**NEW TREE APPLICATION FORM**

A new tree can be planted in any Evanston park for a donation of \$600. A living tree will improve the park’s appearance, reduce greenhouse gases and provide shade. According to the U.S. Department of Agriculture, the net cooling effect of a young, healthy tree is equivalent to ten room-size air conditioners operating 20 hours a day. All tree donations will be recognized on the City of Evanston’s web site.

Please print the name or message on the lines below exactly the way you would like it to appear on the web site.
