The following are general conditions of approval and procedural guidelines and specific terms of Agreement to which all projects are subject. Signatories of this Agreement certify that these conditions and procedures and terms and the conditions and procedures specific to this project will be adhered to unless amended in writing.

1. Complete Agreement.

- a. This Agreement, including all exhibits and other documents incorporated or referenced in the Agreement, constitutes the complete and exclusive statement of the terms and conditions of the Agreement between CMAP and the GOVERNMENTAL BODY and it supersedes all prior representations, understandings and communications. The invalidity in whole or in part of any term or condition of this Agreement shall not affect the validity of other terms or conditions.

b. CMAP's failure to insist in any one or more instances upon the performance of any terms or conditions of this Agreement shall not be construed as a waiver or relinquishment of CMAP's right to such performance by the GOVERNMENTAL BODY or to future performance of such terms or conditions and GOVERNMENTAL BODY'S obligation in respect thereto shall continue in full force and effect. The GOVERNMENTAL BODY shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions that can affect the work or the cost thereof. Any failure by the GOVERNMENTAL BODY to do so will not relieve it from responsibility for successfully performing the work without expense to CMAP.

c. CMAP and the GOVERNMENTAL BODY assume no responsibility for any understanding or representations made by any of its officers, employees or agents prior to the execution of this Agreement, unless such understanding or representations by CMAP are expressly stated in this Agreement.

d. Changes: CMAP and the GOVERNMENTAL BODY may, from time to time, order work suspension or make any change in the general scope of this Agreement including, but not limited to, changes, as applicable, in the drawings, specifications, delivery schedules or any other particular of the description, statement of work or provisions of this Agreement. A written amendment will be prepared for Agreement between CMAP and the GOVERNMENTAL BODY for changes in scope and/or time. No amendments are effective until there is a written Agreement that has been signed by both parties.

e. Changes to any portion of this Agreement shall not be binding upon CMAP and the GOVERNMENTAL BODY except when specifically confirmed in writing by an authorized representative of CMAP and the GOVERNMENTAL BODY.

2. **Compliance/Governing Law.** The terms of this Agreement shall be construed in accordance with the laws of the federal government and State of Illinois. Any obligations and services performed under this Agreement shall be performed in compliance with all applicable state and federal laws.
3. **Allowable Charges.** No expenditures or charges shall be included in the cost of the Project and no part of the money paid to CMAP shall be used for expenditures or charges that are: (i) contrary to provisions of this Agreement or the latest budget approved by a duly-authorized official of CMAP and the GOVERNMENTAL BODY; (ii) not directly for carrying out the Project; (iii) of a regular and continuing nature, except that of salaries and wages of appointed principal executives of CMAP who have not been appointed specifically for the purposes of directing the Project, who devote official time directly to the Project under specific assignments, and respecting whom adequate records of the time devoted to and services performed for the Project are maintained by CMAP may be considered as proper costs of the Project to the extent of the time thus devoted and recorded if they are otherwise in accordance with the provisions hereof; or (iv) incurred without the consent of CMAP after written notice of the suspension or termination of any or all of CMAP's obligations under this Agreement.
4. **Audits.** The records and supportive documentation for all completed projects are subject to an on-site audit by CMAP and the GOVERNMENTAL BODY. CMAP and the GOVERNMENTAL BODY reserve the right to inspect and review, during normal working hours, the work papers of the independent auditor in support of their audit report.
5. **Access to Records.** CMAP and the GOVERNMENTAL BODY shall maintain, for a minimum of **five years** after the completion of the Agreement, adequate books, records and supporting documents related to the Agreement which shall be made available for review upon request. Failure to maintain the books, records and supporting documents required by this Section shall establish a presumption in favor of CMAP for the recovery of any funds paid by CMAP under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. In addition:
 - (1) If any litigation, claim or audit is started before the expiration of five-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

- (2) Records for nonexpendable property acquired with federal funds shall be retained for three (3) years after its final disposition.

The GOVERNMENTAL BODY and CMAP shall be included in all subcontracts, if any, under this Agreement a provision that CMAP and the GOVERNMENTAL BODY will have full access to and the right to examine any pertinent books, documents, papers, and records of any such subcontractors involving transactions related to the subcontract for three (3) years from the final payment under that subcontract except that:

- (1) If any litigation, claim or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
- (3) Records for nonexpendable property acquired with federal funds shall be retained for three (3) years after its final disposition.

The term "subcontract" as used in this clause excludes purchase orders not exceeding \$2,500.

 - a. **Subcontracting:** Subcontracting, assignment or transfer of all or part of the interests of CMAP concerning any of the obligations covered by this Agreement is prohibited without prior written consent of the GOVERNMENTAL BODY.
 - b. **Procurement of Goods or Services:** For purchases of products or services with any Agreement funds that cost more than \$3,000 but less than the simplified acquisition threshold fixed at 41 U.S.C. 403 (11), CMAP shall obtain price or rate quotations from an adequate number (at least three) of qualified sources. Procurement of products or services with any Agreement funds that are in excess of \$100,000 will require CMAP to use the Invitation for Bid process or the Request for Proposal process. In the absence of formal codified procedures, the procedures of CMAP will be used. CMAP may only procure products or services from one source with any Agreement funds if: (1) the products or services are available only from a single source; or (2) after solicitation of a number of sources, competition is determined inadequate.
 - c. **Records.** CMAP and the GOVERNMENTAL BODY shall maintain records sufficient to detail the significant history of procurements. These records shall include, but are not necessarily limited to: information pertinent to rationale for the method of procurement, selection of contract type, contractor selection or rejection, and basis for the cost or price.
 - d. No CMAP or GOVERNMENTAL BODY employee shall participate in the procurement of products or services if a conflict of interest, real or apparent, would be involved. No employee shall solicit or accept anything of monetary value from bidders or suppliers.
7. **Equipment Inventory.** An inventory of non-expendable personal property having a useful life of more than two years and an acquisition cost of \$500 or more is subject to periodic inspection by CMAP and the GOVERNMENTAL BODY.
8. **Method of Payment.** Project expenditures are paid directly from federal and/or state or GOVERNMENTAL BODY funds. Because CMAP is responsible for obtaining federal reimbursement for project expenditures, it is necessary that CMAP monitor all procedures and documents which will be used to claim and support project-related expenditures.
9. **Suspension.** If the GOVERNMENTAL BODY fails to comply with the special conditions and/or the general terms and conditions of this Agreement, CMAP may, after written notice to the GOVERNMENTAL BODY, suspend the Agreement, pending corrective action by the GOVERNMENTAL BODY. If corrective action has not been completed within sixty (60) calendar days after service of written notice of suspension, CMAP

shall notify the GOVERNMENTAL BODY in writing that the Agreement has been terminated by reason of default in accordance with paragraph 10 hereof.

10. Termination.

- a. This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure (hereinafter termed "Termination by Default") by the other party to fulfill its obligations under this Agreement through no fault of the terminating party, provided that no such termination may be affected unless the other party is given (i) not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to Termination by Default, and (ii) an opportunity for consultation with the terminating party prior to Termination by Default.
- b. This Agreement may be terminated in whole or in part in writing by CMAP for its convenience (hereinafter termed "Termination for Convenience"), provided that the GOVERNMENTAL BODY is given not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to terminate.
- c. Upon notice of termination action pursuant to paragraphs (a) or (b) of this clause, CMAP shall (i) promptly discontinue all services affected (unless the notice directs otherwise) and (ii) deliver or otherwise make available to the GOVERNMENTAL BODY all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by CMAP in performing this Agreement, whether completed or in process.

11. Remedies. Except as may be otherwise provided in this Agreement, all claims, counterclaims, disputes and other matters in question between CMAP and the GOVERNMENTAL BODY arising out of or relating to this Agreement or the breach thereof will be decided by arbitration. If the parties hereto mutually agree, a request for remedy may be sought from a court of competent jurisdiction within the State of Illinois, County of Cook.

12. Equal Employment Opportunity. The GOVERNMENTAL BODY and CMAP will comply with Executive Order 11246 entitled "Equal Employment Opportunity," as amended by U.S. Department of Labor regulations (41 CFR Part 60) and the Illinois Human Rights Act or the Rules and Regulations of the Illinois Department of Human Rights. In connection with the execution of this Agreement, the GOVERNMENTAL BODY and CMAP shall not discriminate against any employee or an applicant for employment because of race, color, religion, sex, sexual orientation, marital status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service. The GOVERNMENTAL BODY and CMAP shall take affirmative actions to insure that applicants are employed and that employees are treated during their employment without regard to their race, color, religion, sex, sexual orientation, marital status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service. Such actions shall include, but not be limited to, employment, promotion, demotion, transfer, recruitment, recruitment advertising, layoff, termination, rates of pay, other forms of compensation, and selection for training or apprenticeship. The GOVERNMENTAL BODY and CMAP shall cause the provisions of this paragraph to be inserted into all subcontractors' work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that such provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

13. Small and Minority Business Enterprise. In connection with the performance of this Agreement the GOVERNMENTAL BODY will cooperate with CMAP in meeting its commitments and goals with respect to the maximum utilization of small business and minority business enterprises, and will use its best efforts to insure that small business and minority business enterprises shall have the maximum practicable opportunity to compete for subcontract work under this Agreement.

14. Political Activity. No portion of funds for this Agreement shall be used for any partisan political activity or to further the election or defeat of any candidate for public office.

15. Prohibited Interest.

a. No officer or employee of CMAP or the GOVERNMENTAL BODY and no member of its governing body and no other public official of any locality in which the Project objectives will be carried out who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such objectives shall (i) participate in any decision relating to any subcontract negotiated under this Agreement which affects his or her personal interest or the interest of any corporation, partnership or association in which he or she is, directly or indirectly, interested; or (ii) have any financial interest, direct or indirect, in such subcontract or in the work to be performed under such contract.

b. No member of or delegate of the Illinois General Assembly or the Congress of the United States of America, and no federal Resident Commissioner, shall be admitted to any share hereof or to any benefit arising herefrom.

c. The GOVERNMENTAL BODY and CMAP warrants and represents that no person or selling agency has been employed or retained to solicit or secure this Agreement, upon an agreement or understanding for a commission, percentage, bonus, brokerage or contingent fee, or gratuity, excepting its bona fide employees. For breach or violation of this warranty CMAP or the GOVERNMENTAL BODY shall have the right to annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage bonus, brokerage or contingent fee, or gratuity.

16. **Conflict of Interest.** In order to avoid any potential conflict of interest, the GOVERNMENTAL BODY and CMAP agree during the term of this Agreement not to undertake any activities which could conflict directly or indirectly with the interest of CMAP or the GOVERNMENTAL BODY. The GOVERNMENTAL BODY shall immediately advise CMAP of any such conflict of interest. CMAP shall make the ultimate determination as to whether a conflict of interest exists.

**Chicago-Cook County Assessment of Fair Housing
Scope
September 2017**

In the summer of 2015, the U.S. Department of Housing and Urban Development (HUD) published a new rule on affirmatively furthering fair housing. The new rule requires entitlements and public housing authorities (PHAs) to produce an Assessment of Fair Housing (AFH). Cook County includes 21 different entitlements and housing authorities that will need to produce an AFH.

HUD encourages local entities to collaborate on regional AFH. Collaboration offers numerous potential benefits. Entitlements and PHAs can more efficiently and effectively meet federal fair housing requirements, often at a cost-savings to previous fair housing analyses. An AFH for all of Cook County allows participants to utilize the ongoing work of high-capacity civic organizations to define and assess equity related topics at a regional scale. This scope outlines the partners, roles, process, geography, and timeframe for the development of an AFH for all of Cook County.

Timeframe

Under the rule, the participants must choose one lead entity for the submission of the plan. That lead entity must be an entitlement or PHA. The due date for all participants will be that of the lead entity. The due date for the county-wide AFH does not change the due dates for consolidated plans or PHA five year plans. The official HUD due date for the AFH will be January 5, 2020. The project will start on November 1, 2017.

Partners and roles

- *Lead entity-* All entitlements and PHAs participating in this AFH must designate, through an IGA, a jurisdiction to serve as the lead entity. Beyond setting the due date for the AFH, the lead entity must also oversee the submission (including in the HUD designated system) of the AFH on behalf of all participants along with addressing follow-up inquiries about the effort. Cook County will serve as the lead entity for this project. The official HUD due date for the AFH will be January 5, 2020.
- *Entitlements-* Both municipal and county entitlements are partners in this project. Such participation may take many forms depending on interest and capacity. Staff members and elected officials will spend time participating in meetings, reviewing deliverables, and conducting local outreach. Moreover, entitlements will be expected to provide funding to support the project. The collaborative nature of this project is expected to reduce the cost of compliance for most entities. The following entitlements are voluntarily participating in this project: Chicago, Cook County, Arlington Heights, Berwyn, Cicero, Des Plaines, Evanston, Hoffman Estates, Mount Prospect, Oak Lawn, Oak Park, Palatine, Schaumburg, and Skokie.

-
- *PHAs-* Under the rule, a PHA must also produce an AFH. Much like with entitlements, this scope envisions that PHA staff and officials will participate in meetings, review deliverables, and conduct local outreach. PHAs will be expected to provide funding to support completion of the project. This is a new cost for PHAs, as they have not conducted such fair housing planning in the past. The following PHAs are voluntarily participating in this project: Chicago Housing Authority, Housing Authority of Cook County, Cicero Housing Authority, Maywood Housing Authority, Oak Park Housing Authority, and Park Forest Housing Authority.
 - *Chicago Metropolitan Agency for Planning-* CMAP is the official regional planning organization for the northeastern Illinois counties of Cook, DuPage, Kane, Kendall, Lake, McHenry, and Will. CMAP developed and now guides implementation of the GO TO 2040 comprehensive regional plan, and also developed the region's Fair Housing and Equity Assessment (FHEA) as part of a Sustainable Communities Regional Planning grant. CMAP will provide of technical assistance to develop the AFH and oversee the participation of other civic organizations.
 - *Civic organizations-* The following civic organizations will assist entitlements and PHAs with the development of an AFH: Chicago Area Fair Housing Alliance and the Metropolitan Planning Council (MPC). These groups will provide specialized assistance on key topic areas ranging from fair housing complaints and compliance to development of new metrics and national best practices around equity issues.

Project Team

The day-to-day operation and oversight of the project will be managed by a project team composed of CMAP, participating civic organizations, one Cook County representative, one City of Chicago representative, one Chicago Housing Authority representative, one Housing Authority of Cook County representative, one municipal PHA, and one municipal entitlement. The Project Team will meet regularly to discuss progress on the project, upcoming steps, and share completed work product between the parties.

Steering Committee

To represent the considerations of the many parties involved in development of the AFH, a steering committee will provide feedback to the Project Team throughout the planning process. This broad group will consist of one representative from each participating entitlement or PHA. The steering committee will review all draft documents in advance of public release and/or legislative review/approval.

Tasks

1. Pre-kickoff work

Before the project formally kicks off, several steps must be completed. These activities will occur prior to the “formal” project initiation in November 2017. These tasks include the following.

- The governing body of each participating entity will need to approve a resolution expressing support for the project and authorizing participation.
- All participants must sign an agreement that explains expectations for the relationship between the participants, project management, access to resources, contribution of local funding to support the project, etc. The agreement will need to be signed before the project formally begins.
- All participants must sign individual agreements with CMAP that explain expectations for the relationship between CMAP and the various the participants, project management, access to resources, contribution of local funding to support the project, etc. The agreement will need to be signed before the project formally begins.
- CMAP will notify HUD via letter which parties are participating in the AFH and submit copies of the agreements.

2. Outreach

Strong public outreach that goes beyond HUD statutory requirements will be a backbone of this project. To accomplish this, outreach will take place in three distinct parts.

- Initially public outreach will occur through large activities. CMAP will use the online survey site MetroQuest to develop an English and Spanish survey that can be used throughout the County to assess the fair housing issues that are of greatest concern. Concurrent with the MetroQuest site, CMAP will work with partners to facilitate seven workshops, three in the City and four in the County. Some entitlements and PHAs will want to ensure that a workshop is being held in their community. As such, CMAP will prepare “meeting in a box” materials that project partners can use to conduct additional workshops using the same materials and format. Work in this phase will include outreach trainings for entitlements, PHAs, and service organizations to ensure that each can serve as viable partners to ensure participation from a wide array of stakeholders.
- The second phase of outreach will primarily consist of topical focus groups throughout the City and County. At the conclusion of the initial round of outreach activities, the Project Team will review who participated in the various events. Those findings will help guide the focus groups for phase two, ensuring that all are given the opportunity to participate, including the following groups highlighted by HUD. The need for outreach in languages other than English and Spanish will be considered on a case-by-case basis.
 - State or local fair housing agencies and organizations
 - Tenant organizations
 - Community-based organizations that represent protected class populations
 - Faith-based organizations

-
- Public and private agencies that provide social services
 - Philanthropic organizations
 - Resident Advisory boards for participating PHAs
 - State and local universities
 - Disability advocacy groups
 - Public, private, and non-profit housing providers
 - Realtors
 - Property management companies
 - Lenders
 - Ex-offenders/criminal justice groups
 - Continua of Care
 - Human Rights Commissions
 - Private developers

As in phase one, CMAP will prepare “meeting in a box” materials that project partners can use to conduct focus groups using the same materials and format. Users of the “meeting in a box” materials will be responsible for timely reporting of meeting outcomes for integration into the larger effort.

- The final phase of public outreach would occur as the plan is finalized and approved. Seven open houses would be held, three in the City and four in the County, for parties to review and comment on the draft plan. All of these open houses would occur during a 30 day public comment period. After comments received during the open houses and the 30 day public comment period are integrated into the document, each entitlement and PHA would need to proceed with local approval, which would need to include a formal public hearing.

Beyond the specific outreach tasks identified above, CMAP and other civic partners on this project are always conducting outreach in the region for various projects and it is assumed that outreach from those activities would also be brought to bear on this project. In particular, CMAP is in the process of creating ON TO 2050, the region’s next comprehensive plan. Topics being researched as part of ON TO 2050 include housing choice, inclusive growth, resilience, and disinvested areas. Findings from ON TO 2050 will be utilized in AFH development.

CMAP will create and host a dedicated project webpage containing information on the planning process and key deliverables. Each PHA and entitlement will need to include a link from their own website to the CMAP project webpage. Materials posted on the webpage may include project announcements, upcoming meeting dates, meeting materials, draft documents for review, online surveys, etc. CMAP will be responsible for posting the material and keeping the page up-to-date.

All public outreach collected during the process will be summarized in an outreach document that will be an appendix to the plan. This will include a description of outreach activities; approach to reaching various populations, including underrepresented populations; a list of people/organizations who participated during the planning process; a summary of the feedback received throughout the process; and a log of all comments received during the open houses

and public comment period, including a summary of any comments, views, and recommendations not accepted by entitlements and PHAs and the reasons for non-acceptance.

3. Existing conditions analysis

An important interim product is the “existing conditions report.” This document will discuss the existing conditions of fair housing, including patterns of integration and segregation; racially or ethnically concentrated areas of poverty; disparities in access to transit, jobs, and economic opportunity; and disproportionate housing needs. The project team will prepare the existing conditions analysis, with data support and review from the entitlements and PHAs.

Entitlements and PHAs accountable for their individual analysis along with that of a joint regional analysis. Participating in a county-wide AFH does not relieve each entitlement or PHAs of its obligation to analyze and address local and regional fair housing issues and contributing factors that affect fair housing choice.

Given this, the existing conditions report will include one regional analysis of fair housing conditions in the region and local assessments for individual participants. See the [Kansas City Metropolitan Area AFH](#) as a potential model. The analysis will include the following:

- A demographic summary that includes an analysis on patterns of segregation and integration locally and regionally and factors that that significantly impact segregation/integration.
- Identification of Racially or Ethnically Concentrated Areas of Poverty (R/ECAPs), disparities in access to opportunity, and disproportionate housing needs, and factors that significantly impact the presence of these issues.
- An analysis of publicly supported housing in terms of location, demographics, occupancy, and access to opportunity, along with the identification of factors that significantly impact the existing conditions.
- An analysis of the presence, location, and access to opportunity of persons with disability, along with the identification of factors that significantly impact the existing conditions.
- An assessment of the current fair housing ecosystem, including the capacity of individual jurisdictions to conduct fair housing outreach or enforcement, whether themselves or through a local partner, along with the identification of factors that significantly impact the existing conditions.

Local data will be used to supplement HUD provided data. The Lead Entity will be responsible for helping CMAP and other consultants access the HUD provided data. Supplemental data will be identified in many ways, including through Task 2. The Project Team also anticipates using data developed in ongoing planning activities to inform the existing conditions analysis, including ON TO 2050, MPC’s Cost of Segregation project, and the FHEA.

4. Plan development

Task 4a: Key recommendations memo

Before the plan is drafted, the Project Team will prepare a memo describing the key recommendations that are expected to be contained in the plan. The memo will include both fair housing goals and priorities applicable to all participants and local fair housing goals and priorities applicable to each individual participant. The purpose of the memo is to provide each participant with a summary of key recommendations before much time is spent writing them in detail; if there are significant problems with any elements of the report, they should surface at this point. Individual memos will be prepared for each participant. At least one Steering Committee meeting is envisioned to discuss the county-wide recommendations. Each participant will be responsible for determining the preferred local process to vet the memo.

Task 4b: Draft plan

The findings from community outreach and the existing conditions report along with the recommendations memos will be synthesized into a draft AFH. The AFH must be submitted via the online HUD assessment tool. CMAP and the Lead Entity will work closely with the rest of the Project Team create a draft AFH that follows the proscribed HUD framework. The Steering Committee will be responsible for reviewing and providing feedback on the drafts of the AFH during this phase of the project.

Task 4c: Graphic Design

To supplement the official HUD version of the plan that will be submitted online, CMAP will take contents of the draft plan to create one easy-to-read and graphically rich summary. The graphic document will cover public involvement, key findings, and local and county-wide recommendations.

5. Plan approval

Task 5a: Open houses and comment period

As noted under Task 2, the Project Team will hold seven open houses, three in the City and four in the County, for parties to review and comment on the draft plan. All of these open houses would occur during a 30 day public comment period. The Project Team will finalize the plan after the close of the comment period.

Task 5b: Public hearings

Public hearings will be held on the finalized plan as needed in each entitlement and PHA. Each PHA and entitlement is responsible for all noticing related to the public hearing. The Project Team will provide support as necessary.

Task 5c: Approval

Each participating PHA and entitlement will formally approve the AFH. Each PHA and entitlement is responsible for all noticing related to the approval meeting. The Project Team will provide support as necessary.

Task 5d: HUD submission and approval

After the plan has been approved by all parties, the AFH must be submitted to HUD. The Lead Entity will be responsible for submission to HUD, including the uploading of all materials in the HUD submission system.

HUD will either approve the AFH or provide a response letter noting required changes within 60 days of submission. HUD may accept a regional AFH for some participants, but not accept the regional AFH for others. The Project Team will work with any participants for whom the regional AFH was not accepted by HUD to address any changes and resubmit within the designated response period.
