TOWNSHIP MEETING: AGENDA

1. Call to Order – Town Clerk, Rodney Greene
2. Announcement of Legal Notice Publication – Town Clerk, Rodney Greene
3. Election of Moderator and Administration of Oath: Trustee Tisdahl was nominated and approved by a unanimous voice vote to perform the duties of Moderator.

City Manager Bobkiewicz suggested it to entertain a motion to approve Ordinance 2T-O-11 the Proposed Budget and Appropriation Ordinance for Town Purposes for the second half ending March 31, 2012. The motion was moved by Trustee Holmes and seconded by Trustee Tendam. Trustee Tisdahl then asked if there was any discussion and Trustee Rainey responded.

Questions and Concerns

- Trustee Rainey: Is this only a half budget? Yes it is.
- Trustee Grover: Does the Ordinance we have in the packet reflect a six month budget? Yes it does.
- Has the Township Officials looked at some of the cost saving issues that Ms. Earl suggested to run the Township more efficiently for the remainder of the budget year? Township Supervisor Vance stated there were expenses that were spent to date in regard to the proposed cost savings. She stated there were some questions and issues that have not been addressed and she need to sit down with the City to discuss those issues.
- Trustee Grover: Are there specific ones that we should definitely pursue? Supervisor Vance: the only ones possible are: IT and storage.
- Trustee Grover: What do you calculate the cost savings could be? Supervisor Vance: I have not calculated as of yet what the cost savings could be.
- Trustee Holmes: stated these cost saving issues should be incorporated into the next year's budget and if there could be found some changes the budget could be amended. Supervisor Vance: stated because something is budgeted you don't go out and spend it all and the budget can be amended.
- Trustee Rainey: stated the only way the Trustees can affect the spending of the Township is to reduce the amount in the Town Fund, and that the Supervisor has the authority to spend money anyway she sees is a responsible fit. What do you have in storage? Supervisor Vance: We are required by Law to store all of our records such as accounting, and clients, and those records are destroyed on a regular basis.
- Trustee Grover: Am I clear that the budget we signed off on was last year's budget not the proposed budget. Supervisor Vance: I am not sure what you have done because I have not seen or signed off on any budget, it is totally confusing.

Trustee Holmes moved to adopt the second half of the Township's budget and it was seconded. Before the Roll was called Trustee Holmes stated she was the only one who voted against approving the budget with the proposed raise for the Deputy Assessor and she still stand by her original vote, the Township Clerk called the Roll and the result was 6-2 (Trustee Rainey and Grover voted nay).

4. Discussion and Evaluation Regarding Township Services and Government Structure

City Manager was asked if he needed anything else concerning the Township by Mayor Tisdahl. Mr. Bobkiewicz stated at the last meeting the Trustees wanted a report on the dissolution of the Township and commented that the City Attorney had prepared a memo that was electronically submitted late this afternoon. He suggested that Mr. Farrar would walk the Board through the memo. Trustee Rainey asked if he could do this next time. Mr. Bobkiewicz then asked if the Board would direct the staff to continue working on the process and then come back in a month with a follow-up, and to direct the Mayor to send the letter to Jeff Schoenberg.

Trustee Rainey: stated we should rethink this letter because it is confusing, why would we need a Township Supervisor or Assessor if we are going to dissolve it. Mayor Tisdahl: I can not comment because I did not write the letter. Trustee Rainey: Either we want to dissolve the Township or we do not, and she doesn't feel comfort making a decision at this late time. Trustees Wynne and Grover stated they would like more clarification but should go forward. Trustee Rainey moved to go forward with whatever this is and it was seconded. A voice vote was taken in agreement to keep moving forward. Trustee Braithwaite wanted to go on record as voting nay because it is too frustrating and confusing. It was suggested and agreed to come back on October 24th to continue discussion of the Township during the regular Council meeting.

Trustee Grover moved to adjourn as the Township Trustee Board and to reconvene as the City Council and it was seconded. The City Council reconvened at 10:55 pm. City Manager Bobkiewicz then called upon Ms. Lynn Montei to speak on the special order of business.
