Subject: 2020 Application Process and Meeting Schedule
Date: July 11, 2019

Staff is proposing changes to the meeting schedule for the 2020 Community Development Block Grant and Mental Health Board (MHB) funding allocation process to provide the Mental Health Board (MHB) the opportunity to review: 1) conclusions relating to use of an equity lens for City funded human services by the Social Services Core Committee led by Deputy City Manager, Kimberly Richardson and 2) the Community Needs Assessment to inform the development of the 2020-2024 Consolidated Plan. Staff proposes the following changes to meeting dates and application deadlines:

- Letters Of Intent and applications for 2020 CDBG and MHB submitted in October
- Application review meetings in November
- Allocation meeting in December

Adopting the proposed meeting timeline would enable more effective use of CDBG and City funds to address the needs of Evanston’s residents and City Council goals. The 2020 budget will be finalized in November, in advance of the funding allocation meeting December 12. This timeline would also provide MHB with an allocation amount which addresses a concern in prior years.
