20-R-17

A RESOLUTION

Authorizing the City Manager to Submit an Application for Invest in Cook Grant Funds from the Cook County Department of Transportation and Highways for the Main Street Corridor Improvement Project, Phase II Engineering from Maple Avenue to Hinman Avenue

WHEREAS, the Invest in Cook has a grant program operated by the Cook County Department of Transportation and Highways (“DoTH”), designed to enhance the transportation system and encourage more livable communities; and

WHEREAS, Invest in Cook funding can be requested to support projects that will prioritize transit and other transportation alternatives, maintain and modernize existing infrastructure, and increase investments in transportation, and

WHEREAS, the City is submitting an Invest in Cook application, attached hereto as Exhibit A, for the construction of the Main Street Corridor Improvement Project, Phase II Engineering at Maple Avenue to Hinman Avenue (hereinafter referred to as the “Project”); and

WHEREAS, the City seeks to apply to Invest in Cook for the total Project cost of four hundred and sixty thousand dollars (\$460,000.00) of Invest in Cook funds for the Project,

NOW BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EVANSTON, COOK COUNTY, ILLINOIS:

SECTION 1: The City Manager is hereby authorized to submit the Invest in Cook Application for funds and the City Clerk is hereby authorized and directed to attest, on behalf of the City of Evanston.

SECTION 2: The City Manager is hereby authorized and directed to negotiate any additional conditions of the application that he deems to be in the best interests of the City.

SECTION 3: This Resolution shall be in full force and effect from and after its passage and approval in the manner provided by law.

Elizabeth B. Tisdahl, Mayor

Attest:

Rodney Greene, City Clerk

Adopted: February 27, 2017

COOK COUNTY

Application Checklist

Please use the following checklist to ensure that your application package is complete and includes the information we need to evaluate your project. Omission of items does not necessarily preclude your application from consideration, but the items on the following checklist are highly recommended.

Required Items:

- Signed Mayor's or Chief Executive's cover letter
- Completed Application
- Project Area Map
- Project Milestone Schedule
- Most Recent Auditor's Report or Other Proof of Financial Standing

Optional Items:

- Sections or summary of applicable project-related studies or reports (limit five pages)
- Resolutions and Certifications of Resolutions
- Detailed Cost Estimates (Required for construction funding requests)
- Attach any related images

If you have any questions or would like to request assistance filling out the application contact Tomohiko Music at [\(312\) 603-3808](tel:3126033808) or InvestInCook.CC@cookcountyil.gov. DOTH staff is available to help clarify application fields, provide guidance on how to submit a competitive application, and for applicants who can demonstrate the need, assistance in preparing an application (contingent on staff availability).

Please submit an electronic copy of the completed application PDF, with all related attachments, through the Invest In Cook application submission page at:

<https://www.cookcountyil.gov/content/invest2017application>

The deadline for submitting all applications is: March 17, 2017 at 5:00 PM CST (Applications received after this date and time will not be accepted. No exceptions.)

Applicant Information

Applicant Name: _____

**Applicant Municipality,
Agency, or Organization:** _____

**Mayor, President, or
CEO Name and Title:** _____

Project Title (use TIP title if applicable): _____

Applicant's Email Address: _____

Applicant Address: _____

City: _____ **Illinois** **Zip Code:** _____

Telephone: _____ **Fax:** _____

Applicant Website Address: _____

Total Amount Requested*: _____

Total Matching Funds:** _____

*A total funding request is not required at the time of submission, but it is highly recommended and may improve your chances of being selected. Contact DOTH at investincook.CC@cookcountyil.gov before applying if your organization needs assistance developing a cost estimate. Your request for assistance will be evaluated for need and approval will be dependent on DOTH staff availability.

**Matching funds are not required, but local support in the form of financial or other contributions will be looked at favorably in the evaluation.

Applicant Information (Continued)

County Commissioner District Number(s): _____ Council of Mayor(s): _____

Project Type: Transit Freight Planning Study Bike/Ped Roadway Feasibility Study Other _____

Current Project Phase: Feasibility/Planning Study ROW Acquisition Construction Preliminary Engineering Design Engineering Other _____

TIP ID (for existing projects): _____

Will you need assistance with a cost estimate? (Y/N): Yes No Will you need any other assistance before your project can begin? (Y/N): Yes No

If additional assistance is desired, please describe your needs below*:

*The County will make available resources in the form of staff and time for projects that we feel warrant the effort from applicants who can justify their need. These services will be provided at the Department's discretion and are contingent upon staff availability.

Project Location Information

Not all fields are required, but please ensure the following fields are filled in as completely as possible. Please attach a map with sufficient detail to accurately locate your project in a GIS system.

Project Limits

Name of Street or Facility to be Improved

Municipality (or Municipalities) Involved

South/West Project Extents

North/East Project Extents

Project Summary

Provide a description of proposed improvements and impacts that will result from your project. Provide details that demonstrate how your project benefits your community, and explain your project's effects on items checked in the boxes in the other sections. References to plans and other analysis will also help staff evaluate your project.

Project Funding Request and Financing Summary

Please provide a funding summary and rough timeline for any applicable fields. If you are requesting County assistance in developing a cost estimate, you may leave the table blank, but consult with the Department at InvestInCook.CC@cookcountyil.gov before submitting your application. Project funding awarded under this program may not be used for staff salaries. Please include funding from completed phases.

	Starting County Fiscal Year*	Total Phase Cost	County Funds Request	Other Funding Sources	
				Fund Type**	Amount
Planning/Feasibility Study					
Preliminary Engineering					
Design Engineering					
Construction (Including Construction Engineering)					
Right of Way Acquisition					
Total Project Costs					

*Cook County fiscal years begin December 1st

**Please indicate the type of funding source (county, local, Federal, State, etc.)

Is local money committed? Yes No If yes, please provide copies of resolutions demonstrating commitment.
(Y/N)

Is ROW acquisition required for this project? Yes No If yes, has the ROW already been acquired? Yes No

Estimated Construction Year: _____

Applicant Experience

In the box below, please demonstrate your organization's ability to execute a project of similar size, scope, and complexity as the project for which you are submitting this application. Please provide a description, total cost and year of projects with comparable scopes completed by your organization in the recent past.

Evaluation Criteria

Consistency with Existing Plans

Does this project implement goals from Connecting Cook County? [] Yes [] No
Does this project implement goals from other local and regional plans? [] Yes [] No

*If you replied yes, please summarize and provide links to the plans in the project summary. If a web link cannot be provided, please attach a copy of the pertinent parts of the plan with your application. Consistency with Cook County plans, e.g. Planning for Progress, Partnering for Prosperity, or Connecting Cook County, will be looked at favorably.

Prioritizing Transit and Other Transportation Alternatives

Existing Multimodal Infrastructure/Services (check all that are present within the project buffer; buffers for each mode are specified in the program description)

- Transit (Rail), Transit (Bus), Bus Benches, Transfer Station, Bus Shelters, Sidewalks, Crosswalks, Trails, Paths, Bike Lanes, Street Lighting, Other

Transit Routes Used by Facility: _____

Daily Weekday Ridership: _____

- Condition of Transit Facilities: Excellent, Average, Poor
Condition of Pedestrian Facilities: Excellent, Average, Poor
Condition of Bicycle Facilities: Excellent, Average, Poor

New or Improved Multimodal Infrastructure/Services this project will provide (check all that apply)

- Transit (Rail), Transit (Bus), Bus Benches, Transfer Station, Bus Shelters, Sidewalks, Crosswalks, Trails, Paths, Bike Lanes, Street Lighting, Other

Primary Project Transportation Alternatives Impacts (please check all that apply):

- Fills gap(s) in the pedestrian network, Intersects existing trails or bikeways, Provides new bicycle facilities where none had existed, Improves safety in a high crash area, Improves the speed or reliability of transit services, Improves the safety or comfort of transit users, Fills gap(s) in the bicyclist network, Connects key destinations, Improves safety for pedestrians or bicyclists or both, Provides safe pedestrian access to existing transit route(s), Provides new transit service within a transit desert, Provides ADA improvements to transit facility, Helps complete a planned trail project, Provides new pedestrian facilities where none had existed, Improves an existing facility, Provides safe bicyclist access to existing transit route(s), Provides new transit where none previously existed

Support the Region's Role as North America's Freight Capital

New or Improved Freight Infrastructure/Services this project will provide (check all that apply)

- Roadways, Bridge, Rail, Permitting, Viaduct, Grade Separation, Intermodal Facility, Other

Traffic Volumes (AADT): Truck/Heavy Vehicle Share of Traffic (%)

Does an industrial area or company depend on the facilities your agency plans on improving? Yes/No. *If yes, please provide a description of the area and the company(s) impacted by your improvement in your project summary.

Primary Project Freight Impacts (please check all that apply):

- Project improves a designated truck route, Project improves the speed or reliability of goods movement, Project improves the safety of freight movement in the region, Project improves intermodal connections between freight modes

Promote Equal Access to Opportunities

Primary Project Impacts on Equal Access (please check all that apply):

- Project is in an economically disadvantaged area, Project is located in a CDBG designated low to moderate income census tract, Project is located in an area with a high minority population, Project reduces travel time for transportation users in a disadvantaged area, Project creates or retains jobs accessible to low- and moderate-income persons, Project helps make a currently disadvantaged area more attractive to new businesses

Maintain and Modernize What Already Exists

Primary Project Impacts on Maintenance and Modernization (please check all that apply):

- Project repairs a facility that is currently in poor condition, Project brings an existing facility up to modern design standards, Project improves signals to help safety and traffic flow, Project includes implementation of new safety features that were not present

Increase Investments in Transportation

Funding Programs Applied For:

- Federal Grants, State Grants, Local, Other

Funding Awards:

- Federal Grants, State Grants, Local, Other
