WEEK ENDING JANUARY 31, 2020

NWMC Unveils 2020 Legislative Program
Thank you to the one hundred and fifty-five NWMC members, legislators and guests who attended the NWMC Legislative Brunch, held on Saturday, January 25 at the Hilton Chicago-Northbrook. Federal, state and county legislators and their representatives gathered with NWMC member officials to discuss the Conference’s legislative platform for the year and share insights on the upcoming spring session of the General Assembly and initiatives from the nation’s capitol.

The Conference was pleased to share the day with the following legislators and thanks them for their attendance: Congressmen Sean Casten, Raja Krishnamoorthi and Brad Schneider; State Senators Cristina Castro, Laura Fine, Ann Gillespie, Julie Morrison, Laura Murphy, Jim Oberweis and Ram Villivalam; State Representatives Daniel Didech, Jennifer Gong-Gershowitz, Tom Morrison, Michelle Mussman, Diane Pappas, Mark Walker and Tom Weber; Cook County Commissioners Kevin Morrison and Peter Silvestri; Kane County Board Member Chris Kious; and, Lake County Board Chair Sandy Hart.

NWMC President and Morton Grove Mayor Dan DiMaria provided welcoming remarks and thanked “Governor Pritzker and state lawmakers for your leadership in creating statewide investment boards for our police and fire pension systems. Thank you. When fully operational, these new investment boards will lead to higher investment returns, lessening the burden on local taxpayers.” He noted the short-term increases to address the Tier 2 public safety pension benefit enhancements and called on lawmakers to “work with us to provide short-term relief through actions such as restoring state collected local revenues and reamortization of our public safety pension debt.”

NWMC Legislative Committee Co-Chair and Mount Prospect Mayor Arlene Juracek thanked state lawmakers for passing the Rebuild Illinois capital program and stressed the need to ensure that infrastructure projects are delivered in an efficient and timely manner. She outlined ways in which local governments could assist IDOT in simplifying project reviews and streamlining project delivery. Mayor Juracek stated, “The potential from the Rebuild Illinois program is significant, and we are ready to work with IDOT and lawmakers to ensure it meets its potential.”

NWMC Legislative Committee Co-Chair and Glencoe Village President Larry Levin discussed ongoing local government budget challenges and encouraged lawmakers to protect local revenues. He outlined the legislative program’s call to restore the Local Government Distributive Fund (LGDF), protect local control of property taxes and broaden the sales tax base to various services.

NWMC Sets 2020 Municipal Surplus Vehicle and Equipment Auction Dates
The Conference has signed a new Agreement for Auctioneer Services with America’s Auto Auction through February 14, 2021 with four possible, one-year contract extensions. The DuPage Mayors & Managers Conference, Metro West Council of Government and South Suburban Mayors & Managers Association piggyback onto this agreement which calls for three auctions per year in Spring, Summer and Fall. The first auction of 2020 will be held at Tuesday, April 21 at 2:00 p.m. at America’s Auto Auction, 14001 S. Karlov Avenue in Crestwood. The summer auction is scheduled for July 21, and the fall auction will be held on October 20.
We encourage you to participate in the auction program as America’s Auto Auctions brings together live and online bidders and offers services that help maximize the value of your vehicles and equipment. In addition, auction revenues help support NWMC operations and reduce the burden on dues. Please note that America’s Auto Auction also offers Internet auctions on par with GovDeals and Public Surplus. For questions or additional information, please contact staff or Berry Ellis, berry.ellis@americasautoauction.com or 312-371-5993. Staff contact: Ellen Dayan

Public Hearings on Pace’s Proposed North Shore Service Changes Continue
From the desk of Pace Community Relations Representative Steven Andrews:

Pace is seeking public input on proposed service changes resulting from the North Shore Transit Service Coordination Plan and Market Analysis, a joint study completed in 2017 by Pace and CTA. Pace is holding six public hearings throughout North Cook County to get input from stakeholders on the proposed service changes. For details regarding the proposed service changes and the upcoming public hearings, please see the attached notice. Information is also available on our website at PaceBus.com in the Projects & Studies section. Until February 18, 2020, written comments may also be submitted to our website, PaceBus.com, in the Public Hearing Comment Form area. Staff contacts: Kendra Johnson, Matt Pasquini
