2020 Special Event Permit Policy & Instructions

Thank you for your interest in holding a special event in the City of Evanston. Enclosed are the materials needed to obtain a Special Event Permit for your upcoming event. Please follow the application directions very carefully. These first three pages should be removed from the completed application and kept by the event coordinator for reference. Also, an application checklist is included on page three of the instructions for further assistance. Some of the information will not apply to your specific event. However, no Special Event Permit will be issued without submittal of a signed application (See the bottom of Page 4 of the application) and requested documentation. Your event must have final approval of the City of Evanston Special Events Committee and in some cases the City Council.

Your event will be assigned to a staff person who will assist you throughout this process and will be your primary contact. You will be notified by your primary contact person if your event requires additional permits such as a: tent permit, temporary food permit, electrical permit, or liquor license, which must be obtained before you can receive a Special Event Permit.

Minimum Requirements/Criteria

The following criteria will be used to determine if the event is considered a Special Event:

1. All outdoor events requested on City property, i.e. street, sidewalk, park, etc., and/or deemed to significantly impact the City are considered Special Events.
2. An event that requires City Council approval is a Special Event. Special events that require City Council approval include:
 - Lakefront Events of 100 participants or more require Human Services Committee and City Council approval. Due to the high usage of the lakefront parks, which generates associated environmental, health and life safety issues, Special Event Permits are limited in lakefront parks.
 - Non-Lakefront Park Events of 250 participants or more require Human Services Committee and City Council approval.
 - Events requiring Street Closure of 250 participants or more (with the exception of block parties) require Administrative & Public Works Committee and City Council approval.

Requirements and Conditions

1. **Compliance with City Ordinances.** The applicant shall comply with all applicable City ordinances, codes, conditions, and requirements.
2. **Compensation for City Staffing.** Depending on attendance, the City may require city personnel including Public Works, Police and/or Fire, at the function. All City personnel involved in advance of, during and after, the day(s) of the event may be charged back to the sponsoring agency. The City shall determine the number of personnel and equipment necessary to ensure the safety of participants, minimize the inconvenience to our residents, ensure the success of the event, and reduce the public liability exposure to the sponsoring agency as well as the City. The bill will be transmitted to the sponsoring agency within thirty (30) days after the completion of the event.
3. **Barricades for Street Events.** All events that take place on a street that requires road closures (except block parties) will be subjected to additional barricading deemed necessary by the Evanston Fire Department, Office of Emergency Preparedness, Evanston Police Department and the Special Events Committee.
4. **Food and Beverage Service.** No food or beverages shall be sold or given away at the outdoor event, unless approved by the City's Health Department. We highly encourage the rental and usage of the City's water trailer over the use and distribution of bottled water.
5. **Waste Management.** All permit applications must include a waste management plan including details about quantity and capacity of onsite collection containers for trash, recycling and composting (if applicable). All events shall have an adequate amount of refuse and recycling containers, determine by the City, and shall not utilize public trash/recycling containers for the event. Refuse, recycling, and composting (if applicable) containers must be co-located. There should be no locations where a refuse, recycling, or composting container is placed without its counterparts.
6. **Liquor Consumption and Service.** No alcohol shall be sold or given away at the outdoor event, unless approved by the Mayor. Applications are received by the Legal Department and submitted to the Liquor Control Commissioner for approval.

7. **Electrical Power.** All applicants should provide their own source of power for their specific needs; the City generally will not provide electrical services of any sort.

8. **Misc.**

- a. Street closures are generally not permitted other than on Sunday mornings to minimize inconvenience to Evanston residents (with the exception of block parties).
- b. The City of Evanston is not responsible for any accidents or damages to persons or property resulting from the issuance of a Special Event Permit.
- c. The Special Event Permit is non-transferable and can only be used on the designated dates and times as printed and is required to be posted on site during the event.
- d. The City of Evanston reserves the right to suspend, cancel and/or reschedule events.

The event coordinator is responsible for ensuring that the organization and all participants and spectators abide by all the above conditions, ordinances, codes, and requirements.
