   c. Union Update with Workforce Development Meeting (non-union)
Meeting was held Thursday, March 9, 2017 at the Levy Center. M. Lyons reported the meeting was a huge success and that the seminar will help re-populate the LEP list with qualified individuals.

Sharon Johnson reported (7) seven major union shops participated; approximately 80 – 85 attendees; excellent feedback from attendees (received great information). Working on follow up with union reps to get there feedback on what worked/what didn’t work.

Also in attendance were (2) two of NU major contractors (W. B. Olson and Bulley Andrews) and Construction Industry Service Corporation (CISCO) were also on hand. CISCO primarily works to strengthen unionize the construction industry in the Chicagoland area; they are a one stop shop for all unions and possibly could provide assistance with planning Evanston union meeting in the future.
