Preliminary Run Through – Saturday, December 9

This is a rehearsal prior to the Dress Rehearsal which provides the opportunity to block out group number areas on the ice. It also provides the opportunity to pull together the entire individual group and solo practices into a continuously flowing pattern. If you choose to stay and watch, please keep in mind, this is a REHEARSAL. The Preliminary Run Through and Dress Rehearsal are opportunities to trouble-shoot for problems. The choreographers assigned to your group are professionals, and will work out any problems that occur before the first show.

Arrival & Rehearsal Times

Act 1

Arrival Time: 12pm

Rehearsal Time: 12:15-1:45pm

Act 2

Arrival Time: 12:30pm

Rehearsal Time: 12:45-2:45pm

All skaters should arrive by their assigned time. When you arrive, please put on your skates. Those skaters who use rental skates should first go to the office and provide their name, group number name and level, and skate size. You will be assigned a pair of skates. There is no charge for the rental skates, however, the skates must be returned after your final rehearsal that day. The same skates will be assigned to you ice show weekend. After you put on your skates, go to the bleacher area in the Main Rink and sit with your group in the bleacher area. Your group number instructor will take the group on and off the ice at the proper time. Skaters may leave after their group has finished rehearsing.

Note: All soloists will skate their solos during the Preliminary Run Through

Dress Rehearsal Information - Thursday, December 14

This non-stop rehearsal will include full make-up, costumes, scenery and professional lighting. Coaches and choreographers use this time to work out any problems before the first show. If you have any concerns please wait until the rehearsal has concluded to communicate these to the appropriate coach. Every attempt will be made to resolve concerns. Please be patient with your children and the rehearsal process.

Skaters are only permitted to watch the Thursday Dress Rehearsal Performance. There will be a seating area on both the east and west end of the bleachers and parent volunteers will be seated with the performers to provide supervision. Skaters will be brought backstage when it is their time to perform. Skaters who do not observe the proper code of conduct will be asked to leave the bleacher area and will be escorted back to the team room area by a parent volunteers. Remind your children that the ice show is not an outdoor sports event where yelling and whistling is acceptable; it is an indoor family entertainment event where positive conduct and rules are in effect.

Badges can be picked up at the office during preliminary run though. All other parents should accompany their skater to the Dressing Room area, and then leave the skater with a team room volunteer who can assist in dressing the skater. Backstage volunteers will keep your skater with his/her group until the group has finished performing. Parents may wait for skaters in the lobby.

Soloists, Duets, Trios

All skaters will skate their solo or duet on dress rehearsal. The skater that has Friday matinee will wear the costume. The purpose of the Dress Rehearsal is to give us one final opportunity to find any correctable flaws prior to the very first performance for the public. **All soloists may practice from 4 - 6pm on Friday and 11am until 1pm on both Saturday and Sunday** to adjust their program to the sets. All soloists are reminded to skate only the performance to which they have been assigned and may wear only the solo costume provided by the Costume Committee.

All Soloists Must Wear Costumes Provided By The Costume Committee.
No Self-Provided Costumes Will Be Allowed.

Any infraction of this policy will result in the skater being removed from the current production and the privilege of performing in any future Robert Crown Ice Shows.

Rehearsal Schedule and Expectations

Please read the attached rehearsal schedule carefully. Groups are listed by title and skating level. All skaters must skate with the group that is the same level as their current skating class. Rehearsals are 30-60 minutes. Please arrive at least 15 minutes prior to the start time of the rehearsal, pick up rental skates (if needed) at the office, put your skates on and wait near the doors of the Studio or Main Rink. **Note:** Drinks and candy are not allowed on the ice at any time.

Dress Code

Snowplow Sam through Pre Free Skate should wear comfortable clothing that moves freely. Skaters in Free Skate 1 and above must wear skating attire. Jeans are never acceptable for skating. If you have long hair, it should be pulled back from your face.

Girls using rental skates should **bring a pair of medium length white socks** that will be cut along the bottom by our volunteers, and made into white skate covers.

Boys using rental skates should bring a pair of **medium length black socks**, which will be cut along the bottom by our volunteers, and made into black skate covers.

All female skaters should **wear nude/flesh colored tights**. Do not wear any other color and do not wear tights that have a high gloss or shimmer.

Attendance

You may not miss more than ONE REHEARSAL. If you are unable to attend a rehearsal, it is your responsibility to inform the Skating Professional in charge of your group number prior to rehearsal. In case of illness or unforeseen circumstances, the Figure Skating Program Coordinator must be contacted at 847.866.2924 or slamaster@cityofevanston.org. Group instructors will be notified of the skater's absence.

Any skater who misses more than ONE rehearsal is subject to suspension from the ice show. The Robert Crown Skating School reserves the right to remove a skater from the show, with no refund for excessive absences.

General Information

DVD order forms will be available late November.

Flowers will be available for purchase on-site. Flowers are to be presented to the skater off-ice after the performance.

Food and beverages are not allowed in the Dressing Room areas. Parents are encouraged to feed their skater prior to coming to the facility. If this is not possible, you may purchase food from the Concession Stand. Skaters will need to eat **BEFORE THEY GET INTO COSTUME**.

A Skating Professional will be the person responsible for taking the group from their dressing area to the ice and returning them to the backstage volunteers.

In the Gym, there will be tables set up for your child *to bring coloring books or reading books from home*. Donations of these items are appreciated!

Volunteers

Backstage volunteers will be limited to the number of performances in which they will be assisting. Color-coded volunteer badges can be picked up by parents who have volunteered their services by December 14th. Remember, only parents with specific volunteer badges, or those with a badge for a skater under 6 years old will be allowed into the Dressing Room areas. If you would like to volunteer, please complete the Volunteer Form included with this packet and return to RCCC by December 1.

Volunteers are not permitted to watch the performance while they are volunteering. If you would like to see the show (and we hope that you do), please purchase a ticket for the performance you wish to attend and then, of course, do not volunteer for that performance. Volunteers are to remain in their assigned work area at all times to perform the tasks for which they volunteered. *Volunteers are to remain in the dressing area until all of the children from their group have been picked up by a parent.*

Do not leave skaters unattended. If you must leave, place the child in another locker room with adult supervision, and let the adult know the skater is now under their supervision.

All guidelines stated in the Dress Rehearsal Section apply. Use the same assigned dressing rooms and adhere to the guidelines.

If you have questions during any of the performances, check the posted volunteer sheets outside the Dressing Room areas; the area coordinators will be listed at the top of each sheet.

School Matinee Performance Invitations

Friday, December 15 at 12:15pm

All Evanston District 65 grade and Junior High Schools receive invitations to attend the Friday matinee performance. If your skater attends a school other than those in District 65 and you would like your skater's school to receive an invitation email Noelle at nwright@cityofevanston.org and include the following information by November 30.

Skater's Name

School Name, Address, Phone Number

Teacher's Name and Grade

The matinee is a popular show and will sell out quickly. Unfortunately seats are not held for schools that do not respond to their invitation.

Show Tickets and Reservations

Performance reservations are taken on a first come, first served basis only.

Tickets: \$9 General Seating, \$10 Reserved Seating

Please help promote the sale of show tickets by asking your friends, neighbors and relatives to attend one of the performances. It is important that our skaters have an opportunity to display their talents in front of an appreciative audience. If you have any questions that can not be answered by your skating instructor, please feel free to call or email Noelle Wright at nwright@cityofevanston.org
