

SOLARIZE

CHICAGOLAND

Thinking About Going Solar?

Residents throughout Cook, DuPage, Kane, and Will Counties have an opportunity to participate in **Solarize Chicagoland**, a grassroots program combining volume purchasing with community education to make solar more accessible and affordable. Home and commercial property owners may participate in this program.

Regardless of where you live in the Cook, DuPage, Kane, or Will Counties, you can participate in any of the free, informational Solar Power Hours. You'll learn about the basics of solar, its financial implications for a household, and how the solar group buy program works. After the session, get a free, no-obligation site assessment from the competitively-selected solar installer. You have until September 30, 2019, to decide whether to get solar through the program. The more participants, the lower the price for all!

FREE EDUCATIONAL SOLAR POWER HOURS

Wednesday May 15th - 6:30-8:00 pm
City of Evanston Civic Center
2100 Ridge Avenue, Evanston, IL

Thursday August 22nd - 6:30-8:00 pm
City of Evanston Civic Center
2100 Ridge Avenue, Evanston, IL

There are many more opportunities to learn about Solarize Chicagoland-
Check the website for more Solar Power Hour dates and locations
through the Spring and Summer! **SolarizeChicagoland.com**
