

Meet Our Teacher, Grace Byrnes!

I am so thrilled to be assisting at Chandler Newberger this year! As an Evanston mother of three children, Chandler-Newberger has been such an integral part of our lives for over a decade and counting. I also happen to be a former classroom teacher with over six years of experience teaching Science, Social Studies and Reading. I have a Master's Degree in Educational Leadership and have served on numerous committees, developed curricula, and enjoyed creating and facilitating extra-curricular activities for my students. I have also enjoyed volunteering at my children's schools whether it be presenting a math lesson in preschool, assisting with journaling or reading some of my favorite children's books. More recently I have been a volunteer toddler class teacher creating thematic classes that incorporate exploration, art, movement, and music. I just love being in the classroom and working with young learners!

Ms. Grace
