This Lease Agreement (the "Agreement" or "Lease") shall take effect as of the date of execution of the Agreement by the City (the "Effective Date"). This Lease is by and between The City of Evanston, an Illinois home rule municipality and owner of subject Property ("Landlord"), whose main business office is located at 2100 Ridge Avenue, Evanston, Cook County, Illinois, "Landlord", and «Tenant», «Tenant_Description_» ("Tenant"). Landlord and Tenant may be referred to collectively as the "Parties".

SECTION 1. DESCRIPTION OF PREMISES

Landlord leases to Tenants spaces «Leased_Spaces», located on the «Leased_Space_Location» floor of the property with a street address of 927 Noyes Street, Evanston, Illinois 60201 (the "Premises"), situated within the Landlord's 3-story building located at the same common address and legally described on Exhibit A (the "Property") and commonly known as the Noyes Cultural Arts Center ("NCAC").

The Property has various uses including artist workshops, resident young adult summer camp classes, art exhibits, and many other uses. The term "Common Facilities" as used in this Agreement will include those areas and facilities within the Property (outside of the Premises) for the nonexclusive use of Tenants in common with other authorized users, and includes, but is not limited to, sidewalks, parking area, planted areas (excluding the adjoining park area), common area restrooms and open means of ingress and egress. Tenants will have the non-exclusive right to use the Common Facilities, including the washrooms referenced above.

SECTION 2. TERM

The term of this Agreement will be for one year, January 1, 2018 – December 31, 2018 (the "Term"). Tenants must provide Landlord with 90 days' notice to request a renewal of the Agreement for the Premises. Landlord, in its sole discretion, may decide that a Renewal Term is not necessary and in the best interests of the City. Renewal of the Agreement must be authorized by written consent of the Parties and must be authorized by the City Council.

SECTION 3. RENT

A. **RATE:** Tenants agree to pay Landlord an annual rental payment (the "Rent") in accordance with the following schedule:

1. For the period of January 1st – December 31st (twelve months), the Rent rate is \$«Rent_rate» per month, for total Rent of \$«Total_Rent» for the twelve months.

B. **PAYMENTS.** The Rent outlined in Section 3[A][1] above shall be paid in accordance with said Section.

C. Any and all Rent **PAYMENTS** under this Lease shall be mailed to:

City of Evanston
Parks, Recreation, and Community
Services Department
2100 Ridge Avenue, First Floor
Evanston, IL 60201

D. PROPERTY FEES SCHEDULE: Attached as **Exhibit B** is a schedule of fees for all tenants of the Property, if applicable, including Tenant ("**NCAC Property Fees**"). To the extent incurred by Tenant, the NCAC Property Fees specified on the fee schedule will be invoiced separately and shall be paid by the due date listed on the invoice. To the extent incurred by Tenants, the NCAC Property Fees are to be paid by Tenants regardless of the applicable rental rate specified in Section 3 [A]. Tenants acknowledges that they will reimburse the City for use of the Common Facilities (as specified on **Exhibit B**) after the standard business hours set by the City and the Association, which hours shall not be less than the following hours throughout the Term (including any Extended Term): 8:00 a.m. – 11:00 p.m. Monday – Friday; 8:30 a.m. – 11:00 p.m. on Saturday; and 10 a.m. – 6:00 p.m. on Sunday (the "**Business Hours**").

E. SURCHARGE:

1. Tenant acknowledges and agrees that all non-Evanston residents (individuals only) are assessed a 20% surcharge on rent. The 20% surcharge will not be applicable to non-Evanston resident Sub-lessees if the Lessee (individuals only) is an Evanston resident. The 20% surcharge is applicable to a non-Evanston resident Sub-lessee only if and when the Sub-lessee assumes the remainder of the entire lease or a co-lease, or upon termination by Lessee or the Lessor. In order for an Organization to be exempt from incurring a 20% surcharge, its principal place of business must be in Evanston. Organizations must attach Articles of Incorporation to this Lease.

2. Monthly rental charges assessed to Sub-lessees will not be in excess of one-half the rent charged to Lessee by the Lessor. A written sublease agreement between the Lessee and Sub-lessee must be given to the Lessor covering the lease terms prior to Sub-lessee's use of space. The sublease agreement must include the payment schedule and the dollar amount paid by Sub-lessee to Lessee. Community service obligations assessed to Sub-lessee are in addition to the full obligation assessed to Lessee. Therefore, the Community Engagement obligations assessed to Lessee will not decrease as a result of a sublease.

SECTION 4. COMMON FACILITIES

A. MAINTENANCE BY LANDLORD: Tenants acknowledge that they have leased the Premises for many years and receive the Premises, Common Facilities and remainder of the Property in as-is condition, and acknowledge that the Landlord has made no representations to the condition or has made any repairs to same. 3. The Tenants will at all times maintain all of the Premises in a clean, neat and orderly condition. The Tenants will not use the Premises in a manner that will violate or make void or inoperative any policy of insurance held by the Landlord. The Tenants shall pay the Landlord for overtime wages for staff and for any other related expenses incurred in the event that repairs, alterations or other work in the Premises required or permitted hereunder are not made during ordinary Business Hours (as defined in Section 3[E]) at the Tenant's request.

4. Tenants will keep the interior non-structural portions of the Premises, including all interior, non-structural walls, surfaces and appurtenances (other than systems and any other items that Landlord is required to maintain pursuant to Section 4[A]), in good repair. Tenants shall be responsible for repairs, damages and losses for damages sustained outside the Premises to other NCAC tenant's personal property or leased area attributable to Tenant's negligence or intentional misconduct, subject to Section 12[E]. All such damage must be reported in writing to the Director of Parks,

Recreation and Community Services, or his/her designee, by the next City of Evanston business day, after discovery of such damage by Tenants.

5. Repairs by Tenants must have prior written approval by the Director of Parks, Recreation and Community Services, or his or her designee, and must occur within thirty (30) days of such approval unless the Director of Parks, Recreation and Community Services, or his or her designee, gives a prior written request or grants approval for an extension beyond the thirty (30) days (or unless such repairs cannot reasonably be completed within thirty (30) days, in which case, Tenant shall have such additional time as is reasonably required). If Tenants fail to make the necessary repairs by the date determined by the Lessor, the Landlord has the option to make the necessary repairs and Tenants agree to promptly pay for those repairs upon presentation of an invoice by the Landlord to the Tenant. Tenants are required upon lease termination to leave space in good repair and condition. Maintenance and repair issues which constitute a life and safety hazard must be corrected within twenty-four (24) hours after discovery by Tenants, provided that the issue can be fixed within that time frame. If the issue cannot be fixed within twenty-four (24) hours after discovery by Tenants, the Tenants must provide a schedule for repair within one (1) business day after discovery by Tenants to the Director of Parks, Recreation and Community Services for approval, which cannot be unreasonably withheld.

SECTION 5. USE OF PREMISES

A. PURPOSES: Tenants will use the Premises to operate a «Tenant_Specific_Use_of_Premises», and other related business and uses incidental thereto, and no part of the Premises will be used for any other purpose without the prior written consent of Landlord (the "Permitted Use"). If Tenants endeavors to apply for a liquor license for the Premises, the Landlord gives its written consent for said application to be submitted and reviewed by the City in conformance with the City Code procedures, as amended. The City agrees to cause such license to be granted if Tenants meets applicable requirements.

B. HOURS OF OPERATION AND LANDLORD ACCESS:

1. Tenant's use of the Premises shall only be for the permitted use. Tenants shall have the right to conduct their business in the Premises during the Business Hours (as defined in Section 3[E]) of the Property. In addition, Tenants' staff, agents, employees and contractors may access the Premises twenty-four hours a day, seven days a week, but shall not have access to the interior Common Facilities after the Business Hours (as defined in Section 3[C]) of the Property. The Property will be closed on holidays/days as observed by the City of Evanston (but Tenants will still have access to the Premises).

2. The Landlord shall have the right to retain a set of keys to the Premises, and Tenants shall not change any locks for the Premises to any other lock, other than a lock consistent with the Landlord's master lock for the Property. The Tenants shall permit the Landlord to erect, use and maintain pipes, ducts, wiring and conduits in and through the Premises concealed to the greatest extent possible, above ceiling, under floor or in walls that don't reduce the square footage of the Premises and don't materially affect Tenants' use of the Premises. The Landlord shall have the right to enter upon the Premises with 24 hours prior written notice or without notice in case of an emergency, to control heat, electricity and air conditioning, to inspect the same, and to make such

repairs, alterations, improvements or additions to the Premises or the NCAC, as the Landlord may deem necessary or desirable. Tenants will not cease any Rent payments while repairs, alterations, improvements, or additions are being made, by reason of loss or interruption of business of the Tenants, or otherwise, provided Landlord shall complete such work as quickly as reasonably possible. Notwithstanding the foregoing, if a portion of the Premises is unusable for the purpose contemplated hereunder for a period of greater than 5 days (including, without limitation, as a result of a casualty or a condemnation or the repairs required in connection therewith), the fixed minimum monthly rental will be equitably reduced in the proportion that the unusable part of the Premises bears to the whole. The determination of the unusable space shall be reasonably determined by the Landlord based on square footage. Notwithstanding anything to the contrary contained herein, Landlord shall not have the right to alter the Premises except as expressly required or permitted hereunder. Notwithstanding the foregoing, if the repairs, alterations, improvements, or additions are at a Tenant's request or if the repairs are necessitated by a Tenant's actions, then the Tenants may not cease any rent for any period, unless the Premises are unusable as a result of the negligence or intentional misconduct of Landlord or its agents, employees or contractors. If a Tenant shall not be personally present to open and permit an entry into Premises, at any time, when for any reason an entry therein shall be necessary or permissible, the Landlord or the Lessor's agents may enter the same by using the key, or may forcibly enter the same, without rendering the Landlord or such agents liable therefore (if during such entry the Landlord or the Lessor's agents shall accord reasonable care to Tenants' property), and without in any manner affecting the obligations and covenants of this Lease.

3. Nothing herein contained, however, shall be deemed or construed to impose upon the Landlord any obligations, responsibility or liability whatsoever, for the care, supervision or repair of the Premises or any part thereof, other than as herein provided. The Landlord shall also have the right at any time without the same constituting an actual or constructive eviction and without incurring any liability to the Tenants therefore, to change the arrangement and/or location of Common Facilities, including entrances or passageways, doors and doorways, and corridors, stairs, toilets or public parts of the NCAC, and to close Common Facilities (as and when reasonably necessary for Landlord to perform its obligations hereunder or exercise its rights or as necessary due to Force Majeure), including entrances, doors, corridors or other facilities. The Landlord shall not be liable to the Tenants for any expense, injury, loss or damage resulting from work done by persons other than the Landlord in or upon, or the use of, any adjacent or nearby building, land, street, or alley.

C. LOCKING OF PREMISES: All doors to the Premises must be kept locked at all times except during the Business Hours (as defined in Section 3[E]). Tenants shall not open the door to anyone in the late hours. The door may not be propped open for any reason. During normal Business Hours (as defined in Section 3[E]) for the Property, patrons and users of the Property shall have access to the Common Facilities. Tenants shall not have use of Common Facilities after the Business Hours (as defined in Section 3[E]) unless Tenant pays the Facilities Fee (as specified in Exhibit B) for keeping the Property and the Common Facilities open.

D. STORAGE OF INFLAMMABLE MATERIALS: Tenants agree that they will not permit to be kept at the Premises any gasoline, distillate or other petroleum product, or other substance of an explosive or inflammable nature as may endanger any part of the premises

without the written consent of the Landlord, provided that Tenants can maintain customary cleaning products in the Premises.

E. USE IMPAIRING STRUCTURAL STRENGTH: The Tenants will not permit the Premises to be used in any manner that will impair the structural strength of the Premises, or permit the installment of any machinery or apparatus the weight or vibration of which may tend to impair the building's foundations or structural strength.

F. GARBAGE DISPOSAL: The Tenants will not incinerate any garbage or debris in or about the Premises, and will cause all containers, rubbish, garbage and debris stored in the Premises to be placed in the refuse container supplied by Landlord for the Property before accumulation of any substantial quantity.

G. PUBLIC REGULATIONS: In the conduct of its business on the Premises, Tenants will observe and comply with all laws, ordinances and regulations of public authorities. Tenants acknowledge that the Property is owned by the City of Evanston and therefore no smoking will be permitted at the Property.

H. OTHER MISUSE: Tenants will not permit any unlawful or immoral practice with or without his knowledge or consent, to be committed or carried on in the Premises by Tenants or any other person. Tenant will not use or allow the use of the Premises for any purpose whatsoever that will injure the reputation of the Premises or of the building of which they are a part.

I. PARKING REGULATIONS: The NCAC has a total of fifty (50) parking spaces, consisting of thirty-five (35) permit spaces (including four [4] marked for compact cars) and twelve (12) metered spaces and three (3) handicapped spaces in the Property parking lot, which is Lot #51 and is immediately adjacent to the Premises (the "Property Parking Lot"). The Landlord acknowledges that it will not decrease the total number of parking spaces in the Property Parking Lot during the Lease Term, but Landlord reserves the right to reconfigure the parking lot and/or increase the parking spaces. For the permit parking spaces, annual parking permit fees shall be in accordance with the schedule previously referenced as **Exhibit B** and be billed separately. Parking permit fees are not prorated and will change over the Term of the Lease at the discretion of the Landlord. All annual parking permits issued will be billed on a monthly basis and are not returnable with the exception of permits which are transferred. There will be a \$25.00 transfer fee assessed for all annual permits which are to be reissued unless: 1) the old permit or remnants of the old permit is returned displaying the lot number and the permit number minimally; or 2) proof that the vehicle was sold by producing a bill of sale.

Monthly and annual parking permits for the Property Parking Lot are authorized only for Leaseholders, Sub-Tenants, staff and/or students attending classes at Noyes on a regular basis and Landlord will not permit businesses (or other invitees) outside of the NCAC to get permits for the Property Parking Lot. Use of permits is on a first-come, first serve basis for spaces available in the Property Parking Lot. Parking permits are not to be transferred to vehicles other than the vehicle for which the permit was issued unless prior written approval by the Director of Parks, Recreation and Community Services is obtained. Parking Permit privileges will be considered by the Director of Parks, Recreation and Community Services or designee for other regular NCAC users on a case-by-case basis. All Authorization Forms must be signed by Tenants or their authorized designee(s), and by an NCAC staff member before parking permits can be purchased. Temporary one-day parking permits are available for individuals attending special functions at the NCAC, and for visitors and others using the NCAC, who are pre-

approved by the Director of Parks, Recreation and Community Services or designee. Temporary parking permits are not available to parents or caregivers waiting for students attending classes or to attendees of performances. Tenants understand, and will inform their staff, students and patrons to observe all posted parking regulations. Parking permits will not be issued to individuals with an expired driver's license. Landlord will maintain the current parking lot serving the Property as a parking lot throughout the term of this Lease.

SECTION 6. SIGNS

Tenants may apply for signage (temporary and permanent signage) for the exterior and interior of the Premises, at its own expense, in order to conduct the business of Tenants. Tenants acknowledge that there are limitations from the City of Evanston Municipal Code of 2012, as amended, and the Code governs the application process and the details regarding size, type, and number of signs and Tenants agree to be bound by such ordinances. Landlord cannot make representations in a lease agreement that Tenants shall be entitled additional signage, a certain number of signs and/or dimensions of proposed signage, because the Tenants must make an application to the Sign Review Board, as provided by Code, but Landlord will not withhold its consent to a reasonably sized sign over the new entrance to the Premises.

SECTION 7. DEFECTS; DEFECTIVE CONDITION; WIND; ACTS OF THIRD PERSONS

Except as provided by Illinois law and except to the extent arising from the negligence or intentional misconduct of Landlord or its agents, employees or contractors, or from the breach of this Lease by Landlord, Landlord will not be liable to Tenants for any damage or injury to Tenants or Tenants' property occasioned by the failure of Landlord to keep the Premises in repair, and shall not be liable for any injury done or occasioned by wind or by or from any defect of plumbing, electric wiring or of insulation thereof, gas pipes, water pipes or steam pipes, or from broken stairs, porches, railings or walks, or from the backing up of any sewer pipe or down-spout or from the bursting, leaking or running of any tank, tub, washstand, water closet or waste pipe, drain, or any other pipe or tank in, upon or about the Premises or the building of which they are a part nor from the escape of steam or hot water from any radiator, nor for any such damage or injury occasioned by water, snow or ice being upon or coming through the roof, skylight, trap door, stairs, walks or any other place upon or near the Premises, or otherwise, nor for any such damage or injury done or occasioned by the falling of any fixture, plaster, or stucco, nor for any damage or injury arising from any act, omission or negligence or co-tenants or of other persons, occupants of the same building or of adjoining or contiguous buildings or of owners of adjacent or contiguous property, or of Landlord's agents or Landlord, all claims for any such damage or injury being hereby expressly waived by Tenants. Notwithstanding the foregoing, if any portion of the Premises unusable for the purpose contemplated hereunder for a period of greater than 5 days, the fixed minimum monthly rental will be equitably reduced in the proportion that the unusable part of the Premises bears to the whole. The determination of the unusable space shall be reasonably determined by the Landlord based on square footage.

Either Party will have the right to terminate this Agreement if, the Premises is damaged by a casualty to an extent exceeding two-thirds of the reconstruction cost of the Premises as a whole. If such damage occurs, this termination will be affected by written notice to the other Party, delivered within 90 days of the damage.

C. REPAIRS BY LANDLORD: If the Premises are damaged by a casualty before or after the start of the Agreement, then Landlord will immediately, on receipt of insurance proceeds paid in connection with casualty damage, but no later than sixty days after damage has occurred, proceed to repair the Property. Repairs will include any improvements made by Landlord or by Tenants with Landlord's consent, on the same plan and design as existed immediately before the damage occurred, subject to those delays reasonably attributable to governmental restrictions or failure to obtain materials, labor or other causes, whether similar or dissimilar, beyond the control of Landlord. Materials used in repair will be as nearly like original materials as reasonably procured in regular channels of supply. Wherever cause beyond the power of the party affected causes delay, the period of delay will be added to the period in this lease for completion of the work, reconstruction or replacement.

D. REDUCTION OF RENT DURING REPAIRS: If a portion of the Premises is unusable for the purpose contemplated hereunder for a period of greater than 5 days, the fixed minimum monthly rental will be equitably reduced in the proportion that the unusable part of the Premises bears to the whole. The determination of the unusable space shall be reasonably determined by the Landlord based on square footage. No rent will be payable while the Premises is wholly unoccupied pending the repair of casualty damage.

E. FIRE AND CASUALTY. If the Premises are entirely destroyed by fire or another act of God, and Landlord elects to not rebuild the Premises, then this Agreement shall be terminated effective as of the date of the casualty.

SECTION 9. REPAIRS AND MAINTENANCE

Except to the extent any of the following is Landlord's obligation pursuant to Section 4[A], Tenants shall keep the interior, non-structural portions of the Premises in a clean condition, and in good repair, all according to the statutes and ordinances in such cases made and provided, and the directions of public officers thereunto duly authorized, all at Tenants' own expense, and shall yield the same back to Landlord, upon the termination of this Agreement, whether such termination shall occur by expiration of the term, or in any other manner whatsoever, in the same condition of cleanliness and repair as at the date of the execution hereof, loss by fire and reasonable wear and tear excepted. Except to the extent any of the following is Landlord's obligation pursuant to Section 4[A], Tenant shall make all necessary repairs and renewals upon Premises and replace broken fixtures with material of the same size and quality as that broken. If, however, the Premises shall not thus be kept in good repair and in a clean condition by Tenants, as aforesaid, Landlord may enter the same, or by Landlord's agents, servants or employees, without such entering causing or constituting a termination of this Agreement or an interference with the possession of the Premises by Tenants, and Landlord may replace the same in the same condition of repair and cleanliness as existed at the date of execution hereof, and Tenants agree to pay Landlord, in addition to the rent hereby reserved, the expenses of Landlord in thus replacing the Premises in that condition. Tenants shall not cause or permit any waste, misuse or neglect of the water, or of the water, gas or electric fixtures.

Tenants will also be in compliance with all laws and regulations during the entire term of this Agreement, except for repairs required of the Landlord to be made and damage occasioned by fire, hurricane or other causes as provided for in this Agreement.

Landlord will be named as an additional insured. The liability under insurance will be at least \$1 million for any one person injured or killed or any one occurrence, \$2 million general aggregate coverage for any one accident, and \$ 100,000.00 property damage. Tenants will obtain an endorsement and Certificate of Insurance naming the Landlord as an additional insured from Tenants' carrier (during the term of the Lease, including Premises Improvement construction) and all contractors during the construction of the Premises Improvements and any other renovation or construction at the Premises. Annually, Tenant shall provide copies of the insurance policy and all endorsements thereto to Landlord. Tenant shall send the policy to the Law Department on or before January 1st of every year this Lease is in effect. If the Tenant fails to comply with this requirement, that shall constitute a default by Tenant.

C. TENANTS TO OBTAIN WORKER'S COMPENSATION INSURANCE: Tenants agree to maintain employees' Worker's Compensation insurance required under Illinois law.

D. TENANTS TO OBTAIN INSURANCE ON FIXTURES AND EQUIPMENT: The Tenants agree to maintain on all trade fixtures and personal property in the Premises, a policy of insurance approved by the Landlord of at least 90% of the insurable replacement value of all trade fixtures and personal property.

E. LANDLORD TO OBTAIN FIRE INSURANCE ON PREMISES: Landlord agrees to maintain during this Agreement, a policy of property insurance covering any peril generally included in the classification ISO Causes of Loss – Special Form (a "Special Form Policy") and covering at least 80% of the full replacement cost of the Premises and Property (or Landlord may self-insure for such coverage). If permitted without additional charge, Landlord will cause to

be endorsed on its property insurance, and any extended coverage policy or policies, the waiver of right of subrogation. G. CONTROL OF INSURANCE PROCEEDS TO AVOID TAXABLE GAIN: If the Premises, including any improvements, were to be damaged in any manner, and the receipt of any insurance proceeds or other reimbursement for such damage would result in the realization of taxable gain for federal or state purposes, then the party to whom the gain would be taxed will have the right to take all action respecting proceeds or reimbursements necessary to enable party to comply with any regulations of the appropriate taxing authorities, so that the gain will not be recognized for tax purposes. Nothing here will be construed to entitle Landlord to delay any repairs to any part of the improvements in the event of damage.

H. TENANTS' FAILURE TO INSURE: Should Tenants fail to keep in effect and pay for insurance as required by this section, the Landlord may terminate this Lease immediately.

SECTION 13. SUBLETTING; ASSIGNMENT

The Tenants shall be allowed to sublet a portion of the Premises to another entity or individual(s) ("**Sub-Tenant**") for a period of eighty nine (89) days or less in conformance with the original use stated in Section 5[A] and Tenants do not need the Lessor's consent. If the Tenants seek to sublet a portion of the Premises to a Sub-Tenant for a period of time ninety (90) days or more, then the Tenants must have the written consent of the Landlord and such consent shall not be unreasonably withheld. For all subleases, the Tenants shall obtain a certificate of insurance from the Sub-Tenant prior to commencement of the sublease, naming the City of Evanston as an additional insured for the period of occupancy. If Tenant, or any one or more of the Tenants, if there be more than one, shall make an assignment for the benefit of creditors, or shall file for bankruptcy protection, Landlord may terminate this Agreement, and in such event Tenant shall at once pay Landlord a sum of money equal to the entire amount of rent reserved by this Agreement for the then unexpired portion of the term hereby created less the reasonable rental value (as defined in Section 17[G] below) of the Premises as liquidated damages. At Landlord's option, should Landlord consent to any assignment or sublease of the demised Premises, Tenant shall nevertheless remain liable for all terms and conditions of this Agreement until the expiration of the Agreement term stated above.

SECTION 14. SURRENDER OF PREMISES; HOLDING OVER

Tenants will, at the termination of this Lease, leave the Premises in as good condition as they are in at the time of entry by Tenants, except for reasonable use and wear, acts of God, or damage by casualty beyond the control of Tenants. On vacating, Tenants will leave the Premises clear of all rubbish and debris. If Tenants retain possession of the Premises or any part thereof after the termination of the term by lapse of time or otherwise, then Landlord may at its option within thirty days after termination of the term serve written notice upon Tenants that

such holding over constitutes the creation of a month to month tenancy, upon the terms of this Agreement. Tenants shall also pay to Landlord all damages sustained by Landlord resulting from retention of possession by Tenants. The provisions of this paragraph shall not constitute a waiver by Landlord of any right of re-entry as hereinafter set forth; nor shall receipt of any rent or any other act in apparent affirmation of tenancy operate as a waiver of the right to terminate this Agreement for a breach of any of the covenants herein.

SECTION 15. INDEMNIFICATION AND LIENS

A. LIENS AND ENCUMBRANCES: The Tenants will hold the Landlord harmless from all claims, liens, claims of lien, demands, charges, encumbrances or litigation arising out of any work or activity of Tenants on the Premises. Provided, however, in the event that Tenants contest any lien so filed in good faith and pursues an active defense of said lien, Tenants shall not be in default of this paragraph. However, in the event of any final judgment against Tenants regarding such lien, Tenants agree to pay such judgment and satisfy such lien within 60 days of the entry of any such judgment.

B. DISCHARGE OF LIEN: If Tenants fail to fully discharge any claim, lien, claim of lien, demand, charge, encumbrance, or litigation, or should proceedings be instituted for the foreclosure of any lien or encumbrance, and if judgment is rendered against Tenants either by a court of competent jurisdiction or by arbitration and Tenants still persists in non-payment of the same within the 60 days set forth above, Landlord will have the right at any time after expiration of the 60-day period, to pay the lien or encumbrance. All amounts so paid will be repaid by the Tenants on demand, together with interest at the rate of 10 % per year from the date of payment and shall be considered additional rent owed to Landlord by Tenants.

C. INDEMNIFICATION OF LANDLORD: Except as otherwise provided in this Agreement, and except to the extent caused by the negligence or willful misconduct of Landlord, or its agents, employees or contractors, or by the breach of this Lease by Landlord, Tenants shall protect, defend, indemnify and save Landlord and its officers, directors, agents, attorneys, and employees harmless from and against any and all obligations, liabilities, costs, damages, claims and expenses of whatever nature arising from (i) any matter, condition or thing that occurs in the Premises, which is not the result of Landlord's negligence or willful misconduct, or (ii) any negligence or willful misconduct of Tenants, or their agents, employees or contractors.

D. INDEMNIFICATION OF TENANTS. Except as otherwise provided in this Agreement, and except to the extent caused by the negligence or willful misconduct of Tenants, or its agents, employees or contractors, or by the breach of this Lease by Tenants, Landlord shall protect, defend, indemnify and save Tenants and their officers, directors, agents, attorneys, and employees harmless from and against any and all obligations, liabilities, costs, damages, claims and expenses of whatever nature arising from (i) any matter, condition or thing that occurs in the Common Facilities, which is not the result of Tenants' negligence, or willful misconduct or (ii) any negligence or willful misconduct of Landlord, or its agents, employees or contractors.

SECTION 16. LANDLORD'S RIGHT OF INSPECTION AND REPAIRS

Tenants shall allow Landlord or any person authorized by Landlord reasonable access to the Premises during the Business Hours (as defined in Section 3(E)) for the purpose of

1. Terminate this Lease, in which event Tenants shall immediately surrender the Premises to Landlord, but if Tenants fail to do so, Landlord may, without further notice and without prejudice to any other remedy Landlord may have for possession or arrearages in rent, or damages for breach of contract, enter upon the Premises and expel or remove and with or without notice of such election or any notice or demand whatsoever, this Agreement shall thereupon terminate and upon the termination of Tenants' right of possession, as aforesaid, whether this Agreement be terminated or not, Tenants agree to surrender possession of the Premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the Premises whatsoever and hereby grants to Landlord full and free license to enter into and upon the Premises or any part thereof, to take possession thereof with or (to the extent permitted by law) without process of law, and to expel and to remove Tenants or any other person who may be occupying the Premises or any part thereof, and Landlord may use such force in and about expelling and removing Tenants and other persons as may reasonably be necessary, and Landlord may re-possess itself of the Premises, but such entry of the Premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause a forfeiture of rents due by virtue thereof, nor a waiver of any covenant, agreement or promise in this Agreement contained to be performed by Tenants. Tenants agree to indemnify Landlord for all loss and damage which Landlord may suffer by reason of such lease termination, whether through inability to re-let the Premises, or through decrease in Rent, or otherwise.

2. Landlord may recover from Tenants upon demand all of Landlord's costs, charges and expenses, including the fees and costs of counsel, agents and others retained by Landlord which have been incurred by Landlord in enforcing Tenants' obligations hereunder, subject to Landlord prevailing on its claims.

3. Pursuit of any of the foregoing remedies shall not preclude pursuit of any other remedy herein provided or available to Landlord at law or in equity, or constitute a forfeiture or waiver of any Rent due hereunder or of any damages suffered by Landlord.

C. REPOSSESSION OR RELETTING NOT A TERMINATION; LANDLORD'S RIGHT TO TERMINATE NOT FORFEITED: No repossession, operation or re-letting of the Premises or of fixtures and equipment will be construed as an election by Landlord to terminate this Agreement unless a written notice is given by the Landlord to the Tenants. The Landlord may terminate this Agreement if the Tenants remain in default (beyond any applicable notice and cure period). The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenants, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except written waiver, shall not be construed as a waiver of Landlord's rights to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this Agreement.

D. TENANTS' OBLIGATION TO PAY DEFICIENCIES: If rentals received by the Landlord from re-letting the Premises under the provisions of this section are insufficient to pay all expenses and amounts due, Tenants will pay any deficiencies to the Landlord on demand and be declared in default for failure to pay.

E. LANDLORD'S RIGHT TO PERFORM TENANTS' DUTIES AT TENANTS' COST: If in Landlord's judgment any default by Tenants will jeopardize the Premises or the rights of Landlord, Landlord may, without notice, elect to cure Tenants' default and Tenants will reimburse Landlord, with interest, on 10-days' notice by Landlord to Tenants.

F. LANDLORD'S RIGHT TO TERMINATE AGREEMENT: If there is an event of default by Tenants as stated in Paragraph A of this section, Landlord may, without further notice, terminate this Agreement and all interest of Tenants and may take possession of the Premises by legal proceedings.

The "reasonable rental value" will be the amount of rental Landlord can obtain as rent for the balance of the term.

H. LANDLORD'S REMEDIES CUMULATIVE: All of the remedies given to Landlord in this Agreement or by law are cumulative, and the exercise of one remedy by the Landlord will not impair its right to exercise any other right or remedy. Landlord shall not look to the property or assets of any direct or indirect partner, member, manager, shareholder, director, officer, principal, employee or agent of Tenants in seeking either to enforce Tenants' obligations under this Agreement or to satisfy a judgment for Tenants' failure to perform such obligations; and none of such parties shall be personally liable for the performance of Tenants' obligations under this Agreement.

If Tenants do not provide an action plan within the time period provided or provide the community engagement programs established between the parties, the Landlord shall send written notice of default, providing Tenants with fourteen (14) days to cure the default. The annual value of the Community Engagement provided by Tenants shall be not less than \$«Minimum_Community_Engagement_Amount» for the period between January 1, 2018 through December 31, 2018 ("Minimum Community Engagement"). For purposes of calculating the Minimum Community Engagement annual value, each hour of service, inclusive of preparation time, is valued at forty dollars (\$40.00) per hour. Additionally, the Minimum Community Engagement annual value may include the fair market value of goods and/or supplies provided in furtherance of the Tenant's community engagement obligation. Any overage provided by Tenants above the Minimum Community Engagement level for either of the prior two (2) years can be applied as a credit to any deficiency for the current calendar year. If Tenants do not provide the Community Engagement by December 31, 2018 as required and does not cure the default within 15 days of written notice, then Tenants shall pay Landlord a fee equal to 15% of the twelve month's rent outlined Section 3[A] (\$«Insert_15_of_12_months_rent») less the value of the Community Engagement provided during the calendar year.

SECTION 19. REMOVAL OF OTHER LIENS

In event any lien upon Landlord's title results from any act or neglect of Tenants and Tenants fail to remove said lien within thirty (30) days after Landlord's notice to do so, Landlord may remove the lien by paying the full amount thereof or otherwise and without any investigation or contest of the validity thereof and Tenants shall pay Landlord upon request the amount paid out by Landlord in such behalf, including Landlord's costs, expenses and attorney's fees. If Tenants demonstrate to Landlord that Tenants are contesting the validity of said lien in good faith, then Landlord shall allow Tenants to so contest such lien until either Tenant either abandons such contest or a final verdict is reached in a court of competent jurisdiction. Any

amount advanced on behalf of Tenants shall be paid to Landlord by Tenants within 30 days after such advancement is made together with interest at 9% per annum and such amount shall be considered additional rentals (including any overage provided in either of the two [2] immediately preceding years).

SECTION 20. REMEDIES NOT EXCLUSIVE

The obligation of Tenants to pay the rent reserved hereby during the balance of the term hereof, or during any extension hereof, shall not be deemed to be waived, released or terminated, by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenants' right to possession of the Premises. However, if 25% percent or more of the Premises as a whole is taken, the Landlord may elect to terminate this Agreement, notwithstanding that less than 30 percent of the Premises were taken. On termination, the parties will be released from all further liability under this Agreement.

C. ABATEMENT OF RENT: During any repair, Tenants will be required to pay only that part of the fixed minimum monthly rental as the area of the tenantable Premises remaining during repairs bears to the entire area leased. On completion of repairs, the fixed minimum
