III. ITEMS FOR CONSIDERATION

(P1) Ordinance 64-O-19, Major Zoning Relief for a Curb Cut and Driveway to the Street at 2650 Sheridan Road – Variations in the R1 District
The Zoning Board of Appeals and staff recommend denial of Ordinance 64-O-19 authorizing a major variation to establish a curb cut and driveway from the street frontage (Sheridan Rd.) on a newly subdivided property with alley access in the R1 Single Family Residential District. The property currently features a single family residence with a curb cut and driveway from the street frontage. The existing single family residence will be demolished and a new residence will be constructed. The proposal does not meet the Standards for Variation, specifically the proposal is not keeping with the intent of the Zoning Ordinance, does not have a hardship or practical difficulty peculiar to the property, is based upon a desire to extract additional income from the property, and is not limited to the minimum change necessary.

**IV. ITEMS FOR DISCUSSION**

(PD1) **Elgin Road Pilot**

Alderman Fiske proposes a pilot to evaluate the temporary closure of Elgin Road between Emerson Street and Orrington Avenue. The purpose of this pilot is to consider the potential benefits of restoring the original street grid system at the northern edge of the downtown business district. Staff seeks further direction from the Planning and Development Committee. If the Committee directs staff to study this area, then a complete evaluation of vehicular turning and detour ability needs further review before initiating a pilot.
