We exist, 24 hours of every day, to protect life, property, and the environment. We will provide superior quality fire suppression, emergency medical services, fire prevention, public education, technical rescue, non-emergency and support services; to prevent or minimize situations that effect the people we serve.

**Organizational Values**

**Individual worth**  We believe our members are the most important resource.

**Teamwork**  Together we strive, together we accomplish.

**Professionalism**  Maintaining high standards of ethical conduct and technical competence.

**Quality**  Committing to excellence in everything we do.

**Respect**  We treat each other and the public with dignity. We make each encounter a reflection of how we wish to be treated.

**Preparation**  We will seek continuous improvement and evaluation of our knowledge and skills, sharing them with each other.

Single Company Responses
“Detail Response”

Example of Single Company Responses

- Car Fires
- Elevator Rescues
- Odor investigations
- Invalid Assists
- Vegetation Fires
- Trash Can/Dumpster Fires
- CO Detector Activations
- Lock in/Lock out
- Wires/Trees Down
- Trouble Alarms
EMS Response
Ambulance Response

> On every ambulance call, both an engine and ambulance are dispatched

> The engine is typically first to arrive due to our station configuration

> All engine companies are ALS equipped

> The engine company is a critical component to every ambulance. They assist the ambulance crew with patient movement, patient care and equipment. For the more serious calls, engine crew members will accompany the ambulance crew to the hospital.

Fees

- Review fee structures to be more in-line with the cost of services.

Plan Review

- Currently done by third party
  - FSCI charges contractors directly for cost of review
  - generates close to $50,000 year in review for company
  - Consider in-house plan review person - offset cost w/plan review fees
  - Reduces workload for Bureau
    - Currently FSCI only reviews larger jobs
    - In-house person to review all jobs
    - Will allow for the FPB to increase inspection activity in existing structures.

• **Youth Outreach Initiative**
  
  – Program has been in existence for 7 years starting with a grant award from the Department of Justice through the Judicial Advisory Council of Cook County.

  – Two Outreach Advocates work with at-risk youth to engage them, counsel them and assist in alternative forms of activity (school, job placement, recreation and/or referrals).

  – The Advocates contact 300 youth annually and assist up to 125 youth in some form of change from referrals to alternative activity.

  – 25 to 50 may receive alternative activity with the help of the case manager who will assist in school enrollment (high school or junior college), job placement (application assistance), recreational programs (park district, Evanston Athletic Club).

  – Complements the Summer Plan Initiative with increased summer contact.
• Technology/Automation
  – Develop a plan, with timeline, to utilize new computer technologies for both hardware and software upgrades.
  – Enable officers to use real-time data and effect in-car reporting to reduce station down time.
