• 33 business attended the workshop, 7 of the businesses that attended were non-Evanston; 22 businesses pre-registered.
• Consideration for next year: hold mini workshops for returnees, include a success story from attendee that connection, work on advertisement; more committee participation, work as ambassadors of the workshop and share with their local contacts.
• Survey and feedback reviewed; workshop expenses $379.88.

b. Under 20 Spend Update: Memo presented to the committee; brief overview of the project and approach was discussed. As stated in the memo Staff identified 84 vendors that make up over 70% ($4,075,065) of the city 2016 spend; and that are ripe for possible transition to local entities.
