END OF YEAR ESTIMATES

- The City of Evanston implemented a number of cost-saving methods to slow/stop spending through Dec 31, 2017.
 - Non-essential purchases have been held
 - Over-time reports presented to City Council
 - Hiring freeze
 - 4th quarter report will include the Nov . 10th furlough day
 - Additional transfers from Other Funds
- With these methods, staff continues to hold the line on expenses with the goal to end the year in a slight surplus of revenues over expenses in the General Fund.
- One clear evidence of this effort is the level of General Fund expenses in the Bills List which is under \$300,000 for the 11/27/17 bills list.

CONCLUSION

- The City of Evanston ended the third quarter in stable financial condition but continues to be cautious about year-end spending.
- City staff will continue to monitor expenses and will alert Council of any concerns.
- General Fund revenues continue to be below budgeted goals but are trending to those estimated in previous communications to the City Council.
