URBAN REFORESTATION DONATION FORM

In 2011, several severe wind storms caused extensive damage to public trees. In order to help the City recover from these and other types of storms, a new urban reforestation fund is being established to help maintain Evanston's parkway and park trees. In addition to storm damage, Evanston's public trees face attrition due to disease and age. All donations of \$25 or more made to this fund will be recognized on the City of Evanston's web site, www.cityofevanston.org.

Please print the name or message on the lines below exactly the way you would like it to appear on the web site.
