

To update your payment method:

Click on Login or register for ebilling

Login in with your email or account number and password

On the left side go to make a payment or access auto-pay

Click on access auto-pay

Login to the customer dashboard

Go to "find a schedule" tab

Enter your complete full account number with no dash

Drop down "utility bill"

Enter search

You will now find your payment schedule here on the bottom of the screen

Edit information here.

Frequency: on the due date of each bill

end date: leave blank

edit payment method

save

accept terms

save

If change is done prior to due date, new payment method will be applied.

If change is made after due date, payment method will be applied on next bill, so you may have to make a single payment to pay current bill.
