CALL TO ORDER
The Local Liquor Control Commissioner Stephen Hagerty called the meeting to order at 11:00 a.m.

NEW BUSINESS

Halim Time and Glass Museum, 1560 Oak Avenue
Cameel Halim appeared on behalf of Halim Time and Glass Museum. He is requesting an increase in the Class T Liquor License.

Mr. Halim explained Halim Time and Glass Museum already holds a City of Evanston Class D Liquor License. They are expanding their services to offer catering service in addition to restaurant service. They have an event space, but they would like to offer service outside of the venue.

Mayor Hagerty asked if the Board had any questions. Mr. Peach did not. Ms. MacBeth asked what the hours are. Mr. Halim explained that they are closed on Sundays, opened Tuesday thru Sunday 10am to 6pm. BASSETS are up to date.

Ms. Masoncup advised the proposed ordinance for Halim Time and Glass Museum’s Class T Liquor License will be introduced to the City Council on April 8, 2019.

Eurest Dining Services, 1560 Sherman Avenue
Zubin Kammula appeared on behalf of Eurest Dining Services. He is requesting an increase in both the Class D and Class T Liquor License.
Mr. Kammula explained that this particular location will be in the lower level of the Rotary
Club. Compass Group USA provides food and beverage management at Northwestern and other institutions like it, as well as private clubs. They’ve been providing food and beverage service at the Rotary Club, but would now like to be able to offer alcoholic beverages to meet the demand for such beverage services, prompting them to apply for the Class D application. They’ve applied for the Class T to cater the events throughout the building to provide to the members.

Mr. Peach, a member of the Rotary Club, explained that members have been providing their own beer for consumption during special events, but Tracy would like to be able to provide alcohol as part of the catering services for the Club’s events.

Mayor Hagerty has attended events at the Rotary Club asked who has provided the alcohol in the past; Mr. Kammula explained that the alcohol was likely provided by an outside caterer to the event. These are events for both members and the general public.

Compass would like to be able to offer the same service to the Rotary Club as they are currently offering to Northwestern’s Athletic Department, which allows them to cater their events anywhere.

Mr. Kammula is in agreement with Assistant City Attorney Hugh DuBose’s stipulation that there will be no issuance of Liquor Licenses until the two out of state officers have completed their background checks. Mr. Kammula is in the process of having those completed.

The Class D will cover the restaurant only. Mayor Hagerty discusses the restaurant only being open for breakfast and lunch service. Mr. Kammula explains that they are considering expanding their hours to offer dinner service. All staff will go thru both Compass and State BASSET training.

Mayor Hagerty asked the Board if they had questions. There were none.

Ms. Masoncup advised the proposed ordinance for Eurest Dining Services Class D and Class T Liquor Licenses will be introduced to the City Council on April 8, 2019.

Discussion of Alderman Wilson possibly suspending the rules. Ms. Masoncup will notify Mr. Halim of this as well.
