JRB Procedures

Summary: Joint Review Board (JRB) Requirements Tax Increment Allocation Redevelopment Act (Illinois Compiled Statutes, Chapter 65, Section 5/11-74, 4-5(b)).

JRB Meetings
All board members shall be appointed and the first board meeting shall be held at least 14 days but not more than 28 days after the mailing of notice by the municipality to the taxing districts as required by Section 11-74.4-6(c). Such notice shall also advise the taxing bodies represented on the joint review board of the time and place of the first meeting of the board. Additional meetings of the board shall be held upon the call of any member. The municipality seeking designation of the redevelopment project area shall provide administrative support to the board.

JRB Duties and Procedures
The board shall review (i) the public record, planning documents and proposed ordinances approving the redevelopment plan and project and (ii) proposed amendments to the redevelopment plan or additions of parcels of property to the redevelopment project area to be adopted by the municipality. As part of its deliberations, the board may hold additional hearings on the proposal. A board's recommendation shall be an advisory, non-binding recommendation. The recommendation shall be adopted by a majority of those members present and voting. The recommendations shall be submitted to the municipality within 30 days after convening of the board. Failure of the board to submit its report on a timely basis shall not be cause to delay the public hearing or any other step in the process of designating or amending the redevelopment project area but shall be deemed to constitute approval by the joint review board of the matters before it.

The board shall base its recommendation to approve or disapprove the redevelopment plan and the designation of the redevelopment project area or the amendment of the redevelopment plan or addition of parcels of property to the redevelopment project area on the basis of the redevelopment project area and redevelopment plan satisfying the plan requirements, the eligibility criteria defined in Section 11-74.4-3, and the objective of this Act.

The board shall issue a written report describing why the redevelopment plan and project area or the amendment thereof meets or fails to meet one or more of the objectives of this Act and both the plan requirements and the eligibility criteria defined in Section 11-74.4-3. In the event the Board does not file a report it shall be presumed that these taxing bodies find the redevelopment project area and redevelopment plan satisfy the objectives of this Act and the plan requirements and eligibility criteria.

If the board recommends rejection of the matters before it, the municipality will have 30 days within which to resubmit the plan or amendment. During this period, the municipality will meet and confer with the board and attempt to resolve those issues set forth in the board’s written report that led to the rejection of the plan or amendment.

Municipal Actions
Notwithstanding the resubmission set forth above, the municipality may commence the scheduled public hearing and either adjourn the public hearing or continue the public hearing until a date certain. Prior to continuing any public hearing to a date certain, the municipality shall announce during the public hearing the time, date and location for the reconvening of the public hearing. Any changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall be the subject of a public hearing before the hearing is adjourned if the changes would 1) substantially affect the general land uses proposed in the redevelopment plan, (2) substantially change the nature of or extend the life of the redevelopment project, or (3) increase the number of inhabited residential units to be displaced from the redevelopment project area, as measured from the time of creation of the redevelopment project area, to a total of more than 10. Changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall not require any further notice or convening of a joint review board meeting, except that any changes to the redevelopment plan that would add additional parcels of property to the proposed redevelopment project area shall be subject to the notice, public hearing, and joint review board meeting requirements established for such changes by subsection (a) of Section 11-74.4-5.

In the event that the municipality and the board are unable to resolve these differences, or in the event that the resubmitted plan or amendment is rejected by the board, the municipality may proceed with the plan or amendment, but only upon a three-fifths vote of the corporate authority responsible for approval of the plan or amendment, excluding positions of member that are vacant and those members that are ineligible to vote because of conflicts or interest.
