CONCLUSION

- The City of Evanston ended the first quarter in stable financial condition.
- City staff will continue to monitor overtime costs and will alert Council of any concerns.
- The State of Illinois continues to operate without a budget. The effect that a passed budget could have on Evanston varies. A contingency plan was presented in the 2017 Adopted Budget.
- State Administered taxes (Sales, and Income taxes) are expected to be below budget. Building permits will be impacted by land use decisions. End of year budget projections are for revenues to be below budget and a clearer picture will be provided in August.
