Free Summer Lunch Program

Tentative sites: Mason Park, James Park and adjacent parks to Robert Crown Community Center and Fleetwood-Jourdain Community Center.

The City of Evanston’s Parks, Recreation and Community Services Department may once again operate a Summer Food Service Program through a grant from the Illinois State Board of Education. If the grant is awarded for 2020, free cold lunches will be served Monday–Friday to youth age 1–18 years at four park sites this summer. The summer food service program is available to all eligible children without regard to race, color, national origin, sex, age, or ability level.

Program status updates: 847-448-8254.
Special Needs, Medications and Americans with Disabilities Act (ADA)

Does your child need special accommodations to allow him/her full participation? Examples of needs are medication, behavior management and physical assistance.

The City of Evanston welcomes the participation of all individuals in our programs, including those with disabilities. We are fully committed to complying with the ADA and providing reasonable accommodations to facilitate participation in our programs. The sooner we know about your special situation, the more time we have to make reasonable accommodations to improve your child’s recreational experience with us!

At the time of registration, it is the responsibility of a parent/guardian to contact our Inclusion Coordinator to make arrangements for any accommodations. Those registering closer to the start of camp must contact our Inclusion Coordinator no later than 2 weeks before camp starts; otherwise, camp attendance may be delayed.

If you have any questions, please contact Ryan Dollins at rdollins@cityofevanston.org; 847-424-5496 (voice); 847-448-8064 (TTY) or 800-526-0857 (IL Relay Center voice transmission).

Arts Camps

General Information
The City of Evanston Arts Camps provide enrichment and exploration, giving youth the opportunity to immerse themselves in the arts and practice creativity, all of which leads to a fascinating summer. All camp staff have experience working with children and a background in and love of the arts. Each camp day includes classes in a variety of disciplines and may include field trips, visits from guest artists and special workshops. Most classes are held indoors, but Arts Camp gets outside whenever the weather permits. Most of our camps go to the beach once a week.

Camp Location Updates: call 847-448-8237.

Communication
Prior to the start of camp, you will receive a link to the Parent Web page via email, where you can download a detailed manual, all your forms and information on how to sign up for extended care for the camps that offer it. Weekly newsletters are published during camp. Several camps operate blogs and post final projects on YouTube.

Immersion in the Arts Camp
Some families like their kids to deep dive into the arts and process, other families are looking for a smorgasbord of summer single week options: this summer we have both at the same location. Each week this STEAM based camp will look at ideas that are common to both the art world and the scientific community and then respond through visual and performing arts. We will explore the ideas through music, visual arts, drama, media and movement. Immersion in the Arts features four week sessions which may include multiple classes, field trips and visits from guest artists. Each week this camp will travel to a new international city and learn about the culture, art and history and then respond through visual and performing arts. We will explore ideas through music, visual arts, drama, media and movement. This camp offers Pre- and Post-care: register through Immersion Camp. No camp July 3.

Adventure through Creation
Let's make things together! We'll use paint, ink, pencils, sticks and wire to create three dimensional works of art. Masks, card board constructions and weaving are a few of the projects that camp director, Patti Montgomery, has in mind. Each day will start with free art time followed by a project and then time to play outdoors at Baker Park. Children are encouraged to explore media in new ways and design their own camp experience as they develop new skills.

YAP (Young Artist Program)
Theme: Find your vision, find your voice
YAP offers a balance of in depth art classes with summer camp fun for tweens and teens, of all art experience levels. Explore art forms, express creativity, ideas and become empowered through the visual and performing arts. Attend a half-day to get a taste, or enroll in a full-day to immerse in the experience. Offerings ranged from printmaking and media, painting and collage; creative writing, cartooning, air guitar, improvisational comedy, video making, and performance poetry. Classes seek to expose YAPpers to a wide mix of artistic practices and ideas providing opportunities to learn new skills, develop new mastery, express and pursue individual interests and work collaboratively toward final presentations and projects. YAP provides time and space for creating community. Four days a week artists, instructors and mentors lead projects enhancing both individual expression and group collaboration. Fridays welcome guest performers, master workshops, a field trip or a beach excursion. Wednesdays dress up for our imaginative theme CosPlay days. End of session Friends and Family night includes a gallery opening/reception, with a performance showcase. No camp July 4.

Aquatic Camps

General Information

Important registration information!
Due to high demand and safety concerns, register your child for either the morning or afternoon Youth Aquatic Camp per session, but not both. We do not prorate Aquatic Camp offerings.

Swim Test Required

Although campers will wear Coast Guard approved personal flotation devices when they are aboard boats or other vessels, they are required to pass a 50-yard swim test (any combination of strokes) before they may participate in aquatic activities. The test will be given in the lake on the first day of camp (weather permitting). It’s in your best interest to be sure the camper can pass the test. Refunds will not be provided if the test is failed.

What about the weather?

Aquatic Camp meets every day, but bad weather, poor lake conditions or equipment failure may require that activities take place on the sand, in the park, or inside the Beach Office.

Camp Staff

Instructors are highly qualified with extensive lakefront experience. All staff members are certified in waterfront lifeguarding, C.P.R. and First Aid.

Apparel

Bring a swimsuit, towel and athletic shoes or sandals. Dress for the weather at the lakefront (it’s often 10° cooler at the lake).

Youth Aquatic Camp

Imagine a summer filled with fun activities, learn about safety and gain respect for the lake! Water activities include: sailing, kayaking, swimming, tubing, canoeing and water skiing. If there is poor weather, there will be one makeup day the week after the session ends on the same day camp was held.

Manager: Adam Abajian, 847-448-8237

Location: Dempster Street Beach

Age: 13-18 yrs.

Parent/Child AquaAction Camp

This Aquatic Camp is offered for parents/caregivers who want to share a great aquatic experience with their children. Multiple generations can participate in the same water sports as our very popular Aquatic Camp in a fun, relaxing environment. A swim test is required at the first class. At least one parent must register for every two children and must be present at every class; adults and children must register at the same time. The fee listed is per person. If there is poor weather, there will be one makeup day the week after the session ends on the same day camp was held.

Adult Aquatic Adventures

Now adults, who didn’t have an opportunity to participate in water sports as a child, can enjoy Lake Michigan. You’ll enjoy the same water sports as our very popular Aquatic Camp in a fun, relaxing environment (see previous page). You’ll also learn important safety rules and tips. A 50-yard swim test is required at the first class. If there is poor weather, there will be one makeup day the week after the session ends on the same day camp was held.

Kayak and SUP Camp

Find adventure on Lake Michigan and learn confidently to paddle kayaks and stand-up on paddle boards safely from The Northwest Passage staff. Instructors share their wind, wave and weather conditions knowledge, creating an exciting educational environment. Start by warming up with games, learn essential gear and activity safety rules, next head into the water and apply the day’s lesson on kayaks or SUPs. Campers must be able to swim 50 yards. The wearing of a flotation device is required.

NEW! Tennis & Soccer Camp

Every expert starts as a beginner. Let your child embrace their tennis and soccer bug at our summer camp! The City of Evanston and Team Evanston have teamed up to provide a unique multi-sports camp that will give campers the opportunity to participate in both tennis and soccer. Campers are challenged to improve their technical skills and will have fun playing the game under the guidance of our professionally qualified coaching staff. Camp topics will include instructional activities focusing on dribbling, shooting, ball control, passing and small group tactics. Players will be grouped by age and ability level.

Schedule

Campers start their morning at Lovelace Park tennis courts from 10am-Noon participating in tennis. After a break for a supervised lunch from 12–1pm (campers must be sure to bring their own lunch), campers will proceed to the soccer portion of camp from 1–3pm. Pick-up will be at Lovelace Park.

Tennis Camps

Summer Daze Junior Tennis Camp

Our camp offers personalized attention for all. Players are grouped by age and ability level. Our goal is to provide a highly fun organized and energetic program. We will focus heavily on solid stroke development, strategy, footwork patterns and instill a love of the game. Dress for the weather, wear sunscreen, bring a water bottle and tennis racquet.

**NEW! Intro to Golf & Tennis**

This camp collaboration between The Golf Practice Academy and the City of Evanston Tennis Academy introduces campers to the world of golf and tennis! The golf portion is aimed at getting young golfers excited about learning and participating in the sport. We nurture this excitement by using a variety of non-traditional learning strategies to assist our junior golfers on their path to discovery. Intro to Golf addresses and instills these fundamentals through thoughtful instruction with a concentration on deliberate game play that will entertain and challenge your junior golfer. The tennis portion aims to provide a highly organized and energetic program which focuses heavily on solid stroke development, strategy and footwork patterns. The main focus is to let kids have fun and instill a love of the game. The golf portion of camp will take place first from 3-4pm and the tennis portion of camp will take place from 4-5pm.

Pee Wee Sports Camp
Introduce your child to summer camp! Pee Wee Sports Camp is designed for the young camper, a great way to prepare children for future summer camps. In this camp popular children’s games are combined with fun sports activities. Campers feel comfortable in a noncompetitive and supportive atmosphere as they learn new games and make new friends. Each camper will receive a camp t-shirt that must be worn on field trip days (included in fee). Reference the parent packet for items to bring to the beach day and field trip day. NEW field trip days will be offered.

Activities
We encourage campers to improve their ability to play on a team and grow as individuals. Activities may include soccer, t-ball, basketball and tennis. Outings include two beach days and one field trip day per 3-week camp session. Please pack your child a snack for camp.

Campsites
Pee Wee Sports Camp is held at three different locations. Please be sure to check the location next to the class number below. Leahy Park is a large open park with a playground and park shelter. It is located just across the street from Chandler-Newberger. Baker Park has a large open field, playground and park shelter.

Science & Sports Camp
The City of Evanston and Northwestern Center for Talent Development (CTD) have teamed up to provide children with experiences in a variety of sports, enrich them in math and science exploration, and empower them with decision-making skills. Our teachers and coaches offer an innovative blend of athletics and academics in a fun and enjoyable camp setting. There will be a variety of hands on instruction in sports and science lessons as well as interactive learning experiences. Registration is required for each session.

Session I: Playground Math
How do you measure the angle of a slide? Why does the angle of a slide matter? What shapes can be found on a playground? Students use a real playground to explore a variety of geometry concepts and then design and build their own playground model.

Session II: Blood & Bones
Young biologists learn about what cells are and how they function in the human body. They learn about body systems, such as the respiratory system and circulatory system, as well as the role of exercise in our overall health.

Session III: Extreme Code Breaking
Breaking a code often involves identifying a pattern. Students identify patterns of numbers, words, letters, symbols and even actions and apply what they learn to create and crack increasingly complex secret codes.

Session IV: Big Cats
Lions, tigers and more! Young zoologists explore the captivating world of big cats. Students learn where these cats live across the globe, how they survive in their habitats, and how scientists study them.

Northwestern CTD
Northwestern University’s Center for Talent Development (CTD) provides hands-on, engaging courses for academically advanced students during the summer and academic year. Courses are fast-paced and encourage students to explore topics in depth. Sites are located in Skokie (summer), Evanston (weekends), and downtown Chicago.

Chess Camps

Chess Scholars Mini-Camp
Develop your child’s intellect through the royal game of Chess! Our immersive Chess camp is great for beginners and experienced players alike. Each day will consist of fun, interactive teaching periods and plenty of time for students to practice against one another while being coached by an experienced instructor. Additionally, we will switch things up and change the pace throughout the day with problem-solving cooperative games, brain teasers, and a recess period to let everyone get the wiggles out.

We offer options for a Half-Day Camp (your choice of 9am-12pm or 1pm-4pm), or attend the Whole-Day Camp for a jam-packed immersion into the world of Chess! There will be a lunch period for Whole-Day campers (parents provide a sack lunch and drink) and a snack period for all campers (we supply a peanut-free snack). Every camper will receive a Chess Scholars tee shirt! During the camp, students will have the opportunity to test for a Chess Belt using our unique system, patterned after martial arts belts. The camp session will conclude with a non-elimination tournament, and prizes will be awarded to every participant.

Robotic Camps

Robothink Robotics Challenge Mini Camp
Join us for this fun RoboThink Robotics Challenge Mini Camp. Build battle robots, compete in robotic soccer competitions and design sensor robots. RoboThink offers academically oriented STEM programs focusing on robotics for budding, intermediate and/or advanced students. We are aligned with Next Gen Science standards and allow students to be hands on and engaged. With RoboThink’s exclusive kits students build and play with robots of all shapes, sizes and functions. Starting with simple motorized models, students will be working towards building advanced autonomous sensor robots. Our instructors take students on a fun and education journey where we cover robotics principles and problem solving. The activities are interactive, and aim towards promoting learning and retention. RoboThink uses curricula designed to meet every skill level, so no prior experience is necessary. If you sign up for both AM and PM during the same week, your child can stay for the full day. We do not provide lunch so please bring a lunch if your camper registers to stay all day.

Zombie Camps

Zombie Survival: Basic Training
Campers will learn the survival skills needed for the coming Zombie Apocalypse. Stealth and evasion, first aid and map reading are some of the skills we will teach our zombie fighting trainees as we search for a cure for the zombie scourge. Campers will find inner strength and confidence as they play games, climb trees, use tools, practice self-defense, build forts, increase their observational skills and work with their teammates to fight zombies.

Special Needs

Camp Spark (Formerly Park Camp)
Camp Spark is held in conjunction with District #65 Special Education/Park School. Students will participate in recreation activities such as swimming, sports, field trips, arts and crafts and an end-of-camp BBQ. All campers must bring their own lunch daily; drinks and snacks will be provided. Registration for Camp Spark must be completed by or before May 8, 2020. Registration for camp after May 8 will be subject to a late registration fee of an additional $100 (students starting at Park School or other D65 schools on or after May 8 will be exempt from the late-registration charge). No camp July 3.

NOTE: Transportation to and from camp is a separate fee and no longer included in the standard camp price. The City of Evanston will provide transportation for all field trips during camp hours.

Teen Leadership

Robert Crown Counselor in Training Program

Be a part of the future of recreation in Evanston by joining the Robert Crown Center team! This Counselor in Training (CIT) Camp prepares teens to work with staff and contribute their talents to the programs offered by Robert Crown Community Center. Participants serve as role models for the younger children who are enrolled in the Center’s summer camps and receive weekly training from an Assistant Camp Director and mentors.

This program builds community and prepares youth to work with children in a variety of settings. CIT participants receive basic training on a range of topics: how to interview and apply for a job, work-place skills, inclusion skills, how to assist small groups of campers in crafts and sports activities, redirection strategies, safety procedures and more. Senior staff evaluate and mentor the participants throughout the four week program and provide a final evaluation.

First training week

Observation of the many camps offered at Robert Crown, as well as an introduction to the program staff and program objectives. The following week, CIT participants will be assigned to a camp, based on an interview and personal interests, while also receiving training and hands on experience.

Training options:

Creative Play (ages 3–5 yrs.)
Fun Factory (ages 5–7 yrs.)
Summer Safari (ages 5–12 yrs.)
Kid City (ages 7–10 yrs.)

Program

The registration fee includes: Training, supplies, field trips and small group activities.

Chandler-Newberger Counselor in Training (CIT)

The Chandler-Newberger’s Counselor in Training (CIT) program will introduce young teens to the concept of leadership, helping them become aware of their own natural leadership ability and teach them how leadership will help them in their daily lives. The CIT Program Supervisor will track the performance of all CITs, focusing especially on the core values of teamwork, excellence, humility, self-awareness, perseverance and optimism.

Once a week the CIT Program Supervisor will meet individually with CITs to discuss and help them to reflect on their performance, and areas of strength and growth. Each CIT will receive an evaluation sheet from the CIT Program Supervisor weekly. Additionally, there will be five mandatory workshops held at Chandler-Newberger Center to prepare CITs for their work as volunteers and as prospective counselors. Each participant will be required to volunteer for a min. of 50 hours at one of Chandler-Newberger’s summer camp programs and complete self-reflections about their hours online. If participants wish to continue volunteering beyond 50 hours, they must receive a score of 75% or better on their final evaluation.

Volunteers will be encouraged to use their leadership skills in real-world situations while being supervised by Camp Directors, Assistant Directors and Counselors. Prior to the first workshop, participants will receive an online assignment via email. The assignment will entail a participant/parent information packet and a participant questionnaire. The questionnaire will help the CIT Program Supervisor determine which camp best suits each volunteer and ensure a summer filled with growth, fun and excitement. Volunteers will receive their camp assignment at the second workshop.

First (3) workshops: Tues., June 16 and Thurs., June 18, 4–5pm
Last (2) workshops: Tues. or Thurs., Noon–1pm or 4–5pm

Once enrolled, complete the schedule form and identify the class you will attend each week. If unable to attend either workshop, then contact the CIT Program Supervisor. Note: Some accommodations cannot be made, especially in the case of multiple requests.

Prospective Workshop Dates:

Tuesdays, June 16, 23, 30 and July 7, 14
Thursdays, June 18, 25 and July 2, 9, 16

Aquatic Camp Counselor in Training

This camp provides the training and experience for potential Aquatic Camp counselors. Participants will work daily shadowing counselors, learning how to teach basic aquatic skills (tubing, sailing, waterskiing, fishing, etc.). Each session includes a Parents’ Night.

Anyone who passes the 50-yard swim test may enroll in this program, participation may not guarantee future employment with the City of Evanston as Aquatic Camp staff. In addition to needing leadership and aquatic skills, Aquatic Camp staff must be certified in American Red Cross Lifeguard Training, Professional Rescuer C.P.R. and First Aid, and have working experience as a City of Evanston lifeguard for at least one season. No camp July 3.

Ecology Counselor in Training

Be a great camp counselor. CITs will not only learn new skills, but have a great summer experience. The first two weeks are spent learning about communication, leadership, problem solving and teamwork. Week two is working with EcoQuest Camp, playing with campers, assisting counselors and leading activities.

In addition to counselor training, campers will participate in a variety of activities, including canoeing, field trips and beach days. A schedule is provided prior to the start of camp.

As this is a counselor in training program for the Ecology Center Camps, the program also will include topics related to the environment such as responsible resource use, how to be a good “eco role model” and ways to reduce your carbon footprint. Note: the content of the two sessions is identical; due to high demand, registration is limited to one session.

Summer Discovery Camp
Step into a world of discovery at Summer Discovery camp. Who knows what we will find when exploring the dark depth of the sea or the furthest galaxy? Campers will explore four main theme camps that are designed to broaden their minds on the world around them. Activities, field trips and crafts will all be centered around weekly themes. Staff will guide campers through exploration as they learn of the creepy creatures below and the bright burning stars above. Half of the camp day will focus directly on the weeks theme, the rest of the day campers will enjoy the summer sun and the cool crisp waters of Lake Michigan.

Outer Space Adventures
Campers will jet off into the night sky to get a closer look at the stars and planets above. We will explore the planets of the solar system and connect the dots to the constellations. Campers can then pretend to be astronauts and build their own rocket ship and create a constellation of their own.

Underwater Wonderland
Have you ever wondered what lies deep inside the ocean? Some will never know but we can imagine. Campers will dive deep into the wonders of the ocean and learn of the many creatures that call it home. We will look at underwater volcano’s while experimenting with some of our own. Campers will need to put on their creative caps to create their version of a deep-sea creature.

Adventure Sweep
Get your child outdoors this summer with our Adventure Sweep camp. Groups will face off against each other in daily challenges through team building activities, sport games, scavenger hunts, relay races and more. Campers will learn the values of teamwork, communication and the overall concept of fun and team spirit.

Summer in the Park
This new program for middle school children, builds upon the successful after school drop in program, “Summer in the Park”, located in the renovated Evanston’s Mason Park Field house. It is a wonderful addition to the existing summer camps, offering outdoor fun activities including trips to the beach, structured sports activities, and scheduled field trips. Space is limited to 30 participants, early registration is recommended.
Manager: Jeron Dorsey, 847-448-8254
Location: Mason Park Field House
Age: 11-14 yrs.
Fee: $400 R/$450 N

Fitness Frenzy
To promote the importance of a healthy lifestyle, campers will participate in various indoor and outdoor sports along with fitness activities. With the help of trained instructors, campers will stay fit through karate, dancing and fitness circuit exercises.

End of Summer Mini-Camp
Mini-camp will recap the four main themes explored this summer. Campers will participate in recreational activities, arts and crafts and field trips dedicated to the camp themes.
Fee: $210 R/NR

Camp Information

Resident Registration Information

Camp Registration Day
Camp registration day is February 1, 2020, 8am–Noon; online and in-person at the Levy Senior Center only. No phone registrations will be allowed at this time. Registrations will be taken on a first-come, first-serve basis. This process will fairly allocate slots in camps which have high demand. The camp registration day is for Evanston residents only (zip codes 60201 and 60202). Proof of residency is required. After Noon on February 1, you will not be able to register for additional camps or wait lists until Monday, February 3 at 10am. Pre- and Post-care registration will begin at 10am on March 3, 2020.

Online Registration
You must have an active email address to register online. To request an account, click on the “Need an account?” link at cityofevanston.org/register.
Online registrations for residents will begin on February 1, 2020 from 8am–Noon. All camp transactions must be completed by Noon.
For online registrations, simply follow these easy steps:
- Existing online accounts: Plan ahead, check that your account is accessible 48 hours prior to registration day.
- New online accounts: Accounts must be created 24 hours prior to registration day.
- Use the “+” icon by each camp section to select all of your choices.
- After all selections have been made, click on the “add to cart” button on the bottom left corner of the screen.
- Select the corresponding camp(s) for your child(ren) and click “continue”.
- A review of your shopping cart will appear, click “proceed to checkout”.
- Select payment method, enter the payment amount (must pay minimum amount due) and click “continue”.
- Enter payment information and “submit payment”.
- A receipt will automatically be emailed.
Your child(ren) must meet all requirements to enroll in the camps listed in the 2020 Summer Camp Guide. Exceptions to any requirement cannot be made online. If you need an exception for camp, you must register in-person. Please note that registrations will be taken in-person simultaneously at the Levy Senior Center. Each camp will have a small number of slots reserved for in-person registrations only.

In-Person Registration
For in-person registration, simply follow these easy steps:
- Arrive at the Levy Senior Center, 300 Dodge Ave., on February 1, 2020 from 8am–Noon.
- Upon entry, each person will receive a number on a first-come, first-serve basis.
- Residents will be directed to the gym where they will receive registration forms and have the opportunity to consult with staff on camp options.
- Use the registration form to compile the first and second choice of camp selections for your child(ren).
- Numbers will be called in groups to proceed to the registration desk to enroll in camp and proof of residency will be required at this time.
- Staff will complete your registration with a $25 deposit per section.
- A receipt will be provided upon completion confirming your camp selections.

Nonresident Registration Information
Registration for nonresidents begins at 10am on Monday, February 10, 2020. At that time, nonresidents may register for camps online at cityofevanston.org/register, at all the recreation centers and by phone. A $25 deposit per camp section is due at enrollment.

Camp Policies

Toilet Training
All campers must be toilet trained before beginning a City of Evanston camp program.

Wait List
Wait lists for camp sections will only become available after the initial registration day, beginning on Monday, February 3, 2020 at 10am for residents only. Wait list registrations can be taken in-person at all community centers, over the phone and online. There is no fee required to be on a wait list(s).

Registration Cut-off
In order to have safe, adequate staffing levels on the first day of camp, registration will close the Thursday before each session starts.
Camp slots are non-transferable; if your child receives a slot, you cannot give this slot to another person, including family members.

Transfer Policy
You may request that your child transfer from one City of Evanston camp to a new registration in another City of Evanston camp. Contact the center hosting the camp to initiate a transfer to a new selection.
Please allow time for the requests to be processed. Do not bring your child to the “new” camp until you are contacted the transfer has been approved and finalized.
Transfers are made based on availability in the new camp. Program fees vary. If the camp you are transferring into has a higher fee, you must pay the difference before the transfer will be approved. If the camp you are transferring into has a lower fee, a refund will be issued. Camp deposits or camp balance payments are not transferable to non-camp programs.
The department reserves the right to accommodate or deny transfers on a case-by-case basis.

Deposit Policy
A $25 deposit is required for each camp section at the time of your child(ren) enrollment. Deposits are never refunded but may be transferred in compliance with the transfer policy. There are no payment plans or fee assistance available for deposits.

Refunds
We offer refunds on a case by case basis for documented situations preventing your child from participating in camp successfully. All such requests for a refund must be submitted in writing to the Program Coordinator that is responsible for overseeing your camp. Refunds may be adjusted or pro rated based on the circumstances and your child’s attendance in camp. Deposits are never refundable.

Final Payment/Payment Plans
May 5, 2020 is the balance due date for all camp fees (see “Ways to Pay” below).
Payment plan options may be available after a review of special circumstances on a case-by-case basis. Payment plans are made through the community center overseeing the camp. If the camp is held at a park or school, please call the program coordinator of your camp to assist you. If you have not arranged a payment plan or paid the balance due by May 5, 2020, we reserve the right to cancel your child’s reserved space(s) and you will forfeit your camp deposit(s).
Households with a previous balance are required to pay in full to all outstanding balances prior to starting camp. If enrolling in a camp after May 5, 2020 and need a payment plan, please contact the Program Coordinator of the camp for assistance. Camp sections must be paid for before your child begins camp.
Fee Assistance/ Scholarships
Fee assistance (scholarship) is available to qualifying Evanston residents based on family size and total family income.
Fee assistance applications are available at community centers and the Lorraine H. Morton Civic Center, 2100 Ridge Ave. and online at cityofevanston.org/recreationscholarship.
Fee assistance is valid for one year.
Some families receive camp payment assistance from a third party agency. The City of Evanston Parks, Recreation and Community Services Department will work with families receiving camp payment assistance from a third party agency, providing the following guidelines are followed
• The paperwork process must begin by May 5, 2020; please contact the camp’s program coordinator by that date.
• Verification of third party fund availability for camp participation before camp begins.
• The entire camp balance is the responsibility of the guardian the event assistance is denied.

General Information
Drop-off and Pick-up
Please be aware that camps have sign-in and sign-out procedures that must be followed. Parents, custodians or guardians are responsible for promptly picking up children when the program ends. If a child is picked up more than five minutes late, you will be assessed a late fee of $5 per child for the first 15 minutes and $1/min after that time.

Camp Start Date and Summer School
Schedules were set assuming School District #65’s school year will end before Friday, June 5, 2020. If the school year is extended and the starting date of our camps changes, we will contact parents/guardians in May. If your child is required to attend summer school, please contact the program coordinator of the camp.

Quality Assurance
We strive to provide the highest-quality programs. We’re confident that all participants will enjoy them. However, if you are not satisfied, we welcome suggestions and ideas that you think will help us improve our programs.

Ways to Pay
Online at cityofevanston.org/register, by phone, mail or in person with a major credit card, check, money order or cash (in person only).

Updated Information
Information may change after the guide is printed in December. Camp locations are expected to be confirmed after School District #65 determines their needs. For updates, including confirmed camp sites, please call 311 or visit cityofevanston.org/summercamp.

Parent Manuals
Parent manuals for camps beginning in June will be sent in May. Manuals will contain all camp information including camp policies, codes of conduct, camp specific information, activity schedules and more.

Health, Safety and ADA
Information/Emergency Contact Form
Participants in City of Evanston camp programs are required to have an information/emergency form on file prior to the first day of camp. The Parks, Recreation and Community Services Department has teamed up with ePACT to improve the health and safety of children enrolled in our camp programs this summer. ePACT is one of the leading secure electronic health record systems for campers. Instead of filling out paper forms, you will enter health/ emergency contact information through the encrypted online system. Campers will not be allowed to participate in camp until their health form is submitted. Instructions and registration information will be sent via email after registration.

Health, Contact Information and Code of Conduct
If your child is ill, do not send him/her to camp. First aid for minor cuts or abrasions is available. Please refer to our sick policy in the Parent Manual for full details.
The City of Evanston doesn’t carry hospitalization insurance for program participants; your family’s individual health care policy must cover all your medical needs.
Before camp starts, camps will include the City of Evanston’s Code of Conduct policy as part of the parent packet. It will be implemented if a child’s behavior begins to interfere with the rights of others.

Special Needs, Medications and Americans with Disabilities Act (ADA)
Does your child need special accommodations to allow him/her full participation? Examples of needs are medication, behavior management and physical assistance.
The City of Evanston welcomes the participation of all individuals in our programs, including those with disabilities. We are fully committed to complying with the ADA and providing reasonable accommodations to facilitate participation in our programs. The sooner we know about your special situation, the more time we have to make reasonable accommodations to improve your child’s recreational experience with us!
At the time of registration, it is the responsibility of a parent/guardian to contact our Inclusion Coordinator to make arrangements for any accommodations. Those registering closer to the start of camp must contact our Inclusion Coordinator no later than 2 weeks before camp starts; otherwise, camp attendance may be delayed.
Questions: please contact Ryan Dollins at rdollins@cityofevanston.org; 847-424-5496 (voice); 847-448-8064 (TTY) or 800-526-0857 (IL Relay Center voice transmission).

Pre and Post camp Care
Pre and Post care assists parents by offering a safe environment for their children beyond normal camp hours. Each Pre and Post care site offers children access to various recreational activities and equipment so children can relax and play. This is not an extension of the camp curriculum; activities might include playground time and board games. Pre and Post care service is available for campers registered in specific camps.
