

# I1 – I3

## INDUSTRIAL DISTRICTS

(Zoning Ordinance §6-14-1; 6-14-2; 6-14-3; 6-14-4) updated 06.30.2011

### PURPOSE

#### I1 Industrial District

The I1 industrial/office district is intended to provide an environment for business, office and general light industrial uses, while minimizing the impact of such activities upon adjacent residential neighborhoods through good site planning and design, including landscaped buffer yards.

The district is intended to accommodate warehousing, office, light fabrication, assembly, storage activities, and combinations thereof, as well as commercial uses related to industrial and office uses.

One of the primary goals of the I1 district is to provide for expansion of incubator businesses originating in the research park district.

#### I2 Industrial District

The I2 general industrial district is intended to provide sites for light manufacturing and light industrial uses under controls that minimize any adverse effects on property in nearby residential, business, and commercial districts.

#### I3 Industrial District

The I3 general industrial district is intended to provide sites for manufacturing and industrial uses under controls that minimize any adverse effects on property in nearby residential, business, and commercial districts.
