APPROVAL OF MEETING MINUTES OF JANUARY 19
The motion to accept the minutes was approved.

EVANSTON LAKEHOUSE AND GARDEN (ELHG) DRAFT BUSINESS PLAN FOR
HARLEY CLARKE

Before the start of the presentation, Ald. Revelle noted that The Mather visited Harley
Clarke to see if they might be interested in using the site. They concluded there was
very limited space for group activities of meaningful size and that it would take millions
of dollars to properly restore it. Therefore, they are not interested in pursuing any kind of
efforts with Harley Clarke.

The committee reviewed the draft business plan prior to the meeting so ELHG gave a
brief overview with focus on 3 sections: the capital campaign goal, the five year budget
and the revenue assumption summary (attached). After discussion it was determined
the next step is to provide an update to the Lighthouse Landing Committee and the
Parks, Recreation and Community Services Board.

ADJOURNMENT
The meeting ended at 7:25PM. The next scheduled meeting is 6pm on March 16, 2017
at the Levy Center, 300 Dodge Ave.
