an annual cycle.

2018 ADOPTED BUDGET - OTHER FUNDS

#510 - 513 – Water

Water and Sewer	Coordinate capital improvement projects with the Street Resurfacing Program and with TIF District improvement projects to ensure cost-effective and efficient use of capital improvement funding.
-----------------	---

2018 Initiatives

- Be a leader in the public drinking water industry by providing high quality service to over 400,000 customers in seven communities, including vigilantly monitoring the quality and quantity of water provided to our customers.
- Assure the quality and reliability of the potable water supply by beginning a major water treatment plant improvement with the replacement of the City’s 5M gallon finished water Clearwell built in 1934 to address structural deterioration.
- Begin Year 2 implementation of the Computerized Maintenance Management System (CMMS) including Right of Way (signs, streetlights and trees) and Library assets to more effectively manage long-term maintenance and replacement of critical equipment and structures.
- Continue to develop and implement a strategy to expand Evanston’s wholesale water customer base, including ongoing negotiations with Lincolnwood.
- Improve water distribution system reliability and reduce water loss by continuing the water main replacement and water main leak detection programs. Goals are to supplement water main replacement with water main lining where feasible, to improve upon our historical 1% annual water main renewal rate, and to survey the entire distribution system for leaks on an annual cycle.
- Coordinate capital improvement projects with the Street Resurfacing Program and with TIF District improvement projects to ensure cost-effective and efficient use of capital improvement funding.
- Complete Phase 1 of the citywide Water Meter Replacement Program with the replacement of 5,789 water meters.
- Complete modifications to the South Standpipe Pump Station motor controls, electrical system and pump station building.

Ongoing Activity Measures	2017 Target	2017 Estimated Actual	2018 Projected

#515 – Sewer

Fund Description

The Sewer Fund includes operations, maintenance and capital improvements for the City’s Combined, Relief, and Storm Sewer Systems.

Sewer Division

The Sewer Division manages operation, inspection, maintenance, and repair of the City’s sewer mains and drainage structures (sewer manholes, catch basins, and stormwater inlets). This includes proactive programs such as sewer main and drainage structure cleaning, root cutting, and televised internal sewer main inspection; as well as responding to all reports of sewer backups and flooding. This division also inspects work done by contractors including sewer main lining and manhole rehabilitation. Sewer Division staff conduct regular inspection of sewer outfalls and other facilities throughout Evanston for compliance with the City’s sewer system operating permits with the Illinois Environmental Protection Agency.

<u>FY 2017 City Council Goal</u>	<u>Department Initiative</u>
Water and Sewer	Completed annual capital improvement programs including repairing sewers and drainage structures on streets being resurfaced, stormwater management improvements, and emergency sewer repairs.
Water and Sewer	Rehabilitated 1.1 miles (0.83%) of small diameter combined sewers through cured in place pipe (CIPP) lining. This did not meet the target rate of 1% (1.34 miles) annual rehabilitation of small diameter combined sewers.
Water and Sewer	Rehabilitated 1,920 feet of the City’s network of large diameter sewers (36” and larger) that are over 100 years old. Public Works Agency was successful in applying for a State low-interest loan to fund this project, and also obtained funding for a project that will be completed in 2018.

2018 ADOPTED BUDGET - OTHER FUNDS

#515 – Sewer

Water and Sewer	Sewer Division crews conducted preventative maintenance including cleaning the sewer system in one-third of the city on an annual basis, as well as contracting out the application of root treatments in one-third of the sewer system to prevent sewer blockages due to tree root intrusion. Crews cleaned over 2,779 drainage structures and flushed 225,966 feet of sewer pipe.
Water and Sewer	Sewer Division continues to replace or rehabilitate deteriorated drainage structures and manholes, as well as collapsing sewer mains.
Water and Sewer	Sewer Division crews performed closed-circuit TV inspections of the sewers under streets to be resurfaced in 2018, in order to determine the repairs needed prior to paving the streets.

2018 Initiatives

- Complete Mulford Street Large Diameter Sewer Lining awarded in 2017. Perform engineering design and secure State low-interest loan funding for a large diameter sewer rehabilitation project scheduled for 2018.
- Continue the annual small diameter sewer CIPP rehabilitation program at a rate of at least 1% (1.34 miles) of the combined, small diameter sewer system rehabilitated per year.
- Continue the sewer structure rehabilitation program to address deterioration of sewer structures on arterial streets.
- Continue to coordinate the inspection and repair of sewer mains and drainage structures in advance of the street resurfacing program.
- Continue preventative maintenance cleaning and inspection of sewer mains and drainage structures.
- Continue to perform inspection of combined and storm sewer outfalls in accordance with IEPA requirements.
- Increase stormwater management initiatives in compliance with requirements for National Pollution Discharge Elimination System (NPDES) permit and Municipal Separate Storm Sewer System (MS4) permit.

#520 – Solid Waste

Fund Description

All solid waste removal services are provided once per week to all family residences of 1-5 units under this program element. Twenty-one routes are scheduled for a four-day work week (Monday through Thursday). Condominium buildings and cooperative apartment units are serviced twice a week by a private hauler for refuse and once a week by City staff for recycling. The Solid Waste Agency of Northern Cook County (SWANCC) provides a recycling incentive rebate based on the total tons of recycled material collected. The incentive is used to offset operational costs.

Yard waste removal service is provided once per week to all qualified residential units under the Solid Waste Fund. Yard waste collection runs from the first week of April through the second week of December. During the fall, yard waste operations increase dramatically with the addition of leaf collection. This Fund is responsible for costs associated with yard waste removal and a portion of street cleaning leaf collection. All residential streets posted with alternate parking signs are cleaned at least twice during the leaf collection operation. This seven-week operation begins in mid-October and continues until the end of November.

#600 – Fleet Services

Fund Description

Fleet Services General Support maintains operating cost records, provides billing and chargeable data to all user City departments, develops vehicle specifications, and purchases vehicular and other equipment. In addition, Fleet Services prepares, documents, and provides disposal of surplus vehicles and equipment through auction services. Overall supervision of department personnel is provided, as is training, direction, and coordination of all activities to ensure effective and efficient operations.

Key emphasis is placed on reducing down time, which is the amount of time a vehicle or piece of equipment is out of service for repair.

2018 Initiatives

- Maintain a three and five-year vehicle/equipment replacement and funding requirements schedule
- Staff completion of all NIMS training requirements
- Complete vehicle prevention and maintenance schedules at a 95% rate
- Provide timely repair services to continue to maintain an overall downtime of less than 6% on a monthly basis
- If possible add an electric powered small work truck to replace larger inefficient small trucks currently in operation
- Complete training of each new employee prior to placing a new vehicle/equipment into service
- Provide each employee with at least one training opportunity annually to enhance technical and interpersonal skills
- Expand use of fleet management software in order to improve timely customer service
- Conduct internal analysis of overall Fleet Services operations, including parts purchasing and inventory, work order process, accurate billable hours/mechanic, preventative maintenance schedules, etc., to identify potential improvements in service

2018 ADOPTED BUDGET - OTHER FUNDS

#600 – Fleet Services

Performance Report on FY 2017 Program Objectives

- The vehicle replacement plan was updated to reflect current needs and reduced budget capacity. All programmed vehicle replacements orders were completed prior to September 2017
- Introduced LED lighting fixtures to fleet office and will add to fleet maintenance areas in 2018.
- Completed the restoration of the staff locker room and break facility.
- Completed a water drainage improvement in the fleet service area.
- An internal fleet operation is an on-going effort.
- Implementation of Fleet Telematics System was completed and staff will continue to explore opportunities to "right-size" the fleet where applicable without affecting timely City services

#601 – Equipment Replacement

Fund Description

The Equipment Replacement Fund accounts for all vehicle and equipment replacement purchases, new additions to the fleet and some rental and lease activities not included in another fund as outlined in the Equipment Replacement Plan. The Equipment Replacement Fund was created as part of the FY 2012 Budget. Charges associated with the Equipment Replacement Fund were previously part of the Fleet Services Fund.

#605 – Insurance

The City maintains excess liability coverage for general tort matters. The City's self-insured retention is \$1,250,000. The City also maintains insurance in the areas of property, inland marine, and paramedic. Claims are recorded when a determinable loss has been incurred, including reported losses and an estimated amount for losses incurred, but not yet reported, at year-end. The general liability claims account is administered by the Law Department. The worker's compensation account is administered by the Administrative Services Department.

Estimated expenses for 2017 and budgeted expenses for 2018 include major settlements that will be funded over the next three years with transfers from the departments involved in the claims.

2017 and 2018 expenses also include major attorney and professional fees for the James Park case. These expenses may be reimbursed assuming a positive settlement of the case in 2018 or 2019.

2017 estimated expenses include a \$1.0 million transfer from the IPBC Terminal Reserve to fund major liability claims.

PART VI

CAPITAL IMPROVEMENT PLAN

Capital Improvement Plan

Overview

The Capital Improvement Plan (CIP) is a process by which the City designs a multi-year plan for major capital expenditures. It represents the City's plan for physical development and is reviewed and updated each year to reflect changing priorities. It provides an ongoing framework for identifying capital requirements, scheduling projects over a period of years, coordinating related projects, and identifying future fiscal impacts. Generally, the CIP includes improvements that are relatively expensive, have a multi-year useful life, and, similar to capital outlay items, result in fixed assets. These include the construction of new buildings, additions to or renovations of existing buildings, construction of streets, sewer improvements, land purchases, and major software or equipment purchases. Due to the nature and total costs of the identified projects, bond proceeds are one of the major sources of revenue. The CIP is a dynamic process, with anticipated projects being changed, added, and deleted from the plan as the five-year timeline evolves.

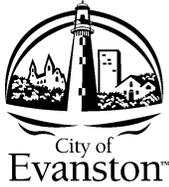

During the past several years, staff has undertaken a variety of comprehensive assessments of many of the City's capital assets to provide a more complete understanding of the City's future needs. A sample of these include: the Comprehensive Pavement Study; Parks, Forestry, and Recreation Strategic Plan; the analysis of the Civic Center; the Crown Center Study, the Ten-Year Sewer Improvement Program; Street Lighting; Chicago Avenue Corridor; Downtown Streetscape Audit; the assessments of Fire and Police Stations; the current development of the IT Strategic Plan, as well as development of the City's Strategic Plan. These studies serve as the foundation for the staff recommendations set forth in the attached Capital Improvement Plan. As the City moves forward, it must continually assess the ongoing infrastructure needs of the community.

Formal City Council adoption of the Capital Improvement Program indicates the City's commitment to the plan, but does not in itself authorize expenditures. The necessary funding mechanisms must be adopted each year to pay for the improvements – year one is the approved Capital Budget for which Council approval authorizes expenditures, with years two and three reflecting the City's plan for improvements.

Summary of FY 2018-2022 Capital Improvement Plan

It is important to distinguish between the City's Capital Improvement Plan (CIP) and Capital Improvement Fund (CIF). The CIP report in this section includes all citywide capital projects, regardless of the fund and/or funding source. This contrasts with the City's CIF, which includes only those capital projects that are not paid through one of the City's internal service, special revenue, or enterprise funds. Typically, capital purchases used to benefit the City as a whole are budgeted and paid from the CIF, while capital purchases specific to one area, function, or fund are typically paid from that specific source or fund.

An example of the above would be an addition or capital improvement to the City's water filtration plant. While this project would be included in the City's CIP report, the expense would be budgeted in the City's Water Utility Fund. There are a couple of exceptions to this rule. Capital projects funded via the City's Motor Fuel Tax (MFT) Fund may benefit the City as a whole, but for legal purposes such capital projects must be budgeted and paid out of the City's MFT Fund. Another example would be capital purchases related to the City's fleet. Since the City maintains a separate internal service Fleet Fund for tracking purposes, CIP projects pertaining to fleet vehicles and equipment purchases are budgeted and paid from the Fleet Fund rather than the CIF.

Capital Improvement Fund Policy

Section I: Objectives and Priorities

The overall goal for Evanston's capital improvement effort is:

A comprehensive capital improvement program that is used by decision-makers to guide capital investments, make the best use of limited resources and provide community facilities that function well and contribute to the attractiveness, public health, and safety of the City.

To accomplish this goal, a broad set of objectives and policies have been developed to guide preparation and monitoring of the capital improvement program. These broad objectives, priorities, and policies adopted by the City Council guide staff each year as a capital program is developed and presented to the City Council for review and consideration.

Objectives

- Undertake a comprehensive assessment of all capital needs and develop a strategic plan to meet the City's capital needs, so that projects and funding are rationally sequenced, coordinated, and kept on the public agenda.
- Undertake capital improvements that are needed to maintain existing public facilities, increase operating efficiency, and reduce operating costs.
- Undertake capital investments that encourage and support economic development or directly produce income.
- Undertake capital improvements that are of the highest quality that the City can afford which enhance Evanston's physical appearance, public image, quality of life, and promote public health and safety.
- Limit the extent to which local property taxes are required to finance capital improvements.
- Plan all capital projects to meet ADA requirements.

Priorities

- Project major capital improvement replacement needs to cover a 5- to 10- year period so that a long-range capital maintenance plan can be developed.
- Set priorities for capital improvements and match projects with appropriate funding sources.
- Monitor implementation of the Capital Improvement Plan through periodic capital improvement staff meetings and reports to the Administration and Public Works Committee.
- Undertake an annual review of capital improvement funding sources and an assessment of capital improvement projects proposed for the following years.

Capital Improvement Fund Policy

- Commit funds annually for improvements so that incremental progress can be made toward long-range goals.
- Coordinate planned capital improvement projects where opportunities exist to do so.
- Leverage local capital improvement funds to the extent possible.
- Give priority to projects that further the objectives of the Comprehensive General Plan.

More specific policies have also been written to guide the scheduling and prioritization of projects within each of the major project classifications.

Economic Development

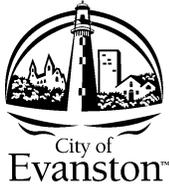

- Make capital investments needed to realize the full potential of the Downtown Redevelopment.
- Implement the goals of the Evanston Local Employment Program and work to increase the participation of Evanston businesses in capital improvement projects.
- Coordinate improvements made in retail and commercial areas.
- Develop and implement programs to upgrade and maintain streetscapes in each neighborhood business district within the City.
- Develop and implement plans for capital needs of neighborhood economic development.

Environment

- Maintain water system improvements needed to ensure a safe and adequate water supply.
- Develop and implement programs to eliminate environmental hazards where they exist in City facilities and on public grounds.
- Participate in development of area-wide solutions to the problem of solid waste disposal and promote local recycling and waste reduction efforts to minimize solid waste disposal requirements and conserve resources.
- Forward the objectives of the Livability Plan, especially on items related to climate change mitigation and adaptation

Parks and Recreation

- Rehabilitate parks through periodic replacement of pavement, athletic fields and courts, equipment, site furnishings, infrastructure, and landscaping.
- Undertake improvements to enhance and protect the lakefront park system.
- Maintain Evanston's community recreational facilities to the high standard expected.

Capital Improvement Fund Policy

- Bring play equipment into compliance with CPSC / ASTM safety guidelines and ADA requirements.

Public Buildings

- Consider life cycle costs (long-term costs of maintenance, operation, utilities and financing) in making decisions concerning construction, purchasing, disposal, or rehabilitation of public facilities.
- Continue to undertake preventive maintenance, energy conservation, and rehabilitation programs for public buildings.
- Undertake projects needed to improve the security of public buildings and facilities.
- Complete the rehabilitation/replacement of the Robert Crown Community Center and the surrounding athletic fields.
- Undertake projects and improvement to municipal facilities to meet the standards of the Federal Americans with Disabilities Act (ADA).
- Incorporate age-friendly features into all City facilities.
- Develop and implement a plan for the municipal offices.
- Implement policy advocating art within city building projects, in compliance with Title 7, Chapter 16 of the City Code.

Transportation

- Improve the condition, efficiency, and safety of Evanston's circulation system.
- Undertake improvements needed to keep municipal parking facilities well maintained, safe and attractive.
- Plan and implement expanded public parking inventory.
- Continue the City's programs for maintaining curbs, gutters, and sidewalks.
- Evaluate all sidewalks and develop an improvement schedule.
- Enhance livability of neighborhoods by implementing various traffic controls.
- Improve Evanston's remaining unpaved streets and alleys.
- Implement a Citywide bike plan and encourage inter-modal transportation.
- Ensure adequate street lighting to balance crime prevention, safety, and residential atmosphere.
- Develop plans and programs to improve the appearance and maintenance of rail embankments, viaducts, and rail stations.

Capital Improvement Fund Policy

Section II: Fiscal Management

Capital Expenditure Policies

- Drawn from the long-range capital needs list, a three-year capital improvement program will be developed and updated annually, including anticipated funding sources.
- The City will maintain all of its physical assets at a level adequate to protect the City's capital investment and to minimize future maintenance and replacement costs.
- The City will coordinate development of the capital improvement budget with the development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts.
- If a new project (non-emergency) is identified during the fiscal year, staff shall prepare a report to the City Council describing the project, and if necessary, recommend a decrease in another approved project so as not to alter the overall funding for the capital budget.

Capital Financing Policies

- Long-term borrowing will not be used to finance current operations or normal maintenance.
- Capital projects financed through the issuance of bonds will be financed for a period not to exceed the expected useful life of the project.
- The City will establish an appropriate mix of bonded debt and pay-as-you-go financing in the funding of capital projects. The City will strive to find more streams of revenue to support pay-as-you-go financing of its future capital improvements.
- Dedicated revenue stream options include, but are not limited to, excess funds, additional taxes (i.e. motor fuel tax for street improvements) and use of tax increment financing revenues as they become available.
- Outstanding tax-supported debt shall not exceed \$113 million. The City may need to change this policy during 2018 pending Crown Center financing needs.

Capital Project Planning and Cost Containment

- City staff will meet quarterly to review the progress on all outstanding projects. Semi-annual reports will be presented to the Administration & Public Works Committee.
- Identification of funding opportunities should be included within the project development phase.
- Recognize that most projects will take at least two years to plan and implement.
- Where appropriate, separate project planning and execution costs, acknowledging that approving a study does not guarantee the implementation of the project.
- For any enterprise fund or storm water management fund that is supporting debt, an annual rate

City of
Evanston[™]

Capital Improvement Fund Policy

study will be performed to ensure that the fees or rates are sufficient to meet the debt service requirements.

- A five-year projection of revenues and expenditures for the general, special revenue, and enterprise funds should be prepared to provide strategic perspective to each annual budget process.

Emergency Fund Reserves

- An emergency account within the capital improvement fund shall be established to fund emergency capital needs.
- The emergency account shall be initially funded through a one-time revenue source and replenished with a percentage of project surpluses at the end of the fiscal year.

Grants

- City staff should seek grants for projects which are in the current fiscal year, the five-year plan, or fund a recognized City need.
- For projects not currently funded or in the five year plan, the Council must approve the reduction or elimination of a previously planned project.
- If a grant is received, the original funds can be used in any of the following ways:
 - Reallocated to a new project within the five-year plan within the same area
 - Reallocated to a priority list of projects approved by the City Council during consideration of the capital plan
 - Used to expand the scope of the existing project for which the grant is received
 - Placed in the contingency fund for future matches or cost overruns
 - Placed in an emergency fund for unanticipated projects

Community Development Block Grant (CDBG) Funds

- A comprehensive program for all capital projects in the CDBG target area will be presented to the CDBG Committee.

PART VII

**COMPREHENSIVE
PERFORMANCE
MEASUREMENT**

Administrative Services	2017 Target	2017 Actual	Target Met?	2018 Goal
Number of IT requests per year	8500	7957		8000
IT responses with eight hours	85%	76%		85%
Average backlog of IT open requests	20%	19.5%	✓	18%
Number of parking tickets issued	83,000	90,000	✓	100,000
Number of e-mail and text alert subscribers for street cleaning notifications	N/A	22,052	N/A	22,200

City Manager's Office	2017 Target	2017 Actual	Target Met?	2018 Goal
Number of service request received by 311 Staff	8500	8300		8500
Number of administrative services assumed by 311	7	8	✓	10
Number of subscribers to City communication channels (through 9-1-17)	100,000	115,027	✓	116,000
Number of citizen engagement events and/or activities	110	107		110

Community Development	2017 Target	2017 Actual	Target Met?	2018 Goal
Average review time of Single Family & Accessory Structures	20 days	18.25 days	✓	20 days
Average review time of Commercial & Accessory Structures	20 days	N/A	No Applications Received	20 days
Average review time of Planned Developments by Plan Commission	60 days	60 days	✓	60 days
Average review time of Certificates of Appropriateness by Historic Preservation Commission	<45 days	<45 days	✓	<45 days
Average review time of Variation & Special Use permit cases by Zoning Board of Appeals	30 days	30 days	✓	30 says
Percentage of grant-funded programs/projects progressing as planned	85%	87%	✓	85%
Number of housing units (owner and rental) substantially rehabbed	9	15	✓	12

Fire	2017 Target	2017 Actual	Target Met?	2018 Goal
Fire incidents confined to room of origin	65%	65%	✓	65%

Job related vehicle crashes, deemed preventable, per 100 members in a one-year period	<5	14		<5
Sworn and civilian FTE's per 1,000 population	1.4	1.4	✓	1.4
Emergency response time (in seconds)	240	201	✓	240
Turnout time for emergency alarms (in seconds)	<70	67	✓	<70
Estimated property value preserved	90%	99%	✓	93%

Health and Human Services	2017 Target	2017 Actual	Target Met?	2018 Goal
Number of Food Borne Illness investigations and Food related complaints	85	84	✓	80
Track local trends in testing sites for lead, childhood blood lead screening rates, and incidence in childhood lead poisoning rates	10	10	✓	6
Number of restaurant, temporary food and farmer's market inspections	1621	1274	✓	1300

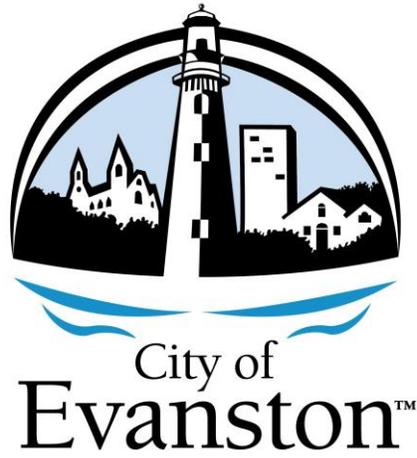

Law	2017 Target	2017 Actual	Target Met?	2018 Goal
Traffic prosecution cases	2,200	1,489		2,700
Administrative review cases	8	1	✓	3
Ordinances and resolutions written and/or reviewed	280	177		250
Cases that had a pre-trial disposition or were tried to verdict	5	3		4

Library	2017 Target	2017 Actual	Target Met?	2018 Goal
Percentage of citizens who rated library service as satisfactory	98%	98%	✓	98%
Percentage of library users who rate the helpfulness and the general attitude of library staff as satisfactory	98%	98%	✓	98%
Percentage of library users who rated the availability of library materials as satisfactory	93%	93%	✓	93%
Number of items circulated per resident	14%	14%	✓	14%
Number of dollars spent for materials acquisition per resident	\$11.59	\$11.68	✓	\$11.68

Number of customers experiencing an unscheduled disruption of water service	750	358	✓	750
Number of known breaks/leaks per mile of water main	0.3	0.2	✓	0.2
Percentage of residential and commercial waste and recycling picked up on schedule	98%	99%	✓	98%
Number of customers complaints about sewer services (seepage, backups, overflows, etc.)	200	262		200

PART VIII

GLOSSARY

Glossary

ACCRUAL BASIS: The basis of accounting under which transactions are recognized when they occur, regardless of the timing of estimated cash flows.

ACCRUED EXPENSES: Expenses incurred but not due until a later date.

ACTIVITY: A specified and distinguishable line of work performed by a Division.

AFSCME: American Federation of State, County and Municipal Employees, a labor union representing some City of Evanston employees.

ALERTS: Allows officers access to driver's license, registration, warrant and other computerized law enforcement data. The ALERTS system also provides for inter-car communications via in-car data terminals.

ASSESSED VALUATION: A value that is established for real or personal property for use as a basis for levying property taxes. (Note: Property values are established by the Cook County Assessor's Office.)

AUDIT: An examination of an organizations' financial statements and the utilization of resources.

BOCA: Building Officials and Code Administrators International, an organization that writes the guidelines for basic community building codes.

BOND: A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date in the future, called the maturity date, together with periodic interest at a specified rate.

BOND RATING: An assessment of the likelihood that a bond issuer will pay the interest on its debt on time. Bond ratings are assigned by independent agencies, such as Moody's Investors Service and Standard & Poor's. Ratings range from AAA or Aaa (highest) to D (in default). Bonds rated below B are not investment grade and are called high-yield or junk bonds. Since the likelihood of default is greater on such bonds, issues are forced to pay higher interest rates to attract investors. Evanston is rated as an Aa1 community by Moody's Investors Service.

BONDED DEBT: Portion of indebtedness represented by outstanding bonds.

BUDGET: A fiscal plan showing estimated expenditures, revenue, and service levels for a specific fiscal year.

BUDGET ADJUSTMENT: Legal procedure utilized by the City staff and Council to revise an adopted budget. The City of Evanston has a written budget adjustment policy that allows adjustments in accordance with the City Code.

BUDGET CALENDAR: The schedule of key dates or milestones, which the City departments follow in the preparation, adoption and administration of the budget.

BUDGET DOCUMENT: Instrument used by the budget-making authority to present a comprehensive financial plan of operations to the City Council.

BUDGET MESSAGE: The opening section of the budget document, which provides the City Council and the public with a general summary of the most important aspects of the budget, including current and previous

Glossary

fiscal years, and the views and recommendations of the City Manager.

BUDGETARY CONTROL: The control or management of a governmental or enterprise fund in accordance with an approved budget to keep expenditures within available revenue.

CAPITAL EXPENDITURE (ALSO KNOWN AS CAPITAL OUTLAY): Refers to the purchase of land, buildings, and other improvements and also the purchase of machinery and equipment items which have an estimated useful life of three years or more and belong to the classes of property commonly considered as fixed assets.

CAPITAL IMPROVEMENT PLAN (CIP): A plan for capital expenditures to provide long-lasting physical improvements to be incurred over a fixed period of several future years.

CAPITAL IMPROVEMENT PLAN BUDGET: A Capital Improvement Program (CIP) budget is a separate budget from the operating budget. Items in the CIP are usually construction projects designed to improve the value of government assets.

CAPITAL PROJECT: A specific identifiable improvement or purpose for which expenditures are proposed within the capital budget or capital improvement plan. Examples of capital improvement projects include new roads, sewer lines, buildings, operating systems, recreational facilities, and large scale remodeling.

CAPITAL PROJECT FUND: A fund created to account for financial resources to be used for the acquisition or the construction of major capital facilities or equipment.

CASH BASIS: A basis of accounting under which transactions are recognized only when cash changes hand.

CITY COUNCIL: The Mayor and nine (9) Aldermen collectively acting as the legislative and policy making body of the City.

COMMODITIES: All expenditures for materials, parts, supplies and commodities, except those incidentally used by outside firms performing contractual services for the City.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG): Federal funds made available to municipalities specifically for community revitalization. Funds may be used by internal City divisions, or distributed to outside organizations located within the City's boundaries.

COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR): A governmental unit's official annual report prepared and published as a matter of public record, according to governmental accounting standards.

CONTINGENCY: A budgetary reserve, set aside for emergencies or unforeseen expenditures not otherwise budgeted.

CONTRACTUAL SERVICES: Expenditures for services which are obtained by an express or implied contract. Major types of contractual services are: (1) advertising and printing; (2) maintenance and repair services; (3) public utility services; and (4) travel and training.

DEBT SERVICE: The City's obligation to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Glossary

DEBT SERVICE FUND: A fund established to account for the accumulation of resources for the payment of principal and interest on long term debt.

DEFICIT: The excess of the liabilities of a fund over its assets; or the excess of expenditures over revenues during an accounting period; or, in the case of proprietary funds, the excess of expense over income during an accounting period.

DEPARTMENT: Administrative subsection of the City that indicates management responsibility for an operation.

DEPRECIATION: That portion of the cost of a capital asset that is charged as an expense during a particular period. This is a process of estimating and recording the lost usefulness, expired useful life, or diminution of service from a fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the loss of usefulness of a fixed asset is the depreciation or the cost to reserve in order to replace the item at the end of its useful life.

DISTINGUISHED BUDGET AWARD: A voluntary program administered by the Government Finance Officers Association to encourage governments to publish well-organized and easily-readable budget documents and to provide peer recognition and technical assistance to the fiscal officers preparing them.

ENCUMBRANCE: Obligations in the form of purchase orders and contracts which are chargeable to a budgetary account and for which a part of the balance is reserved because the goods or services have not been

received. When paid, the encumbrance is liquidated.

ENTERPRISE FUND: A fund established to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

ETSB: Emergency Telephone Systems Board.

EXPENDITURES: This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained, regardless of when the expense is actually paid. Note: An encumbrance is not expenditure. An encumbrance reserves funds to be expended for a future date.

EXPENSES: A decrease in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures.

FEMA: Federal Emergency Management Agency.

FICA: Federal Insurance Contribution Act, the name of the piece of federal legislation that established the Social Security payroll tax. The current FICA tax rate is 15%, half of which is paid by the employer and half by the employee.

FISCAL YEAR (FY): The time period designating the beginning and ending period for recording financial transactions. The City of Evanston moved to a calendar year fiscal year beginning in FY2012.

Glossary

FIXED ASSETS: Assets of a long term character which are intended to continue to be held or used, such as land, buildings, machinery and equipment.

FRANCHISE FEE: The fee paid by public service businesses for use of City streets, alleys, and property in providing their services to the citizens of a community. Services requiring franchises include electricity, telephone, natural gas, and cable television.

FULL ACCRUAL BASIS: The basis of accounting under which transactions are recognized when they occur, regardless of the timing of estimated cash flows.

FUND: An accounting entity with a separate set of self-balancing accounts which comprise its assets, liabilities, fund balance, revenues and expenditures.

FUND ACCOUNTING: A governmental accounting system that is organized and operated on a fund basis.

FUND BALANCE: The assets of a fund less liabilities, as determined at the end of each fiscal year. Any reservations of fund balance are deducted to result in an "unreserved fund balance."

FUND TYPE: In governmental accounting, all funds are classified into eight fund types: General, Special Revenue, Debt Services, Capital Projects, Special Assessment, Enterprise, Internal Service, and Trust and Agency.

GASB 67/68: Financial reports of defined benefit pension plans.

GENERAL FUND: The largest fund within the City, the General Fund accounts for most of the financial resources of the government. General Fund revenues include property taxes, licenses and permits, local taxes, service charges, and other types of revenue. This fund usually includes most of the basic operating services such as fire and police protection, parks, recreation and community services, public works, health, community development, and general administration.

GENERAL ACCEPTED ACCOUNTING PRINCIPLES (GAAP): Uniform minimum standard of and guidelines to financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. They encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. They provide a standard by which to measure financial presentations.

GENERAL OBLIGATION (GO) BONDS: Bonds that finance public projects such as streets, municipal facilities, and park improvements. The repayment of these bonds is made from property taxes, and these bonds are backed by the full faith and credit of the issuing government.

GFOA: Government Finance Officers Association.

GPS: Global Positioning System, equipment that has the ability to survey the location of an object.

GRANT: A contribution by a government or other organization to support a particular

Glossary

function. Typically, these contributions are made to local governments from the state and federal governments.

IDOT: Illinois Department of Transportation.

IDPH: Illinois Department of Public Health.

IEPA: Illinois Environmental Protection Agency.

IMRF: Illinois Municipal Retirement Fund, a pension plan for employees of member cities within the State of Illinois.

INCOME: A term used in proprietary fund type accounting to represent revenues, or the excess of revenues over expenses.

INFRASTRUCTURE: The underlying permanent foundation or basic framework.

INTEREST EARNINGS: The earnings from available funds invested during the year in U.S.

INTERFUND TRANSFER: Amounts transferred from one fund to another.

INTERNAL SERVICE FUND: Fund used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

INVESTMENTS: Securities and real estate held for the production of revenues in the form of interest, dividends, rentals, or lease payments. The term does not include fixed assets used in governmental operations.

ISO: Insurance Services Office, a non-profit organization that grades the Fire Department's ability to provide service to a

community, which is reflected in the insurance premium paid by the occupier.

LEVY: To impose taxes, special assessments, or service charges for the support of City services.

LIABILITIES: Debts or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date.

LONG-TERM DEBT: Debt with a maturity of more than one year after the date of issuance.

MABAS: Mutual Aid Box Alarm System. This system was established to provide a swift, standardized and effective method of mutual aid assistance for extra alarm fires and mass casualty incidents. The MABAS system is divided into over 20 Divisions from the communities along I-53 and the Northwest Tollway corridor.

MAINTENANCE: All materials or contract expenditures covering repair and upkeep of City buildings, machinery and equipment, systems, and land.

MFT: Motor Fuel Tax, represents revenues for the City's share of gasoline taxes, allotted by the state for street improvements.

MODIFIED ACCRUAL BASIS: The accrual basis of accounting adapted to the governmental fund type spending measurement focus. Under it, revenues are recognized when they become both "measurable" and "available" to finance expenditures of the current period. Expenditures are recognized when the related fund liability is incurred except for (1) inventories of materials and supplies which

Glossary

may be considered expenditures either when purchased or when used; (2) prepaid insurance and similar items which need not be reported; (3) accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but for which larger than normal accumulations must be disclosed in the notes to the financial statements; (4) interest on special assessment indebtedness which may be recorded when due rather than accrued, if offset by interest earnings on special assessment levies, and (5) principal and interest on long-term debt which are generally recognized when due.

MOODY’S INVESTMENT RATING SERVICE: An independent agency that analyzes the financial credit ratings of organizations. These ratings are based on debt issuance and carry a three letter coding. The City possesses a Prime-1 rating level, which is Aa1.

MUNICIPAL: Of or pertaining to a city or its government.

NORTAF: North Regional Major Crimes Task Force, this task force was established to serve as a standing task force that would be available to its member agencies for the investigation of major crimes, including homicides and non-parental kidnappings. Member communities include Evanston, Glencoe, Glenview, Kenilworth, Lincolnwood, Morton Grove, Niles, Northbrook, Northfield, Skokie, Wheeling, Wilmette, and Winnetka.

OBJECTIVES: The objectives in the performance area of the budget are statements of one-time projects. These statements are intended to address either a new service or project, or a significant change

in focus or priority in response to a special community need or City effort to improve productivity. Objectives are generally limited to one fiscal year.

ONGOING ACTIVITY MEASURES: These measures provide annual workload data on the activities of the City, which occur on an ongoing basis, year after year

OPERATING BUDGET: A financial plan outlining the estimated revenues and expenditures and other information for a specific period (usually a fiscal year). The “proposed budget” is the financial plan presented by the City Manager for consideration by the City Council, and the “adopted budget” is the financial plan ultimately approved and authorized by the City Council.

OPERATING EXPENSES: Proprietary fund expenses that are directly related to the fund’s primary service activities.

OPERATING INCOME: The excess of proprietary fund operating revenues over operating expenses.

OPERATING REVENUES: Proprietary fund revenues that are directly related to the fund’s primary service activities. They consist primarily of user charges for services.

PEER Services: Fiscal agent for Evanston Substance Abuse Prevention Council.

PER CAPITA COSTS: The cost of service per person. Per capita costs in Evanston are based on a 74,486 estimated population provided by the 2010 Census.

Glossary

PIMS: Police Information Management System, a computerized record system developed and maintained by the State of Illinois Criminal Justice Information Authority.

PROPERTY TAXES: Used to describe all revenues received in a period from current taxes, delinquent taxes, penalties, and interest on delinquent taxes.

PUBLIC HEARING: The portions of open meetings held to present evidence and provide information on both sides of an issue.

RESERVE: An account used to indicate that a portion of fund balance is restricted for a specific purpose. An account used to earmark a portion of fund balance to indicate that it is not appropriate for expenditure. A reserve may also be an account used to earmark a portion of fund equity as legally segregated for a specific future use.

REVENUES: All amounts of money earned or received by the City from external sources. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues and interest income.

REVENUE BONDS: Bonds whose principal and interest are payable exclusively from a revenue source pledged as the payment source before issuance.

ROI: Return on investment, a method to assist management decision-making by evaluating the return on various investment alternatives.

SALES TAXES: The City receives two types of sales taxes – one from the state and the other from a home-rule sales tax. The state tax rate

is 1% and the local home rule sales tax rate is 1%.

SAMHSA: Substance Abuse and Mental Health Services Administration.

SERVICES BILLED OUT: Includes revenues received for services provided by one department to another within the same fund. An example would be the revenue received by the Community Development Department for services provided by Public Works, such as vehicle maintenance.

SYEP: Summer Youth Employment Program.

TAX BASE: The total value of all real and personal property in the City as of January 1 of each year, as certified. The tax base represents net value after all exemptions.

TAX LEVY: The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

TAX RATE: A percentage applied to all taxable property to raise general revenues. It is derived by dividing the total tax levy by the taxable net property valuation.

TAXES: Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. The term does not include charges for services rendered only to those paying such charges; for example, sewer service charges.

TIF: Tax Increment Financing or the act of capturing the amount of property taxes levied by a taxing unit for the year on the appraised value of real property located within a defined investment zone. The tax increments are paid into the TIF fund and used to pay

Glossary

project costs within the zone, including debt service obligations.

TRUST AND AGENCY FUNDS: Funds created to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds. These include pension trust funds and agency funds.

USER CHARGES: The payment of a fee for direct receipt of a public service by the party benefiting from the service.

YEP: Youth and Young Adult Job Training and Employment Program.
